(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Borrowings are classified as current liabilities unless, at the end of the reporting period, the group has a right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the Statement of Profit and Loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value, less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects

some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

iii. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

2.6 Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

3. Property, plant and equipment (including capital work-in-progress)

The Company has tax losses of Rs 0.17 lakhs (March 31,2025 :Rs. 0.67 lakhs) that are available for offsetting of future taxable profits. Deferred tax assets has not been recognised in respect of these losses as they may not be used to offset taxable profits elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company is able to recognise all unrecognised deferred tax assets, the retained earnings for the year would have increased by Rs. 0.03 lakhs (March 31, 2025: Rs. 0.11 lakhs).

23. Fair value measurements

Break up of financial liabilities carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade payable	53.12	17.36
Borrowing	2,672.33	2,750.58
Total	**2,725.45**	**2,767.94**
Current liabilities	452.87	285.45
Non-current liabilities	2,272.58	2,482.49
Total	**2,725.45**	**2,767.94**

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade receivables	42.62	43.03
Cash and cash equivalents	157.95	78.57
Bank balances other than cash and cash equivalents	99.27	93.31
Other financial assets	5.69	5.68
Total	**305.53**	**220.59**
Current assets	300.16	215.22
Non-current assets	5.37	5.37
Total	**305.53**	**220.59**

The carrying value of trade receivables, cash and cash equivalents, bank balances, other financial assets, trade payables are considered to be the same as their fair values, due to their short term nature.

Security deposits held by the Company are interest bearing instrument. Hence, carrying value of such deposits are considered to be the same as their fair values.

The management has further assessed that carrying value largely due to the interest rates being variable or in case of fixed rate borrowings, movement in interest rates from the recognition of such financial instrument till period end not being material.

24. Financial risk management

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. Management of the Company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026 and March 31, 2025.

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

Particulars	March 31, 2026	March 31, 2025
Variable rate borrowings	2,388.33	2,484.12

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's Profit/loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	March 31, 2026	March 31, 2025
Interest rates - Increase by 25 basis points (March 31, 2025 -25 basis points)	(6.23)	(6.48)
Interest rates - Decrease by 25 basis points (March 31, 2025 -25 basis points)	6.23	6.48

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities including deposits with banks.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data and forward looking information. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss in the current and previous year.

Balance with banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

The Company's other financial assets comprise security deposits held with state electricity authorities, which carry low credit risk. Accordingly, no loss allowance has been recognised.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summaries the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

March 31, 2026	< 1 year	1 to 3 year	3 to 5 year	>5 years	Total
Non- derivative					
Borrowings	399.75	207.82	222.90	1,916.43	2,746.90
Trade Payables	53.12	-	-	-	53.12

March 31, 2025	< 1 year	1 to 3 year	3 to 5 year	>5 years	Total
Non- derivative					
Borrowings	268.09	305.67	209.98	1,988.33	2,772.07
Trade Payables	17.36	-	-	-	17.36

25. Analytical ratios

Sr. No.	Particulars	Numerator	Denominator	For the Year ended March 31, 2026	For the year ended March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current Liabilities	0.68	0.78	-13%	Not applicable
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	2.61	2.67	-2%	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	1.15	1.14	1%	Not applicable
4	Return on Equity	Net Profit/ (loss) after taxes	Average Shareholder's Equity	-0.83%	-1.41%	41%	Refer note (i)
5	Return on investment	Investment income	Average investment	6.00%	6.00%	0%	Not applicable
6	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	2.16	4.48	-52%	Refer note (iii)
7	Return on Capital employed	Earning before interest and taxes	Capital Employed	5.51%	5.83%	-6%	Not applicable
8	Trade Receivables turnover Ratio	Total Sales	Average Trade Receivable	9.79	10.01	-2%	Not applicable
9	Net capital turnover Ratio	Total Sales	Working Capital	-2.89	-6.63	56%	Refer note (ii)
10	Net Profit Ratio	Net Profits/(loss) after taxes	Revenue	-2.04%	-3.48%	41%	Refer note (i)

Capital employed = Tangible Net worth + total debt

Working Capital = Current assets less Current liabilities

Average = (Opening + Closing)/2

Notes :

(i) The return on equity and net profit ratio have been improved due to decrease in overall expenses, primarily driven by lower finance costs during the year.

(ii) Decrease in net capital turnover ratio is attributable to increase in current borrowing as per contractual arrangement with holding company.

(iii) The decrease in the trade payable turnover ratio is due to an increase in deviation charges accrued at year-end, based on estimates shared by the vendor.

26. Capital management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

	As at March 31, 2026	As at March 31, 2025
Borrowings including accrued interest	2,672.33	2,750.59
Less: Cash and cash equivalents (includes other bank balances)	257.22	171.88
Net debt	**2,415.11**	**2,578.71**
Equity	1,023.52	1,032.09
Net Debt to Equity	**2.36**	**2.50**

There is no material variation in debt to equity ratio.

Loan Covenants

The Borrower shall, during the entire tenor of the Facility, ensure that:

(a) Debt to Equity ratio of 70:30;

(b) Debt Service Coverage Ratio (DSCR) does not fall below 1.10 and;

(c) Fixed Asset Coverage Ratio to Security cover to be maintained at minimum 1.2x and;

(d) Debt/Tangible Net worth is less than or equal to 2.33

Financial Covenant are tested based on the audited financial statements annually within a period of 6 (six) months from the end of the relevant Financial Year.

Some of the debt covenants were not complied as at March 31, 2025 and March 31, 2026, refer note 11 for details.

27. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Sr. No.	Particulars	As at March 31, 2026	As at March 31, 2025
a)	The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
	- Principal amount outstanding (whether due or not) to micro and small enterprises	20.36	14.63
	- Interest due thereon	0.06	0.02
b)	The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.	-	-
c)	The amount of payment made to the supplier beyond the appointed day during the year.	16.89	2.32
d)	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006.	0.31	0.05
e)	The amount of interest accrued and remaining unpaid at the end of each accounting year	0.38	0.07
f)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.50	0.13

28. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment. 100% of the revenue of the Company is from single customer.

29. Other statutory information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(ix) Borrowing secured against current assets: The group has borrowings from banks and financial institutions on the basis of security of current assets. The quarterly returns or statements of current assets filed by the group with banks and financial institutions are in agreement with the books of accounts.

30. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

31. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements of record retention.

DIRECTORS' REPORT

Dear Shareholder,

Your directors take pleasure in presenting the Fourth Annual Report, together with the audited financial statements of your Company for the year ended March 31, 2026.

FINANCIAL RESULTS

(Rs. in Lakh)

Particulars	2025-26	2024-25
Total income	4232.18	3,850.9
Profit before finance cost, depreciation, and tax	3619.56	3,356.2
Finance Cost	2731.95	3,138.0
Profit before depreciation and tax	887.61	218.2
Depreciation and impairment	1586.69	1,571.2
Profit/(Loss) before tax	(699.07)	(1,353.0)
Profit/(Loss) after tax	(699.07)	(1,353.0)

State of Company's Affairs

The hybrid project of 25MW (24.3MW Wind & 27.5MWp Solar) was commissioned in the State of Gujarat in June 2023 and has been in stable operation since commissioning.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the Company. The Paid-up Share Capital of the Company is Rs. 99,80,90,000/- divided into 9,98,09,000 Equity shares of Rs.10/- each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources :** This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.
- **Renewable Sources and Grid Availability :** The risk identified by the Company is lower generation on account of lower radiation, wind speed, Grid curtailments and failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses :** This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced. The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety .

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors, and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalization : HSE digital software implemented for hazard reporting, at risk behavior reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sandeep Mandke (DIN: 09619581) retires by rotation and being eligible offers, himself for re-appointment. The proposal of re-appointment forms part of the Notice of the Fourth AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Ashish Kumar resigned as the Chief Financial Officer and Key Managerial Personnel of the Company with effect from October 31, 2025.
- Ms. Ankita Shah was appointed as the Chief Financial Officer and Key Managerial Personnel of the Company with effect from January 22, 2026.
- Ms. Veda Pathak resigned as the Company Secretary and Key Managerial Personnel of the Company with effect from January 29, 2026.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual evaluation of its performance and of its individual Directors.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met four times on April 28, 2025, July 23, 2025, November 3, 2025, and January 22, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 21, 2026, where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit Committee as on March 31, 2026, comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sandeep Mandke as members of the committee.

The committee met four times during the year on April 8, 2025, July 23, 2025, November 3, 2025, and January 22, 2026. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on December 23, 2022. The committee as on March 31, 2026, comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee. During the year, the committee met on January 22, 2026.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026, and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Audit Committee for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 2 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the Company has complied with the requirement for maintenance of cost records.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the Company will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company. The information is also available for inspection at the registered office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of Companies Act, 2013 as on March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of one-time settlement with any Bank or Financial Institution.

Vigil mechanism

The Company has adopted the Whistle Blower Policy of Thermax Limited, its Ultimate Holding Company, which enables directors and employees to report genuine concerns in an ethical and transparent manner.

Auditors

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five years from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Secretarial Auditors

In accordance with the provisions of Section 204 of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed Ladda Bhutada & Associates, Company Secretaries, Pune, to undertake the secretarial audit of the Company for FY 2025-26. The Secretarial Audit Report for FY 2025-26 is attached as Annexure 3 to this Report.

The Secretarial Audit Report does not contain any qualifications, reservations, adverse remarks or disclaimers.

Internal Auditors

The Board has appointed Mr. Tushar Dahale, Chartered Accountant as the Internal auditor of the Company.

Changes in the Regulatory Provisions and its impact on the business:

During the year, the below changes were made to the Regulatory Provisions:

- Ministry of Power notified an amendment to the Electricity Rules 2005 to clarify that the minimum 26% equity and minimum 51% consumption is to be maintained by SPVs as well, in addition to AoPs. Further, consumption by Holding Company or its subsidiaries in addition to the subsidiary of the SPV, shall qualify as captive consumption. The prevailing requirement of consumption proportional to the equity shareholding has been modified and the consumption is now required to be maximum equal to the equity shareholding. Any energy wheeled more than the equity share will be treated as non-captive and shall attract Cross Subsidy Surcharge and Additional Surcharge. As we have been following the 26-74% from the beginning this change has no impact on the captive compliance. Due to variation in generation of each Wind turbine, minor variance in consumption proportion is expected amongst the consumers, which can be left as it is to be borne by the consumers or if mutually agreeable, the equity shareholding to be reallocated in proportion to the estimated share in generation. Either ways, there is no impact on the SPV except

facilitating the share transfers if the captive consumers so wish to proceed and raising the Authorised Capital of the SPV to handle any additional subscription by any of the consumers.

- Early in the year, Gujarat Electricity Regulatory Commission (GERC) released tariff order for FY 2025-26, providing for 60 paise rebate in solar hours and 45 paise peak surcharge. GERC also notified Additional Surcharge (ASC) for non-captive consumers in the range of Rs. 1/ unit (Oct'25 - Mar'26). Inspite of solar hour discounts, and peak hour surcharges, due to banking provisions, captive savings continue to remain attractive for existing customers. Further, higher ASC enhances captive savings in comparison to 3rd party open access transactions, making captive investments more lucrative.
- Lastly, the new Integrated RE Policy 2025 policy mandates battery in form of Energy Storage Obligations (ESOs) for Discoms, Captive and Open Access consumers and Projects are allowed longer lead times for project commissioning. This opens opportunities for battery projects and battery augmentation.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration:

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

Annexure 2

Form No. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arm's length transactions under third proviso thereto

1. **Details of contracts or arrangements or transactions not at arm's length basis:**

   The company has not entered into any contracts/arrangements with its related parties which are not in ordinary course of business or not at arm's length basis.

2. **Details of material contracts or arrangement or transactions at arm's length basis:**

   There are certain transactions entered into by the Company who are related within the meaning of Indian Accounting Standard (Ind AS) 24 and Sec 188 of the Act. The disclosure of transactions with such related parties are set out in Note No. 28 to the financial statements which forms an integral part of this report.

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED March 31, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

FIRST ENERGY 3 PRIVATE LIMITED

Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune, 411014 Maharashtra, India

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. First Energy 3 Private Limited** bearing **CIN: U40100PN2022PTC211607** (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Report on Secretarial Records and Compliances made thereunder

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representation made by the Management we hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed on a test basis and other records maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956, (SCRA) and the rules made thereunder; Not applicable

iii. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, and the Regulations and Bye-laws framed thereunder; Not applicable

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; Not applicable

v. The Company is not listed on any Stock Exchange in India hence the Acts, Regulations, Guidelines etc., related to SEBI were not applicable to the Company:

vi. As per the management representation no other laws applicable except mentioned below specifically to the Company during the audit period:

   (a) The Indian Contract Act, 1872

   (b) The Income Tax, 1961

   (c) The Goods and Service Tax Act, 2017

   (d) The Electricity Act, 2003

   (e) The Indian Stamp Act, 1899 and The Maharashtra Stamp Act, 1958

   (f) The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 and The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Rules, 2018.

   (g) The Factories Act, 1948 and other allied State wise Factories Rules wherever the sites are located.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings and General Meetings: During the Year ended March 31, 2026, the Company has complied with the applicable clauses of Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible.

(ii) The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015; Not applicable

Based on the information received and records maintained, we further report that:

1. The Board of Directors of the Company has been duly constituted with proper balance of Non-Executive and Independent Directors, the changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

   1.1. Mr. Ravi Damaraju (DIN: 09554649) who was eligible to retire by rotation has been re-appointed as a director of the company in the annual general meeting held on July 22, 2025.

   1.2. Mr. Ashish Kumar (PAN: AKRPK9087C), who was appointed as Chief Financial Officer (CFO) on July 22, 2024 tendered resignation on October 31, 2025.

   1.3. Ms. Ankita Shah (PAN: DKKPS2180E) has been appointed as the Chief Financial Officer (CFO) and Key Managerial Personnel (KMP) of the Company on the recommendation of Nomination and Remuneration Committee by the Board w.e.f. January 22, 2026.

   1.4. Ms. Veda Pathak (Membership No.: A67023) tendered resignation from the post of Company Secretary and KMP effective from close of business hours of January 29, 2026.

2. Adequate notice(s) have been given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance and, in case of shorter notice, compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

3. All the decisions in the board meetings were carried through by majority while there were no dissenting member's views and hence not captured and recorded as part of the minutes.

We further report that there are adequate systems and process in the Company commensurate with the size and operations of the Company to monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following events /actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines, if any, as may be referred to above:

i. Pursuant to transfer of shares at end of March 2025 in dematerialized form, from one nominee to another nominee, the Company has filed prescribed e-form for the change of nominee under section 89 with the Registrar.

ii. The Members at the General Meeting on May 23, 2025 have approved alteration to Articles of Association by way of special resolution.

iii. According to Sub-section 4 of Section 203 of the Companies Act, 2013 and relevant rules, if the office of any whole-time key managerial personnel is vacated, the resulting vacancy shall be filled-up by the Board at a meeting of the Board within a period of six months from the date of such vacancy. Mr. Ashish Kumar (PAN: AKRPK9087C) CFO and KMP of the Company resigned w.e.f. October 31, 2025, and the vacancy was duly filled by appointment of Ms. Ankita Shah CFO and KMP of the company w.e.f. January 22, 2026.

iv. In line with the provisions of section 204 of the Companies Act, 2013, the Company has appointed M/s. Ladda Bhutada & Associates, Company Secretaries Firm as Secretarial Auditor for FY 2025-26 in the board meeting held on April 28, 2025.

v. The Internal Auditor – Mr. Satish Jayaram, Chartered Accountant, of the Company has tendered his resignation w.e.f. July 22, 2025. Further, in line with the provisions of section 138 of the Companies Act, 2013, the Company has appointed Mr. Tushar Dahale, Chartered Accountant as Internal Auditor w.e.f. July 23, 2025.

vi. The Company shifted its registered office address from Unit No 601, Cello Platina, FC Road, Pune - 411005 to 7th Floor, Fountainhead Tower 1, Viman Nagar, Pune - 411014 within the local limits of the city w.e.f. January 22, 2026.

vii. In line with the provisions of section 82 of the Companies Act, 2013, the Company filed satisfaction of charge for the term loan of ₹295 Crores and bank guarantee facility ₹15 Crore vide form CHG-4 in May 2025 post receiving "no dues certificate" from the charge-holder. Further pursuant to the provisions of section 77 of the Companies Act, 2013, the Company filed modification of charge for the term loan of ₹305 Crores vide form CHG-1 in November 2025.

viii. The Board Committees, namely Audit Committee and Nomination and Remuneration Committee have been constituted and have met four (4) times and one (1) time respectively.

First Energy 3 Private Limited

Annexure-A'

To the Secretarial Audit Report

For the financial year ended March 31, 2026

To,

The Members,

FIRST ENERGY 3 PRIVATE LIMITED

Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune, 411014 Maharashtra, India

Our Secretarial Audit report for the financial year ending March 31, 2026, of even date is to be read along with this letter.

Management's Responsibility

1. It is the responsibility of the management of the company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

Auditor's Responsibility

2. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to Secretarial Compliances.

3. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

4. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

5. We have followed the audit practice and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

Disclaimer

6. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

7. The Secretarial Audit report is neither an assurance as to the future liability of the Company nor of the efficiency of effectiveness with which the management has conducted the affairs of the Company.

8. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 3 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 3 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

First Energy 3 Private Limited

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 35(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

            (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 35(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

            (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 3 Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 3 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 3 Private Limited

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 3 Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties as disclosed in Note 3(a) (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in five mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its services. We have broadly reviewed the books of account maintained by the Company pursuant to the said requirement, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the term loans have been applied for the purposes for which they were obtained.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Further, no such report has been filed by any other auditor appointed by the Company under the Act. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 3 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on May 25, 2022 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business as a producer of wind and solar power.

The address of the Company's registered office is 7th Floor, Fountainhead Tower 1, Viman Nagar, Pune - 411014 India. The Board of Directors have authorized to issue these financial statements on April 23, 2026. The CIN of the Company is U40100PN2022PTC211607.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied to the consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in power purchase agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct good or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment and capital work in progress are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and machinery	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Computers	3	3
Roads	3	3
Office equipment	5	5

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

c. Borrowing costs

Where the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs eligible for capitalization are determined as the actual borrowing costs incurred on such specific borrowings during the period, less any investment income earned on the temporary investment of those borrowed funds pending their utilization on the qualifying asset; accordingly, the net borrowing costs, after deduction of such temporary investment income, are capitalized as part of the cost of the qualifying asset in accordance with IAS 23 – Borrowing Costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

d. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

e. Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

iv. Equity instruments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Borrowings are classified as current liabilities unless, at the end of the reporting period, the group has a right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the Statement of Profit and Loss.

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

f. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax Assets

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

l. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

ii. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

iii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

2.5 Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

25 Loss per share

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Net Loss attributable to the Equity shareholders of the Company	(699.07)	(1,353.02)
Weighted average number of Equity shares of Rs.10/- each	99,809,000	99,809,000
Basic and Diluted Loss per share	**(0.70)**	**(1.36)**

26. Contingent liabilities and commitments

There are no liabilities of contingent nature.

Capital and other commitment

Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for is Nil (March 31, 2025: 48.46)

27 Leasing Arrangements

Company as lessee

The Company has taken land on leases for a tenure of 29 years. There are no variable lease payments and residual value guarantees for these leases.

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Carrying amounts of lease liabilities and the movements during the year:

Particulars	As at March 31, 2026	As at March 31, 2025
At the beginning of the year	706.09	683.17
Additions	-	-
Accretion of interest	64.24	62.66
Payments made	(58.88)	(39.74)
As at end of the year	**711.45**	**706.09**
Current portion of lease liabilities	60.11	58.87
Non-current portion of lease liabilities	651.34	647.22
Total	**711.45**	**706.09**

Details of amounts recognised in Statement of Profit and Loss

Particulars	As at March 31, 2026	As at March 31, 2025
Amortisation of right-of-use assets	45.43	45.43
Interest expense on lease liabilities	64.24	62.66
Less: Capitalised during the year	(11.13)	-
Total amount recognised in Statement of Profit and Loss	**98.54**	**108.09**

The total cash outflow for leases for the year was Rs. 58.88 Lakhs (March 31, 2025 - Rs. 39.74 Lakhs).

Extension and termination options are included in a number of property and equipment leases. These are used to maximise operational flexibility in terms of managing the assets used in the company's operations. The majority of extension and termination options held are exercisable only by the company's and not by the respective lessor.

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade receivables	564.28	481.18
Other financial assets	28.84	99.10
Cash and cash equivalents	441.53	835.90
Bank balances other than cash and cash equivalents	850.00	-
Total	**1,884.65**	**1,416.18**
Current assets	1,884.46	1,415.99
Non-current assets	0.19	0.19
Total	**1,884.65**	**1,416.18**

The carrying value of trade receivables, cash and cash equivalents, bank balances, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable or in case of fixed rate borrowings, movements in interest rates from the recognition of such financial instrument till period end not being material.

Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2026	As at March 31, 2025
Financial assets		
Investments		
Mutual funds	-	270.77
Total financial assets (Current)	**-**	**270.77**

i) Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2025

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2025	270.77	-	-

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of NAV based on report issued by mutual fund house.

31 Analytical ratios

S.No.	Particulars	Numerator	Denominator	For the Year ended March 31, 2026	For the Year ended March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current assets	Current liabilities	1.07	0.84	28%	Refer Note (i)
2	Debt-Equity Ratio	Total debt	Shareholder's equity	4.45	4.11	8%	Not Applicable
3	Debt Service Coverage Ratio	"Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)"	Debt service (Interest & Lease payments + Principal repayments)	0.95	0.10	874%	Refer Note (ii)
4	Return on Equity Ratio	Net profits after taxes	Average shareholder's equity	-9.75%	-16.50%	41%	Refer Note (iii)
5	Return on Investment	Investment income	Average investment	6.19%	17.93%	-65%	During the previous year, gain from mutual funds resulted in higher yield
6	Return on Capital Employed	Earning before interest and taxes	Capital employed	5.47%	4.65%	18%	Not Applicable
7	Net Profit Ratio	Net profits after taxes	Revenue	-16.78%	-35.92%	53%	Refer Note (iii)
8	Trade Receivables Turnover Ratio	Total sales	Average trade receivable	7.97	6.68	19%	Not Applicable
9	Trade Payables Turnover Ratio	Net credit purchases	Average trade payables	7.11	21.70	-67%	Refer Note (iv)
10	Net Capital Turnover Ratio	Total sales	Working capital	35.46	-11.25	415%	Refer Note (i)

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Working Capital = Current assets less Current liabilities
Capital employed = Tangible Net worth + total debt
Average = (Opening + Closing)/2
Notes

i) Increase in current ratio and net capital turnover ratio is attributable to higher cash and bank balances and decrease in liabilities, resulting from cash profit during the year and repayment of borrowings.

ii) Increase in EBIT and less repayment of unsecured borrowing as compared to previous year resulted in increase in debt service coverage ratio

iii) Increase in return on equity and net profit ratio is attributable to decrease in borrowing cost, resulting from re-financing of external debt.

iv) Decline in the trade payables turnover ratio is due to an increase in average trade payables, mainly arising from outstanding balances payable to the group company and amounts payable for operation and maintenance.

32 Financial risk management

The Company's principal financial liabilities comprise borrowings, lease liabilities, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The Management reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk, price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value."

The sensitivity analyses in the following sections relate to the position as at March 31, 2026 and March 31, 2025.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows

Particulars	March 31, 2026	March 31, 2025
Variable rate borrowings	29,559.65	29,877.14

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Interest rates - Increase by 25 (March 31, 2025 - 25) basis points	(74.85)	(70.43)
Interest rates - Decrease by 25 (March 31, 2025- 25) basis points	74.65	70.43

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The Company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are quoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and security deposits) and from its investing activities, including deposits with banks and other financial instruments.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data and forward looking information. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss in the current and previous year.

Expected credit loss (ECL) for

Balances with Banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits. As per ECL assessment provision for ECL were recognised, refer note 12 and 24 for details.

Particulars	Security Deposits
Loss allowance as on March 31, 2024	-
Loss allowance recognised during the year	119.11
Receivables written off during the year	-
Unused amount reversed	-
Loss allowance on March 31, 2025	**119.11**
Loss allowance recognised during the year	
Receivables written off during the year	-
Unused amount reversed	(119.11)
Loss allowance on March 31, 2026	**-**

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non-derivative					
Borrowings	1,600.82	1,860.70	2,257.24	24,845.78	30,564.54
Lease liabilities	60.11	123.33	127.50	1,668.53	1,979.46
Trade Payables	124.63	-	-	-	124.63
Other financial liabilities	1.88	-	-	-	1.88

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non-derivative					
Borrowings	1,804.48	1,604.33	2,084.13	25,564.29	31,057.23
Lease liabilities	58.87	119.16	127.50	1,732.27	2,037.80
Trade payables	45.60	-	-	-	45.60
Other financial liabilities	90.59	-	-	-	90.59

33 Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026	As at March 31, 2025
Borrowings including accrued interest	30,367.39	30,946.62
Lease liabilties	711.45	706.09
Less: Cash and cash equivalents (includes other bank balances)	1,291.53	835.90
Net debt	**29,787.31**	**30,816.81**
Equity	6,823.26	7,522.33
Net Debt to Equity	**4.37**	**4.10**

Increase in debt to equity ratio during the year majorly on account of decrease in total equity on account of losses during the year.

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with the following financial covenants:

(a) Debt Service coverage ratio to be not less than 1.10

The financial covenant are tested based on the audited financial statements after end of each financial year. Management has complied with debt covenants as at March 31, 2026.

34. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Due to small scale industrial undertakings have been worked out on the basis of information available with the management.

Particulars	As at March 31, 2026	As at March 31, 2025
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
- Principal amount outstanding (whether due or not) to micro and small enterprises*	34.16	6.77
- Interest due thereon	0.10	0.01
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of payment made to the supplier beyond the appointed day during the year	101.04	45.46
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	1.19	0.56
The amount of interest accrued and remaining unpaid at the end of each accounting year	1.29	0.57
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	1.99	0.70

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

35. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

36. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements of record retention.

DIRECTORS' REPORT

Dear Shareholder,

Your directors take pleasure to present the Fourth Annual Report, together with the audited financial statements of your company for the year ended March 31, 2026.

FINANCIAL RESULTS

(Rs. in Lakh)

Particulars	2025-26	2024-25
Total income	2,742.19	2,661.36
Profit before finance cost, depreciation, and tax	3,631.78	2,040.18
Finance Cost	1,923.91	1992.86
Profit before depreciation and tax	1,707.87	47.31
Depreciation and impairment	1,178.44	1335.22
Profit/(Loss) before tax	529.44	(1287.90)
Profit/(Loss) after tax	529.44	(1287.90)

State of Company's Affairs

The Solar capacity of 38.20 MW/56.85 MWp in the State of Tamil Nadu has been in operation since September 2023.

Due to the heavy rainfall and subsequent flooding in the state of Tamil Nadu in December 2024, the operation of the plant was disrupted and the plant was subsequently restored. Further, to avoid floods incase of heavy rainfall numerous efforts in terms of elevating module mounting structure, string combiner boxes and cleaning of government owned nala, widening of the nala, provision of the bund etc. have been taken during the financial year to safeguard the plant operations and to ensure plant availability in case of flood situations.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affects the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the Company. The Paid-up Share Capital of the Company is Rs. 68,55,00,000 divided into 6,85,50,000 Equity Shares of Rs.10 each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures and Associates

The Company does not have any Subsidiary, Joint Venture or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein to persons in the employment of the Company, Directors or Key Managerial Personnel for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Solar business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources :** This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.
- **Renewable Sources and Grid Availability :** The major risk identified by the Company is generation loss due to lower radiation and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses :** This type of risk involves the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.

- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety.

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication : HSE Moment/Lessons Learnt : Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability, Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation : HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Ms. Anjali Lothe (DIN: 10134848) retires by rotation and being eligible offers herself for re-appointment. The proposal for re-appointment forms part of the Notice of the fourth AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company:

- Mr. Sandeep Deshpande (DIN: 09748806) resigned as a Director of the Company w.e.f. April 29, 2025.
- Ms. Anjali Lothe (DIN: 10134848) was appointed as an Additional Director of the Company w.e.f. April 29, 2025. She was appointed as a Director of the Company w.e.f. July 22, 2025.
- Mr. Sourabh Sonawane resigned as the Company Secretary and Key Managerial Personnel (KMP) of the Company w.e.f. November 13, 2025.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual evaluation of its performance and of its individual Directors.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met four times on April 29, 2025, July 22, 2025, October 31, 2025 and January 22, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 21, 2026 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit committee as on March 31, 2026 comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Ms. Anjali Lothe as members of the committee. The Committee was reconstituted by the Board at its meeting held on April 29, 2025 and Ms. Anjali Lothe was inducted as a member of the Committee. The committee met four times during the year on April 29, 2025, July 22, 2025, October 31, 2025 and January 22, 2026. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on January 11, 2024. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee.

The Committee met twice during the year on April 29, 2025 and on January 22, 2026.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026 and of the profit of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the

Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Audit Committee for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 2 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the Company will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company secretary. The information is also available for inspection at the registered office during working hours up to the date of the Annual General Meeting.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Changes in the Regulatory Provisions and its impact on the business

- During the year, Ministry of Power notified an amendment to the Electricity Rules 2005 to clarify that the minimum 26% equity and minimum 51% consumption is to be maintained by Company as well, in addition to Association of Persons (AoPs). Further, consumption by Holding Company or its subsidiaries in addition to the subsidiary of the Company, shall qualify as captive consumption. The prevailing requirement of consumption proportional to the equity shareholding has been modified and the consumption is now required to be maximum equal to the equity shareholding. Any energy wheeled more than the equity share will be treated as non-captive and shall attract Cross Subsidy Surcharge and Additional Surcharge. As we have been following the 26-74% from the beginning and allocation of power is done by the Company, this change has no impact on the captive compliance.

- Further, Tamil Nadu Electricity Regulatory Commission (TNERC) announced Industrial grid tariffs for FY 2025-26, wherein energy charges increased from Rs. 7.25/unit to Rs. 7.50/unit. Banking approved in 15 minute time slots, which was further challenged in Madras high court. Also introduced Time of Day charges (25% surcharge during peak hours) and night rebate (5% on energy charges). Captive savings continue to remain attractive for consumers.

Vigil mechanism

The Company has adopted the Whistle Blower Policy of Thermax Limited, its Ultimate Holding Company, which enables directors and employees to report genuine concerns in an ethical and transparent manner.

Auditors

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five years from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Secretarial Auditors

In accordance with the provisions of Section 204 of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed Ladda Bhutada & Associates, Company Secretaries, Pune, to undertake the secretarial audit of the Company for FY 2025-26. The Secretarial Audit Report for FY 2025-26 is attached as Annexure 3 to this Report.

Internal Auditors

The Board has appointed Mr. Tushar Dahale, Chartered Accountant as the Internal auditor of the Company.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work and support.

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration:

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval..

Annexure 2

Form No. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arm's length transactions under third proviso thereto

1. Details of contracts or arrangements or transactions not at arm's length basis:

The company has not entered into any contracts/arrangements with its related parties which are not in ordinary course of business or not at arm's length basis.

2. Details of material contracts or arrangement or transactions at arm's length basis:

There are certain transactions entered into by the Company who are related within the meaning of Indian Accounting Standard (Ind AS) 24 and Sec 188 of the Act. The disclosure of transactions with such related parties are set out in Note No. 26 to the financial statements which forms an integral part of this report.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended March 31, 2026
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

FIRST ENERGY 4 PRIVATE LIMITED

Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune – 411014, Maharashtra, India.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. First Energy 4 Private Limited bearing CIN: U40100PN2022PTC216736** (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Report on Secretarial Records and Compliances made thereunder

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representation made by the Management we hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **March 31, 2026,** complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed on a test basis and other records maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956, (SCRA) and the rules made thereunder; Not applicable;

iii. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, and the Regulations and Bye-laws framed thereunder; Not applicable;

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; Not applicable;

v. The Company is not listed on any Stock Exchange in India hence the Acts, Regulations, Guidelines etc., related to SEBI were not applicable to the Company;

vi. As per the management representation, no other laws applicable except mentioned below specifically to the Company during the audit period:

(a) The Indian Contract Act, 1872

(b) The Income Tax, 1961

(c) The Goods and Service Tax Act, 2017

(d) The Electricity Act, 2003

(e) The Indian Stamp Act, 1899 and The Maharashtra Stamp Act, 1958

(f) The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 and The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Rules, 2018.

(g) The Factories Act, 1948 and other allied State wise Factories Rules wherever the sites are located.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings and General Meetings: During the Year ended March 31, 2026, the Company has complied with the applicable clauses of Secretarial Standard (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible.

(ii) The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015; Not applicable

Based on the information received and records maintained, we further report that:

1. The Board of Directors of the Company has been duly constituted with proper balance of Non-Executive and Independent Directors, the changes in the composition of the Board of Directors including Key Managerial Personnel that took place during the year under review were carried out in compliance with the provisions of the Act.

1.1. Mr. Ravi Damaraju (DIN: 09554649) who was eligible to retire by rotation has been re- appointed as a Director of the company in the Annual General Meeting held on July 22, 2025.

1.2. Ms. Anjali Lothe (DIN: 10134848) who appointed as Additional Director w.e.f. April 29, 2025 has been regularized as Director of the Company in annual general meeting held on July 22, 2025.

1.3. Mr. Sandeep Prabhakar Deshpande (DIN: 09748806) has resigned from the post of Director from close of business hours of April 29, 2025.

1.4. Mr. Sourabh Sonawane (Membership No.: A58561) has resigned as the Company Secretary & KMP of the Company w.e.f. November 13, 2025.

2. Adequate notice(s) have been given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance, compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

3. All the decisions in the board meetings were carried through by majority while there were no dissenting member's views and hence not captured and recorded as part of the minutes.

We further report that there are adequate systems and process in the Company commensurate with the size and operations of the Company to monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following events /actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines, if any, as may be referred to above:

i. In line with the provisions of section 204 of the Companies Act, 2013, the Company has appointed M/s. Ladda Bhutada & Associates, Company Secretaries Firm as Secretarial Auditor for FY 2025-26 in the Board meeting held on April 29, 2025.

ii. Pursuant to transfer of shares at end of March 2025, at two instances, in dematerialized form from one nominee to another nominee, the Company has filed prescribed e-form for the change of nominee under section 89 with the Registrar.

iii. The Internal Auditor – Mr. Satish Jayaram, Chartered Accountant, of the Company has tendered his resignation w.e.f. July 22, 2025. Further, in line with the provisions of section 138 of the Companies Act, 2013, the Company has appointed Mr. Tushar Dahale, Chartered Accountant as Internal Auditor w.e.f. July 22, 2025.

iv. The Company shifted its registered office address from 6th Floor, Office No. 601 Cello Platina, F.C. Road Shivajinagar, Pune – 411005, Maharashtra, India, to 7th Floor, Fountainhead Tower 1, Viman Nagar, Pune – 411014, Maharashtra, India within the local limits of the city w.e.f. January 22, 2026.

v. The Board Committees, namely Audit Committee and Nomination and Remuneration Committee have met four (4) times and two (2) times respectively.

First Energy 4 Private Limited

Annexure-A

To the Secretarial Audit Report

For the financial year ended 31st March, 2026

To,
The Members,
FIRST ENERGY 4 PRIVATE LIMITED
Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune - 411014, Maharashtra, India.

Our Secretarial Audit report for the financial year ending March 31, 2026, of even date is to be read along with this letter.

A. Management's Responsibility

It is the responsibility of the management of the company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

B. Auditor's Responsibility

1. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to Secretarial Compliances.

2. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

3. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

4. We have followed the audit practice and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

C. Disclaimer

1. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

2. The Secretarial Audit report is neither an assurance as to the future liability of the Company nor of the efficiency of effectiveness with which the management has conducted the affairs of the Company.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 4 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 4 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

First Energy 4 Private Limited

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 34(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

            (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 34(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

            (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 4 Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 4 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 4 Private Limited

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 4 Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties as disclosed in Note 3(a) (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in six mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues of goods and services tax which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans during the year ended March 31, 2026, and there was no unutilized balance of term loan obtained in earlier years as on April 1, 2025. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Further, no such report has been filed by any other auditor appointed by the Company under the Act. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received

during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 4 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on December 7, 2022 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business as a producer of solar power.

The address of the Company's registered office is 7th Floor, fountainhead Tower 1, Viman Nagar, Pune - 411014. The Board of Directors have authorized to issue these financial statements on April 23, 2026. The CIN of the Company is U40100PN2022PTC216736.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in power purchase agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct good or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Variable consideration:

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment and capital work in progress are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Computers	3	3
Roads	3	3
Office equipment	5	5

Also refer 2.3.c for other accounting policies relating to Property, plant and equipment.

c. Borrowing costs

Where the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs eligible for capitalization are determined as the actual borrowing costs incurred on such specific borrowings during the period, less any investment income earned on the temporary investment of those borrowed funds pending their utilization on the qualifying asset; accordingly, the net borrowing costs, after deduction of such temporary investment income, are capitalized as part of the cost of the qualifying asset in accordance with IAS 23 – Borrowing Costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

d. Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

e. Exceptional items refer to items of income or expense, including tax items, within the statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company.

f. Insurance income, is recognized in the profit and loss statement when it is probable that the economic benefits associated with the transaction will flow to the entity and the amount of income can be measured reliably.

In the case of insurance income, the company recognizes the insurance claim receivable as income when the claim is admitted by the insurer or when there is virtual certainty of the claim being accepted based on communication with the insurer.

Insurance proceeds related to loss or damage of assets are recognized in the statement of profit and loss except to the extent that they represent reimbursement of the carrying amount of an asset which has been written down or written off, in which case, such proceeds are adjusted against the carrying amount of the relevant asset.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

iv. Equity investments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the Statement of Profit and Loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current

tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

iii. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

2.5 Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

The Company has taken land on lease which has been accounted in accordance with Ind AS 116-Leases under right of use assets.

Refer note 25 for further disclosure on leases.

*Includes initial direct costs incurred by the Company amounting to Rs. 1.16 lakhs.

4. Deferred tax assets

Particulars	As at March 31, 2026	As at March 31, 2025
Deferred Tax Assets		
Losses available for offsetting future taxable income	3,151.75	2,590.12
Others	3.74	-
Total	**3,155.49**	**2,590.12**
Deferred Tax Liabilities		
Depreciation of property, plant and equipment	3,128.68	2,573.55
Ind AS impact on borrowings	15.58	16.57
Others	11.23	-
Total	**3,155.49**	**2,590.12**
Net Deferred Tax Assets	**-**	**-**

The Company has tax losses of Rs. 1,252.91 lakhs (March 31, 2025 - Rs 1,938.30 lakhs) that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profit elsewhere in the company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the company was able to recognise all unrecognised deferred tax assets, the retained earnings for the year would have increased by Rs. 215.00 lakhs (March 31, 2025 - Rs. 332.61 lakhs).

Particulars	Expiry date	As at March 31, 2026		As at March 31, 2025	
		Amount	Tax Impact	Amount	Tax Impact

Non current liabilities	19,420.08	19,877.45
Total	**21,544.70**	**21,767.35**

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade receivables	140.84	255.23
Cash and cash equivalents	167.98	85.41
Other financial assets	994.97	760.30
Total	**1,303.79**	**1,100.94**
Current assets	1,303.79	1,100.94
Non-current assets	-	-
Total	**1,303.79**	**1,100.94**

The carrying value of trade receivables, cash and cash equivalents, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable or in case of fixed rate borrowings, movements in interest rates from the recognition of such financial instrument till period end not being material.

Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2026	As at March 31, 2025
Financial assets		
Investments		
Mutual funds	1,412.73	-
Total financial assets (current)	**1,412.73**	**-**

Fair value hierarchy

The following table provide the fair value measurement hierarchy of the Company's assets.

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2026	1,412.73	-	-

Level I: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level II: The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level III: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of NAV based on report issued by mutual fund house.

28. Financial risk

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The Management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk.

The Management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026 and March 31, 2025

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows :

Particulars	As at March 31, 2026	As at March 31, 2025
Variable rate borrowings	19,880.49	20,246.57

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at March 31, 2026	As at March 31, 2025
Interest rates - Increase by 25 basis points (March 31, 2025 - 25)	(48.84)	(50.99)
Interest rates - Decrease by 25 basis points (March 31, 2025 - 25)	34.92	50.99

b) Foreign currency risk

'Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are quoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and security deposits) and from its investing activities, including deposits with banks.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data and forward looking information. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss in the current and previous year.

Balances with Banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

The Company's other financial assets comprise security deposits held with state electricity authorities, which carry low credit risk. Accordingly, no loss allowance has been recognised.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash, marketable securities the availability of funding through an adequate amount of committed credit facilities to meet obligations. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	1,751.54	1,488.72	1,805.17	16,217.01	21,262.44
Trade payables	313.03	-	-	-	313.03
Lease Liability	6.60	6.60	-	-	13.20
Other financial liabilities	60.04	-	-	-	60.04

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	1,394.70	1,127.71	1,703.73	17,142.56	21,368.70
Trade payables	375.69	-	-	-	375.69
Other financial liabilities	119.51	-	-	-	119.51

29 Analytical ratios

S.No.	Particulars	Numerator	Denominator	For the year ended March 31, 2026	For the year ended March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current assets	Current liabilities	1.32	0.49	170%	Refer note (iii)
2	Debt-Equity Ratio	Total debt	Shareholders' equity	3.96	4.40	-10%	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt service (Interest + Principal repayments)	1.58	0.92	72%	Refer note (i)
4	Return on Equity	Net profits after taxes	Average shareholder's equity	10.41%	-23.56%	144%	Refer note (i)
5	Return on investment	Investment income	Average investment	5.35%	5.85%	-9%	Not applicable
6	Trade Receivables turnover Ratio	Total sales	Average trade receivable	13.33	9.91	34%	Refer note (ii)
7	Trade payables turnover Ratio	Net credit purchases	Average trade payables	4.89	1.82	169%	Refer note (ii)
8	Net capital turnover Ratio	Total sales	Working capital	3.84	-1.95	297%	Refer note (iii)
9	Return on Capital employed	Earning before interest and taxes (EBIT)	Capital employed	9.25%	2.71%	241%	Refer note (i)
10	Net Profit Ratio	Net Profits/(loss) after taxes	Revenue	0.20	-0.50	140%	Refer note (i)

Working Capital = Current assets less Current liabilities

Capital employed = Tangible Net worth plus total debt

Average = (Opening + Closing)/2

Notes:

(i) Increase in debt service coverage ratio, return on equity, return on capital employed, net capital turnover ratio, net profit ratio resulted is attributable to exceptional income accounted during the year, resulting from insurance claim received during the year.

(ii) Increase in sales and related expenses during the year resulted in increase in trade payable turnover ratio and trade receivable turnover ratio

(iii) Increase in current investments resulted in cash profit and investment in mutual fund resulted in improved current asset ratio and net capital turnover ratio

30. Exceptional Items (Income)

	For the year ended March 31, 2026
Income from Insurance Claim	2,575.09
Total	**2,575.09**

The plant of the Company was hit by unprecedented torrential rain around mid-December 2023 and again in December 2024, resulting in submerging of the project site. The management has performed an assessment of losses incurred on account of these events.

Modules worth Rs. 10,925 lakhs were submerged under water; however, a substantial portion of these modules were subsequently operational with no signs of physical damage, except for a few modules. The management had filed an insurance claim for total loss, inclusive of modules cost, amounting to Rs. 11,700 lakhs, which was later revised to Rs. 7,400 lakhs. The insurance company has acknowledged the intimation of claim and has confirmed that the property and the event are covered under the policy. Further, the insurance company has remitted Rs. 1,000.00 lakhs as on-account payment.

In respect of the December 2023 event, an expense of Rs. 339.29 lakhs pertaining to damage was accounted for as repairs and maintenance cost in the books of account, and the corresponding insurance claim income of Rs. 323.33 lakhs was recognized in the financial year 2023-24, based on management's assessment of the insurance claim being virtually certain.

In respect of the December 2024 event, the management has performed an assessment of losses incurred. Based on the assessment, an amount of Rs. 154.73 lakhs has been recognized as impairment expenses for the damage in the books of account. The management has communicated the extent of damages to the insurer. Discussions with the insurance company for ascertainment of damage were ongoing as at March 31, 2025.

Update for the year:

During the year, the insurance claim has been finalised at INR 2,898.42 Lakhs, representing business interruption and asset-related claims. Out of which

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Claim amounting to INR 323.33 Lakhs has been recognised as Insurance income for the year ended March 31, 2024 and remaning amount of INR 2,575.09 Lakhs basis receipt has been recognised as an exceptional item in the current year.

31 Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

	As at March 31, 2026	As at March 31, 2025
Borrowings including accrued interest	21,171.62	21,272.15
Lease liabilities	12.00	-
Less: Cash and cash equivalents (includes other bank balances)	167.98	85.41
Less: Liquid assets	1,412.73	-
Net debt	**19,602.91**	**21,186.74**
Equity	**5,352.15**	**4,822.71**
Net Debt to Equity	**3.66**	**4.39**

Net debt to equity ratio has decreased on account of increase in liquid assets mainly due to cash inflow arising out of insurance claim.

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with the following financial covenants:

(a) Fixed Asset Coverage Ratio should not be less than 1.24:1

(b) Debt Service coverage ratio (DSCR) to be not less than 1.25

(c) Interest Coverage Ratio does not fall below 1.5:1

(d) Total outside liability/ Tangible Net Worth should not be more than 4:1

The financial covenant are tested based on the audited financial statements after the end of each financial year.

There is no debt covenant breach during the year."

Some of the debt covenants were not complied as at March 31, 2026, refer note 14 for details.

32. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment.

Major customers accounting for more than 10% of total revenue individually

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Customer A	2,009.81	1,873.86

34. Other statutory information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

35. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

36. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements of record retention.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the Company. The Paid-up Share Capital of the Company is Rs. 94,98,43,200/- divided into 9,49,84,320 Equity shares of Rs.10/- each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review, are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk:**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources:**

  This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.

- **Renewable Sources and Grid Availability:**

  The risk identified by the Company is lower generation on account of lower radiation, wind speed, Grid curtailments and failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

First Energy 5 Private Limited

- **Plant Uptime and Soiling Losses:**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced. The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

- **Regulatory changes:**

  Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety .

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors, and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalization: HSE digital software implemented for hazard reporting, at risk behavior reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sumit Rathi (DIN: 07727272) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the Fourth AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Vinayak Deshpande resigned as Chief Executive Officer and Key Managerial Personnel of the Company with effect from September 22, 2025.
- Mr. Anish Kumar was appointed as Chief Executive Officer and Key Managerial Personnel of the Company with effect from January 22, 2026.
- Mr. Sandeep Deshpande resigned as the director of the Company with effect from April 29, 2025.
- The appointment of Mr. Sanjay Parande (DIN: 07161299) and Mr. Ashok Joshi (DIN: 02296952), Additional Independent Directors of the Company was regularized in the Annual General Meeting held on July 22, 2025.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual evaluation of its performance and of its individual Directors.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have the necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met four times on April 29, 2025, July 22, 2025, October 31, 2025 and January 22, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 21, 2026 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit committee as on March 31, 2026 comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sumit Rathi as members of the committee. The Committee was reconstituted by the Board at its meeting held on April 29, 2025 and Mr. Sumit Rathi was inducted as a member of the Committee

The committee met four times during the year on April 29, 2025, July 22, 2025, October 31, 2025 and January 22, 2026. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee. The committee met once on January 22, 2026.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Audit Committee for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 2 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Wind and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company secretary. The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of Companies Act, 2013 as on March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of one-time settlement with any Bank or Financial Institution.

Vigil mechanism

The Company has adopted the Whistle Blower Policy of Thermax Limited, its Ultimate Holding Company, which enables directors and employees to report genuine concerns in an ethical and transparent manner.

Auditors

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Secretarial Auditors

In accordance with the provisions of Section 204 of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed Ladda Bhutada & Associates, Company Secretaries, Pune, to undertake the secretarial audit of the Company for FY 2025-26. The Secretarial Audit Report for FY 2025-26 is attached as Annexure 3 to this Report.

Internal Auditors

The Board has appointed Mr. Tushar Dahale, Chartered Accountant as the Internal auditor of the Company.

Changes in the Regulatory Provisions and its impact on the business

During the year, the below changes were made to the Regulatory Provisions:

- During the year, Ministry of Power notified an amendment to the Electricity Rules 2005 to clarify that the Minimum 26% equity and minimum 51% consumption is to be maintained by Company as well, in addition to Association of Persons (AoPs). Further, consumption by Holding Company or its subsidiaries in addition to the subsidiary of the Company,

shall qualify as captive consumption. The prevailing requirement of consumption proportional to the equity shareholding has been modified and the consumption is now required to be maximum equal to the equity shareholding. Any energy wheeled more than the equity share will be treated as non-captive and shall attract Cross Subsidy Surcharge and Additional Surcharge. As we have been following the 26-74% from the beginning and allocation of power is done by the Company, this change has no impact on the captive compliance.

- Further, Tamil Nadu Electricity Regulatory Commission (TNERC) announced Industrial grid tariffs for FY 2025-26, wherein energy charges increased from Rs. 7.25/unit to Rs. 7.50/unit. Banking approved in 15 minute time slots, which was further challenged in Madras high court. Also introduced Time of Day charges (25% surcharge during peak hours) and night rebate (5% on energy charges). Captive savings continue to remain attractive for consumers.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration :

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

Annexure 2

Form No. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arm's length transactions under third proviso thereto

1. **Details of contracts or arrangements or transactions not at arm's length basis:**

   The company has not entered into any contracts/arrangements with its related parties which are not in ordinary course of business or not at arm's length basis.

2. **Details of material contracts or arrangement or transactions at arm's length basis:**

   There are certain transactions entered into by the Company who are related within the meaning of Indian Accounting Standard (Ind AS) 24 and Sec 188 of the Act. Attention of members is drawn to the disclosure of transactions with such related parties as set out in Note No. 25 to the financial statements which forms an integral part of this report.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended March 31, 2026
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

FIRST ENERGY 5 PRIVATE LIMITED
Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune - 411014, Maharashtra, India.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. First Energy 5 Private Limited** bearing **CIN: U40200PN2022PTC216938** (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Report on Secretarial Records and Compliances made thereunder

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representation made by the Management we hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed on a test basis and other records maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956, (SCRA) and the rules made thereunder; Not applicable;

iii. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, and the Regulations and Bye-laws framed thereunder; Not applicable;

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; Not applicable;

v. The Company is not listed on any Stock Exchange in India hence the Acts, Regulations, Guidelines etc., related to SEBI were not applicable to the Company;

vi. As per the management representation, no other laws applicable except mentioned below specifically to the Company during the audit period:

   (a) The Indian Contract Act, 1872

   (b) The Income Tax, 1961

   (c) The Goods and Service Tax Act, 2017

   (d) The Electricity Act, 2003

   (e) The Indian Stamp Act, 1899 and The Maharashtra Stamp Act, 1958

   (f) The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 and The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Rules, 2018.

   (g) The Factories Act, 1948 and other allied State wise Factories Rules wherever the sites are located.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings and General Meetings: During the Year ended March 31, 2026, the Company has complied with the applicable clauses of Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible.

(ii) The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015; Not applicable

Based on the information received and records maintained, we further report that:

1. The Board of Directors of the Company has been duly constituted with proper balance of Non-Executive and Independent Directors, the changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

   1.1. Mr. Sandeep Prabhakar Deshpande (DIN: 09748806) who was appointed as Director has resigned from the post of Director w.e.f. close of business hours of April 29, 2025.

   1.2. Mr. Sanjay Dinkar Parande (DIN: 07161299) who appointed as Additional Independent Director w.e.f. July 26, 2024 has been regularized as Independent Director of the Company in third (3rd) Annual General Meeting w.e.f. July 22, 2025.

   1.3. Mr. Ashok Keshav Joshi (DIN: 02296952) who was appointed as Additional Independent Director w.e.f. July 26, 2024, has been regularized as Independent Director of the Company in third (3rd) Annual General Meeting w.e.f. July 22, 2025.

   1.4. Mr. Ravi Damaraju (DIN: 09554649) who was eligible to retire by rotation has been re- appointed as a director of the company.

   1.5. Mr. Vinayak Vyanktesh Deshpande (PAN: AFAPD0344M) Chief Executive Officer and Key Managerial Personnel (KMP) of the Company, has resigned from the post of CEO w.e.f. September 22, 2025.

   1.6. Mr. Anish Kumar (PAN: AMQPK4932M) appointed as the Chief Executive Officer and Key Managerial Personnel (KMP) of the Company on the recommendation of Nomination and Remuneration Committee w.e.f. January 22, 2026 by the board.

2. Adequate notice(s) have been given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance, compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

3. All the decisions in the board meetings were carried through by majority while there were no dissenting member's views and hence not captured and recorded as part of the minutes.

We further report that there are adequate systems and process in the Company commensurate with the size and operations of the Company to monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following events /actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines, if any, as may be referred to above:

i. In line with the provisions of section 204 of the Companies Act, 2013, the Company has appointed M/s. Ladda Bhutada & Associates, Company Secretaries Firm as Secretarial Auditor for FY 2025-26 in the board meeting held on April 29, 2025.

ii. The Board Committees, namely Audit Committee and Nomination and Remuneration Committee have met four (4) times and one (1) times respectively. Further during the financial year the audit committee was re-constituted in the board meeting dated April 29, 2025.

iii. Pursuant to transfer of shares at end of March 2025 in dematerialized form from one nominee to another nominee, the Company has filed prescribed e-form for the change of nominee under section 89 with the Registrar.

iv. The Internal Auditor – Mr. Satish Jayaram, Chartered Accountant, of the Company has tendered his resignation w.e.f. July 22, 2025. Further, in line with the provisions of section 138 of the Companies Act, 2013, the Company has appointed Mr. Tushar Dahale, Chartered Accountant as Internal Auditor w.e.f. July 22, 2025.

v. The Company shifted its registered office address from 6th Floor, Office No. 601 Cello Platina, F.C. Road Shivajinagar, Pune – 411005, Maharashtra, India, to 7th Floor, Fountainhead Tower 1, Viman Nagar, Pune – 411014, Maharashtra, India within the local limits of the city w.e.f. January 22, 2026.

Annexure - 'A'

To the Secretarial Audit Report

For the financial year ended 31st March, 2026

To,

The Members,

FIRST ENERGY 5 PRIVATE LIMITED
Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune - 411014, Maharashtra, India.

Our Secretarial Audit report for the financial year ending March 31, 2026, of even date is to be read along with this letter.

A. Management's Responsibility

It is the responsibility of the management of the company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

B. Auditor's Responsibility

1. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to Secretarial Compliances.

2. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

3. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

4. We have followed the audit practice and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

C. Disclaimer

1. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

2. The Secretarial Audit report is neither an assurance as to the future liability of the Company nor of the efficiency of effectiveness with which the management has conducted the affairs of the Company.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

First Energy 5 Private Limited

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 5 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 5 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 32(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 32(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

First Energy 5 Private Limited

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 5 Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 5 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 5 Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions on the basis of security of current assets and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in three mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income taxes, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including goods and services tax and other statutory dues, as applicable, with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans during the year ended March 31, 2026 and there was no unutilized balance of term loan obtained in earlier years as on April 1, 2025. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs. 3,686.77 Lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Further, no such report has been filed by any other auditor appointed by the Company under the Act. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026, of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year and had incurred cash losses of Rs. 112.84 Lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

First Energy 5 Private Limited

Notes to the Financial Statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 5 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on December 13, 2022 under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in business of producing wind power.

The address of the Company's registered office is 7th Floor, fountainhead Tower 1, Viman Nagar, Pune - 411014 India. The Board of Directors have authorized to issue these financial statements on April 23, 2025. The CIN of the Company is U40200PN2022PTC216938.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Borrowing costs

Where the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs eligible for capitalization are determined as the actual borrowing costs incurred on such specific borrowings during the period, less any investment income earned on the temporary investment of those borrowed funds pending their utilization on the qualifying asset; accordingly, the net borrowing costs, after deduction of such temporary investment income, are capitalized as part of the cost of the qualifying asset in accordance with IAS 23 – Borrowing Costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expenditure in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

b. Property, plant and equipment (PPE)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Roads	3	3

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

c. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Variable Consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

lifetime losses to be recognised from initial recognition of the receivables.

d. Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity instruments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated

as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

l. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.5. Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures including contingent liabilities as at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are also described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Judgments and assumptions

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

a. Borrowing costs

The determination of whether an asset qualifies as a qualifying asset for the purpose of capitalization of borrowing costs involves significant management judgement, including assessment of factors such as the period of time necessary to get the asset ready for its intended use or sale, the nature of activities required during the construction or development phase, and prevailing industry practices; in the Company's case, the construction of projects typically involves a period ranging from 6 months to 10 months, and management evaluates each project individually to determine eligibility for borrowing cost capitalization based on these criteria.

b. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

c. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

d. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

2.6 Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting

periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

3. Property, plant and equipment (including Capital work-in-progress)

Net Deferred Tax Assets	**-**	**-**

The Company has tax losses of Rs. 1,076.41 lakhs (March 31, 2025: Rs. 99.43 lakhs) that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profit elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company was able to recognise all unrecognised deferred tax assets, the retained earnings for the year would increase by Rs. 270.90 lakhs (March 31, 2025: Rs. 25.02 lakhs).

Non-current liabilities	28,346.99	29,402.97
Total	**35,347.06**	**33,035.67**

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade receivables	1,042.24	46.92
Cash and cash equivalents	244.94	936.98
Bank balances other than cash and cash equivalents	197.92	-
Other financial assets	322.16	277.67
Total	**1,807.26**	**1,261.57**
Current assets	1,807.26	1,261.57
Non-current assets	-	-
Total	**1,807.26**	**1,261.57**

The carrying value of trade receivables, cash and cash equivalents, bank balances, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable or in case of fixed rate borrowings, movements in interest rates from the recognition of such financial instrument till period end not being material.

Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2026	As at March 31, 2025
Financial assets		
Investments		
Mutual funds	251.99	-
Total financial assets (Current)	**251.99**	**-**

Fair value of market linked mutual funds was determined using Net Assets Value (NAV) report issued by mutual fund house.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets.

Quantitative disclosures fair value measurement hierarchy for assets.

As at March 31,2026

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2026	251.99	-	-

Level I: level 1 hierarchy includes financial instruments measured using quoted prices.

Level II: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instruments is included in level 2.

Level III: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

27 Financial risk management

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade receivables, security deposits and cash and cash equivalents.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the Company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows :

Particulars	As at March 31, 2026	As at March 31, 2025
Variable rate borrowings	29,672.79	29,900.26

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Interest rates - Increase by 25 basis points	(73.59)	-
Interest rates - Decrease by 25 basis points	39.94	-

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are quoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables, security deposits) and from its investing activities, including deposits with banks and other financial assets.

Expected credit loss for

Balances with banks:

Credit risk from balances with banks is managed by Parent Company's finance department in accordance with the Company's policy. Investment of surplus funds are made only approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial assets include security deposits which is consider to be low risk. No loss allowance is required to be recognised for the same.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data and forward looking information. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss in the current and previous year.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	6,644.70	2,190.00	2,341.00	24,030.00	35,205.70
Trade Payables	148.19	-	-	-	148.19
Other financial liabilities	207.18	-	-	-	207.18

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	2,099.45	2,261.00	2,170.50	25,099.00	31,629.95
Trade payables	7.39	-	-	-	7.39
Other financial liabilities	1,525.86	-	-	-	1,525.86

28. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2026	As at March 31,2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current liabilities	0.29	0.35	-16%	Not applicable
2	Debt-Equity Ratio	Total Debt	Shareholders' equity	4.25	3.41	24.71%	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	1.02	0.04	2383%	Refer note (ii)
4	Return on Equity	Net Profits after taxes	Average shareholder's equity	-11.57%	-1.18%	-1080%	Refer note (iv)
5	Return on investment	Earning before interest and taxes	Total assets	1.31%	-0.26%	404%	Due to increase in long term investments resulted in better yield
6	Net capital turnover ratio	Total sales	Working capital	-0.54	Not Applicable	Not Applicable	Not Applicable
7	Net profit ratio	Net profits after taxes	Revenue	-37.57%	Not Applicable	Not Applicable	Not Applicable
8	Trade receivable turnover Ratio	Total sales	Average trade receivable	2.52	Not Applicable	Not Applicable	Not Applicable
9	Trade payables turnover Ratio	Net Credit Purchases	Average trade payables	4.00	0.55	627%	Refer note (iii)
10	Return on Capital employed	Earning before interest and taxes	Capital employed	2.68%	-0.27%	894%	Refer note (ii)

Capital employed = Tangible Net worth + total debt
Working Capital = Current assets - Current liabilities
Average = (Opening + Closing)/2

Note:

(i) As there are no sales during the previous year, ratios are not calculated wherever sales amounts are to be considered for calculation.

(ii) Revenue during the year resulted in cash profit during the year. This has resulted in increase in return on capital employed and debt service coverage ratio.

(iii) Commecement of operations during the year resulted in increase in expenses. This has resulted in increase in trade payable turnover ratio.

(iv) Increase in finance cost and depreciation during the year in excess of increase in revenue resulted in increase in losses. It impacted return on equity.

29. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cashflow generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026	As at March 31, 2025
Borrowings including accrued interest	34,991.69	31,502.42
Less: Cash and cash equivalents (including other bank balances)	442.86	936.98
Net debt	**34,548.83**	**30,565.44**
Equity	**8,228.12**	**9,238.22**
Net Debt to Equity	**4.20**	**3.31**

Increase in Net debt to equity has on account of increase in debt for procurement and construction of property, plant and equipment.

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with debt covenants from first full year of operations.

Accordingly, debt covenant compliance is not applicable to the Company for this year.

30. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment.

Major customers accounting for more than 10% of total revenue individually

	For the year ended March 31, 2026	For the year ended March 31, 2025
Customer A	314.05	-
Customer B	1,387.13	-
Customer C	987.18	-

31. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2026	As at March 31, 2025
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year

- Interest due thereon	0.01	0.01
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of principal made to the supplier beyond the appointed day during the year	45.71	9.24
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.46	0.23
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.46	0.24
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	1.29	0.83

32. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current period.

(iv) There is no income surrendered or disclosed as income during the current period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact in current year and preivious year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

33. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

34. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements of record retention.

Profit/(Loss) after tax	561.87	(693.80)

State of Company's Affairs

The Solar capacity of 33.15 MWp / 22.75 MW in the State of Tamilnadu has been operational since March 2024.

Due to the heavy rainfall and subsequent flooding in the state of Tamil Nadu in December 2024, the operation of the plant was disrupted and the plant was subsequently restored. Further, to avoid floods incase of heavy rainfall numerous efforts in terms of elevating module mounting structure, string combiner boxes and cleaning of government owned nala, widening of the nala, provision of the bund etc. have been taken during the financial year to safeguard the plant operations and to ensure plant availability incase of flood situations.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the Company. The Paid-up Share Capital of the Company is Rs. 44,62,94,500/- divided into 4,46,29,450 Equity shares of Rs.10/- each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review, are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk :**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources :**

  This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.

- **Renewable Sources and Grid Availability :**

  The risk identified by the Company is lower generation on account of lower radiation, wind speed, Grid curtailments and failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses :**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced. The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

- **Regulatory changes:**

  Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

  The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety .

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors, and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalization: HSE digital software implemented for hazard reporting, at risk behavior reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sumit Rathi (DIN: 07727272) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the Third AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Vijay Musalgaonkar resigned as Chief Executive Officer and Key Managerial Personnel of the Company with effect from October 17, 2025.
- Mr. E Nandakumar was appointed as Chief Executive Officer and Key Managerial Personnel of the Company with effect from January 23, 2026
- The appointment of Mr. Sanjay Parande (DIN: 07161299) and Mr. Ashok Joshi (DIN: 02296952), Additional Independent Directors of the Company was regularized in the Annual General Meeting held on July 22, 2025.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual evaluation of its performance and of its individual Directors.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have the necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met four times on April 29, 2025, July 22, 2025, November 03, 2025 and January 23, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 21, 2026 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors

viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sandeep Mandke as members of the committee. The committee met four times during the year on April 29, 2025, July 22, 2025, November 03, 2025 and January 23, 2026. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee. The committee met once on January 23, 2026.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026, and of the profit of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Audit Committee for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 2 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company secretary. The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of a one-time settlement with any Bank or Financial Institution.

Vigil mechanism

The Company has adopted the Whistle Blower Policy of Thermax Limited, its Ultimate Holding Company, which enables directors and employees to report genuine concerns in an ethical and transparent manner.

Auditors

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Secretarial Auditors

In accordance with the provisions of Section 204 of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed Ladda Bhutada & Associates, Company Secretaries, Pune, to undertake the secretarial audit of the Company for FY 2025-26. The Secretarial Audit Report for FY 2025-26 is attached as Annexure 3 to this Report.

Internal Auditors

The Board has appointed Mr. Tushar Dahale, Chartered Accountant, as the Internal auditor of the Company.

Changes in the Regulatory Provisions and its impact on the business

- During the year, Ministry of Power notified an amendment to the Electricity Rules 2005 to clarify that the Minimum 26% equity and minimum 51% consumption is to be maintained by Company as well, in addition to Association of Persons (AoPs). Further, consumption by Holding Company or its subsidiaries in addition to the subsidiary of the Company, shall qualify as captive consumption. The prevailing requirement of consumption proportional to the equity shareholding has been modified and the consumption is now required to be maximum equal to the equity shareholding. Any energy wheeled more than the equity share will be treated as non-captive and shall attract Cross Subsidy Surcharge and Additional Surcharge. As we have been following the 26-74% from the beginning and allocation of power is done by the Company, this change has no impact on the captive compliance.
- Further, Tamil Nadu Electricity Regulatory Commission (TNERC) announced Industrial grid tariffs for FY 2025-26, wherein energy charges increased from Rs. 7.25/unit to Rs. 7.50/unit. Banking approved in 15 minute time slots, which was further challenged in Madras high court. Also introduced Time of Day charges (25% surcharge during peak hours) and night rebate (5% on energy charges). Captive savings continue to remain attractive for consumers.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration :

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

Annexure 2

Form No. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arm's length transactions under third proviso thereto

1. Details of contracts or arrangements or transactions not at arm's length basis:

The company has not entered into any contracts/arrangements with its related parties which are not in ordinary course of business or not at arm's length basis.

2. Details of material contracts or arrangement or transactions at arm's length basis:

There are certain transactions entered into by the Company who are related within the meaning of Indian Accounting Standard (Ind AS) 24 and Sec 188 of the Act. Attention of members is drawn to the disclosure of transactions with such related parties as set out in Note No. 26 to the financial statements which forms an integral part of this report.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended March 31, 2026
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

FIRST ENERGY 6 PRIVATE LIMITED
Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune, Maharashtra, India, 411014.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. First Energy 6 Private Limited** bearing **CIN: U35105PN2023PTC218888** (hereinafter called **'the Company'**). The Secretarial Audit was conducted in a manner that provided a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Report on Secretarial Records and Compliances made thereunder

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representation made by the Management we hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed on a test basis and other records maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956, (SCRA) and the rules made thereunder; Not applicable;

iii. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, and the Regulations and Bye-laws framed thereunder; Not applicable;

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; Not applicable;

v. The Company is not listed on any Stock Exchange in India hence the Acts, Regulations, Guidelines etc., related to SEBI were not applicable to the Company:

vi. As per the management representation, no other laws were applicable except mentioned below specifically to the Company during the audit period:

(a) The Indian Contract Act, 1872

(b) The Income Tax, 1961

(c) The Goods and Service Tax Act, 2017

(d) The Electricity Act, 2003

(e) The Indian Stamp Act, 1899 and The Maharashtra Stamp Act, 1958

(f) The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 and The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Rules, 2018.

(g) The Factories Act, 1948 and other allied State wise Factories Rules wherever the sites are located.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings, Committee Meetings and General Meetings: During the Year ended 31st March, 2026, the Company has complied with the applicable clauses of Secretarial Standard (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible.

(ii) The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015; Not applicable

Based on the information received and records maintained, we further report that:

1. The Board of Directors of the Company has been duly constituted with proper balance of Non-Executive and Independent Directors, the changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

1.1. Mr. Sandeep Suresh Mandke (DIN: 09619581) who was eligible to retire by rotation has been re-appointed as a director of the company in the Annual General Meeting held on July 22, 2025.

1.2. Mr. Sanjay Dinkar Parande (DIN: 07161299) was appointed as Additional Independent Director of the Company w.e.f. July 26, 2024 and further regularized as Non-executive Independent Director of the company in the Annual General Meeting held on July 22, 2025.

1.3. Mr. Ashok Keshav Joshi (DIN: 02296952) was appointed as Additional Independent Director of the Company w.e.f. July 26, 2024 and further regularized as Non-executive Independent Director of the company in the Annual General Meeting held on July 22, 2025.

1.4. Mr. Vijay Musalgaonkar (PAN: ALQPM7235C) resigned as the Chief Executive Officer (CEO) and Key Managerial Personnel (KMP) of the Company of the company w.e.f. October 17, 2025.

1.5. Mr. Edukondal Nandakumar (PAN: AADPE2276M) has been appointed as the Chief Executive Officer (CEO) and Key Managerial Personnel (KMP) of the Company on the recommendation of Nomination and Remuneration Committee w.e.f. January 23, 2026.

2. Adequate notice(s) have been given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance and compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. None of the meetings of the Board of directors or Committee Meetings were held at shorter notice.

3. All the decisions in the board meetings were carried through by majority while there were no dissenting member's views and hence not captured and recorded as part of the minutes.

We further report that there are adequate systems and process in the Company commensurate with the size and operations of the Company to monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following events /actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines, if any, as may be referred to above:

i. There were no major events/action having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines.

ii. According to Sub-section 4 of Section 203 of the Companies Act, 2013 and relevant rules, if the office of any whole-time key managerial personnel is vacated, the resulting vacancy shall be filled-up by the Board at a meeting of the Board within a period of six months from the date of such vacancy. Mr. Vijay Musalgaonkar, CEO of the Company of the company was resigned w.e.f. October 17, 2025, and the vacancy was duly filled by the appointment of Mr. Edukondal Nandakumar as CEO and KMP of the company w.e.f. January 23, 2026.

iii. The Internal Auditor – Mr. Satish Jayaram, Chartered Accountant, of the Company has tendered his resignation w.e.f. July 22, 2025. Further, in line with the provisions of section 138 of the Companies Act, 2013, the Company has appointed Mr. Tushar Dahale, Chartered Accountant as Internal Auditor w.e.f. July 22, 2025. .

iv. In line with the provisions of section 204 of the Companies Act, 2013, the Company has appointed M/s. Ladda Bhutada & Associates, Company Secretaries Firm as Secretarial Auditor for FY 2025-26 in the board meeting held on November 03, 2025.

v. The Board Committees, namely Audit Committee and Nomination and Remuneration Committee have been constituted and have met four (4) times and one (1) time respectively.

'Annexure-A'

To the Secretarial Audit Report

For the financial year ended 31st March, 2026

To,

The Members,

FIRST ENERGY 6 PRIVATE LIMITED
Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune, Maharashtra, India, 411014.

Our Secretarial Audit report for the financial year ending 31st March, 2026, of even date is to be read along with this letter.

A. Management's Responsibility

It is the responsibility of the management of the company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

B. Auditor's Responsibility

1. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to Secretarial Compliances.

2. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

3. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

4. We have followed the audit practice and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

C. Disclaimer

1. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

2. The Secretarial Audit report is neither an assurance as to the future liability of the Company nor of the efficiency of effectiveness with which the management has conducted the affairs of the Company.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 6 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 6 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

First Energy 6 Private Limited

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 34(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 34(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 6 Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 6 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 6 Private Limited

Annexure B to Independent Auditor's Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 6 Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3 to the financial statements, are held in the name of the Company

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in four mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the term loans have been applied for the purposes for which they were obtained.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs. 86.54 Lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Further, no such report has been filed by any other auditor appointed by the Company under the Act. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under

clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year and had incurred cash losses of Rs. 292.35 Lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 6 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 23, 2023 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar power.

The address of the Company's registered office is 7th Floor, fountainhead Tower 1, Viman Nagar, Pune - 411014 India. The Board of Directors have authorized these financial statements on April 24, 2026. The CIN of the Company is U35105PN2023PTC218888.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied to the customers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct good or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment and capital work in progress are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and machinery	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Roads	3	3
Computers	3	3
Office equipment	5	5

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

d. Exceptional item: Exceptional items refer to items of income or expense, including tax items, within the statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company.

e. Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

f. Insurance Income: Insurance income is recognized in the profit and loss statement when it is probable that the economic benefits associated with the transaction will flow to the entity and the amount of income can be measured reliably.

In the case of insurance income, the company recognizes the insurance claim receivable as income when the claim is admitted by the insurer or when there is virtual certainty of the claim being accepted based on communication with the insurer. Insurance proceeds related to loss or damage of assets are recognized in the statement of profit and loss except to the extent that they represent reimbursement of the carrying amount of an asset which has been written down or written off, in which case, such proceeds are adjusted against the carrying amount of the relevant asset.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity investments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

f. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent

of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

l. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

2.5. Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

3. Property, plant and equipment (including Capital work-in-progress)

4. Deferred tax assets (net)

Particulars	As at March 31, 2026	As at March 31, 2025
Deferred tax assets		
Losses available for offsetting against future taxable income	1,452.25	392.82
Total	**1,452.25**	**392.82**
Deferred tax liabilities		
Depreciation on property, plant and equipment	1,433.37	371.85
IND AS impact on borrowings	18.88	20.97
Total	**1,452.25**	**392.82**
Deferred tax assets (net)	**-**	**-**

The Company had tax losses including unabsorbed depreciation of Rs. 174.53 lakhs(March 31, 2025: Rs.748.67 lakhs) that are available for offsetting for future taxable profits. Deferred tax asset is not been recognised in respect of these losses as they may not be used to offset taxable profits elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company was able to recognise all unrecognised deferred tax assets, the retained earnings for the year will increase by Rs 29.95 lakhs (March 31, 2025 - Rs.170.45 lakhs).

27. Fair value measurements

Break up of financial liabilities carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade payables	133.18	56.73
Borrowings	14,712.30	13,996.44
Other liabilities	63.54	260.19
Total	**14,909.02**	**14,313.36**
Current liabilities	2,620.13	1,849.45
Non-current liabilities	12,288.89	12,463.91
Total	**14,909.02**	**14,313.36**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade receivables	88.60	162.74
Cash and cash equivalents	136.80	32.99
Bank balances other than cash and cash equivalents	370.58	355.48
Other financial assets	159.48	157.50
Total	**755.46**	**708.71**
Current assets	755.46	708.71
Non-current assets	-	-
Total	**755.46**	**708.71**

The carrying value of trade receivables, cash and cash equivalents, bank balances, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable or in case of fixed rate borrowings, movements in interest rates from the recognition of such financial instrument till period end not being material.

Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2026	As at March 31, 2025
Financial assets		
Investments		
Mutual funds	1,361.20	-
Total financial assets (Current)	**1,361.20**	**-**

Fair value of market linked mutual funds is determined using Net Asset Value (NAV) report issued by mutual fund house.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the company's assets.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2026

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2026	1,361.20	-	-

Investments

Level I: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level II: The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level III: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

28. Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The Management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026 and March 31,2025.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings.

	March 31, 2026	March 31, 2025
Variable rate borrowings	12,581.72	12,699.22

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

	March 31, 2026	March 31, 2025
Interest rates - Increase by 25 basis points (March 31, 2025 - 25 basis points)	(30.36)	(13.01)
Interest rates - Decrease by 25 basis points (March 31, 2025 - 25 basis points)	33.59	13.01

'Impact due to sensitivity of interest rate is not calculated for comparative period, because the Company's loss before tax was not affected through the impact on floating rate borrowings,

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

as borrowing was towards acquiring a qualifying asset and the related interest was capitalised according to IND AS 23.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the year and comparative period and hence not exposed to any foreign currency risk.

c Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are quoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and security deposits) and from its investing activities, including deposits with banks.

Expected credit loss for

Balances with banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

The Company's other financial assets comprise security deposits held with state electricity authorities, which carry low credit risk. Accordingly, no loss allowance has been recognised.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data and forward looking information. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss in the current and previous year.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash, marketable securities the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	> 5 years
Non- derivative					
Borrowings	2,423.41	946.49	1,155.65	10,297.21	14,822.76
Lease liability	3.65	2.99	-	-	6.64
Trade payables	133.18	-	-	-	133.18
Other financial liabilities	63.54	-	-	-	63.54

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	> 5 years
Non- derivative					
Borrowings	1,532.53	716.40	1,087.67	10,781.99	14,118.59
Trade payables	56.73	-	-	-	56.73
Other financial liabilities	222.26	-	-	-	222.26

First Energy 6 Private Limited

29 Analytical ratios

S. No.	Particulars	Numerator	Denominator	For the year ended March 31, 2026	For the year ended March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current assets	Current liabilities	0.86	0.46	86%	Refer note (i)
2	Debt-Equity Ratio	Total debt	Shareholders' equity	3.50	3.84	-9%	Not Applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest + Principal Repayments)	1.69	0.47	259%	Refer note (i)
4	Return on Equity	Net profits after taxes	Average Shareholder's equity	0.14	-0.17	186%	Refer note (i)
5	Trade payables turnover Ratio	Net Credit Purchases	Average trade payables	6.27	2.85	120%	Refer note (ii)
6	Trade Receivables turnover Ratio	Total Sales	Average Trade Receivable	12.44	5.13	142%	Refer note (ii)
7	Return on investment	Investment income	Average investments	3.03%	2.01%	51%	Refer note (iii)
8	Return on Capital employed	Earning before interest and taxes	Capital employed	9.72%	-0.01	1072%	Refer note (i)
9	Net capital turnover Ratio	Total Sales	Working Capital	(4.12)	-0.47	777%	Refer note (i)
10	Net Profit Ratio	Net Profits after taxes	Revenue	0.36	-1.49	124%	Refer note (i)

Working Capital = Current assets less Current liabilities
Capital employed = Tangible Net worth plus total debt
Average = (Opening + Closing)/2
Note:
(i) Increase in current ratio, debt service coverage ratio, return on equity, return on capital employed, net capital turnover ratio, net profit ratio resulted is attributable to exceptional income accounted during the year, resulting from insurance claim received during the year.
(ii) Increase in sales during the year resulted in favourable ratio of net capital turnover ratio, trade receivable turnover ratio.
(iii) Investment in mutual funds resulted in higher yield during the year.

30. Exceptional Items (Income)

	For the year ended March 31, 2026
Insurance Income received*	1,548.97
Total	**1,548.97**

Note: The project site was affected by severe rainfall in December 2023 and December 2024, leading to flooding and submergence. Insurance claims towards asset damage and business interruption amounting to Rs. 1548.97 lakhs were received during the year and recognised as exceptional income.

31. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

	March 31, 2026	March 31, 2025
Borrowings including accrued interest	14,712.30	14,034.37
Lease liability	6.64	-
Less: Cash and cash equivalents (includes other bank balances)	507.38	388.47
Less: Liquid assets	1,361.20	-
Net debt	**12,850.36**	**13,645.90**
Equity	**4,208.88**	**3,647.01**
Net Debt to Equity	**3.05**	**3.74**

Net debt to equity ratio has decreased on account of increase in liquid assets mainly due to cash inflow arising out of insurance claim.

Loan Covenants

The Borrower shall, during the entire tenor of the Facility, ensure that:

(a) the FACR shall be above 1.2x

(b) its Debt to Equity Ratio should not be greater than 4.5:1 and

(c) its Debt Service Coverage Ratio does not fall below 1.10:1

(d) Interest coverage ratio does not fall below 1.5:1

Notes to the Financial Statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Financial Covenant are tested based on the audited financial statements annually within a period of 6 (six) months from the end of the relevant Financial Year.

There is no debt covenant breach as on March 31, 2026.

32. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment.

Major customers accounting for more than 10% of total revenue individually

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Customer A	691.91	605.84
Customer B	455.98	387.03
Customer C	255.72	210.92
Total	**1,403.61**	**1,203.79**

33. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2026	As at March 31, 2025
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
- Principal amount outstanding (whether due or not) to micro and small enterprises	14.62	3.72
- Interest due thereon	0.02	-
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of payment made to the supplier beyond the appointed day during the year	171.14	14.73
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.41	0.14
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.44	0.14
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.62	0.18

34. Other statutory information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year or previous period.

(iv) There is no income surrendered or disclosed as income during the current period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current year or previous period.

viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

35. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

36. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements of record retention.

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Solar business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources:** This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.
- **Renewable Sources and Grid Availability :** The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses :** This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.
- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety. The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication : HSE Moment/Lessons Learnt : Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability, Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation : HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors and Key Managerial Personnels

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sumit Rathi (DIN: 07727272) retires by rotation and being eligible offers, himself for re-appointment. The proposal of re-appointment forms part of the Notice of the Third AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Umesh Mhaske has resigned as the Chief Executive Officer (CEO) & Key Managerial Personnel (KMP) of the Company w.e.f. June 12, 2025.
- Mr. Ganesh Othiyathur Seshaiya Gopalakrishnan was appointed as the CEO & KMP of the Company w.e.f. November 3, 2025.
- The appointment of Mr. Sanjay Parande (DIN: 07161299) and Mr. Ashok Joshi (DIN: 02296952), Additional Independent Directors of the Company was regularized in the Annual General Meeting held on July 22, 2025.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met four times on April 28, 2025, July 23, 2025, November 3, 2025 and January 23, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 21, 2026 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sandeep Mandke as members of the committee. The committee met four times during the year on on April 28, 2025, July 23, 2025, November 3, 2025 and January 23, 2026. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee. The committee met once on November 3, 2025.

Director's Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

First Energy 7 Private Limited

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Audit Committee for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 2 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the Company will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company secretary. The information is also available for inspection at the registered office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Changes in the Regulatory Provisions and its impact on the business

During the year, the below changes were made to the Regulatory Provisions:

- During the year, Ministry of Power notified an amendment to the Electricity Rules 2005 to clarify that the mininmum 26% equity and mininmum 51% consumption is to be maintained by Company as well, in addition to Association of Persons (AoPs). Further, consumption by Holding Company or its subsidiaries in addition to the subsidiary of the Company, shall qualify as captive consumption. The prevailing requirement of consumption proportional to the equity shareholding has been modified and the consumption is now required to be maximum equal to the equity shareholding. Any energy wheeled more than the equity share will be treated as non-captive and shall attract Cross Subsidy Surcharge and Additional Surcharge. Further, if any single consumer has more than 26% equity, excess consumption shall be allowed as well. As we have been following the 26-74% from the beginning and as the Company is a dedicated captive with single consumer, this change has no impact on the captive compliance of the Company/ Consumer due the change in said Rules.

- Maharashtra announced solar and non solar hours tariffs, with restricted banking provision to solar hours only in Q1 FY 26. The matter was immediately stayed in favour of the consumers. Maharashtra Electricity regulatory Commission (MERC) on directives of the Supreme Court had to re-open the regulatory stakeholder public hearing process on proposed changes, and meanwhile, banking provisions were maintained until further development. However, MERC has recently issued the revised Multi year tariff order (MYT Order) on 25th March 2026, enforcing the banking provisions. The matter has again been taken up at Appellate tribunal for electricity (APTEL) and currently hearings are being held since 20th April 2026 in this matter. Impact will be known once we have a final position on banking provisions and mitigations will be planned in accordance with the Captive Power agreement (CPA) Terms or mutual agreements with the consumers.

Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five years from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work and support.

Annexure 1

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration:

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

First Energy 7 Private Limited

Annexure 2

Form No. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arm's length transactions under third proviso thereto

1. **Details of contracts or arrangements or transactions not at arm's length basis:**

   The company has not entered into any contracts/arrangements with its related parties which are not in ordinary course of business or not at arm's length basis.

2. **Details of material contracts or arrangement or transactions at arm's length basis:**

   There are certain transactions entered into by the Company who are related within the meaning of Indian Accounting Standard (Ind AS) 24 and Sec 188 of the Act. The disclosure of transactions with such related parties are set out in Note No. 27 to the financial statements which forms an integral part of this report.

Pune, April 24, 2026

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 7 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 7 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

First Energy 7 Private Limited

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 34(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 34(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditors' Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 7 Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 7 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 7 Private Limited

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 7 Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in one mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the term loans have been applied for the purposes for which they were obtained.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 7 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on February 01, 2024 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar power.

The address of the Company's registered office is 7th Floor, fountainhead Tower 1, Viman Nagar, Pune - 411014 India. The Board of Directors have authorized these financial statements on April 24, 2026. The CIN of the Company is U35105PN2023PTC218968.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct good or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Roads	3	3

Also refer 2.3.c for other accounting policies relating to Property, plant and equipment.

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

d. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity Instruments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Borrowings are classified as current liabilities unless, at the end of the reporting period, the group has a right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

f. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or

directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

l. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

Notes to the financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

iii. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

2.5 Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

28. Fair value measurements

Break up of financial liabilities carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Borrowings	4,091.07	4,158.06
Trade payables	35.84	7.89
Other financial liabilities	12.46	70.47
Total	**4,139.37**	**4,236.42**
Current liabilities	240.00	233.21
Non current liabilities	3,899.37	4,003.21
Total	**4,139.37**	**4,236.42**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade receivables	161.38	87.12
Cash and cash equivalents	143.68	64.54
Other bank balances	134.56	-
Other financial assets	27.62	27.62
Total	**467.24**	**179.28**
Current assets	439.62	151.66
Non-current assets	27.62	27.62
Total	**467.24**	**179.28**

The carrying value of trade receivables, cash and cash equivalents, bank balances, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

Security deposits held by the Company are interest bearing instrument. Hence, carrying value of such deposits are considered to be the same as their fair values.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable.

I. Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2026	As at March 31, 2025
Financial assets		
Investments		
Mutual funds	-	151.56
Total financial assets (Current)	**-**	**151.56**

Fair value of market linked mutual funds is determined using Net Asset Value (NAV) report issued by mutual fund house.

II. Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2025

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2025	151.56	-	-

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

29 Financial risk management

The Company's principal financial liabilities, comprise borrowings, lease liabilities, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents, trade receivables are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises : interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows :

Particulars	As at March 31, 2026	As at March 31, 2025
Variable rate borrowings	4,091.07	4,127.91

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	For the year ended March 31, 2026	For the year endedMarch 31, 2025
Interest rates - Increase by 25 basis points (March 31, 2025 by 25 basis points)	(9.38)	(34.39)
Interest rates - Decrease by 25 basis points (March 31, 2025 by 25 basis points)	13.83	34.39

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are quoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and other financial instruments.

Expected credit loss for

Balances with banks

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets are immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits which is considered to be low risk. No loss allowance is required to be recognised for the same.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data and forward looking information. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss in the current and previous year.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

Notes to the financial statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

As at March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	191.70	350.09	388.06	3,188.86	4,118.71
Trade payables	35.84	-	-	-	35.84
Lease liabilities	18.95	37.90	38.85	522.20	617.90
Other financial liabilities	12.46	-	-	-	12.46

As at March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	156.17	263.46	363.57	3,427.12	4,210.32
Trade Payables	7.89	-	-	-	7.89
Lease liabilities	36.10	37.90	38.85	522.20	635.05
Other financial liabilities	69.15	-	-	-	69.15

30. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2026	As at March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current assets	Current liabilities	1.74	1.14	53%	Refer note (ii)
2	Debt-Equity Ratio	Total debt	Shareholders' equity	2.18	2.19	-0.45%	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	0.14	0.21	-31%	Refer note (i)
4	Return on Equity	Net Profits after taxes	Shareholder's equity	-1.10%	2.09%	-152.43%	Refer note (i)
5	Return on investment	Investment Income	Average investment	4.99%	2.06%	142%	Increase in investment in mutual funds resulted in more yield during the year
6	Return on Capital Employed	Earning before interest and taxes	Capital employed	7.04%	5.67%	24%	Not Applicable
7	Net Profit Ratio	Net Profits after taxes	Revenue	-2.49%	6.22%	-140%	Refer note (i)
8	Trade Receivables turnover Ratio	Total sales	Average Trade receivable	6.65	7.32	-9%	Not Applicable
9	Trade payables turnover Ratio	Net Credit Purchases	Average trade payables	6.64	5.93	12%	Not Applicable
10	Net capital turnover Ratio	Total Sales	Working Capital	4.31	17.15	-75%	Refer note (ii)

Working Capital = Current assets less Current liabilities
Capital employed = Tangible Net worth plus total debt
*Average = ((opening + closing)/2)
Note:

(i) The decrease in the net profit ratio, return on capital employed, return on equity, and debt service coverage ratio is attributable to the overall increase in expenses following the capitalisation of the project in the previous year, along with the charge of unamortised initial borrowing costs arising from refinancing.

(ii) Cash profit during the year resulted in increase in deposits with bank and receivable balances impacting net capital turnover ratio and increase in current ratio.

31. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026	As at March 31, 2025
Borrowings including accrued interest	4,091.07	4,159.40
Lease liabilities	207.74	224.63
Less: Cash and cash equivalents	278.24	64.54
Net debt	**4,020.57**	**4,319.49**
Equity	**1,876.54**	**1,897.11**
Net Debt to Equity	**2.14**	**2.28**

There is no major change in debt to equity ratio during the year.

Loan Covenants

The borrower shall during the entire tenor of the Facility, ensure that Debt Service Coverage Ratio does not fall below 1.10:1

There is no breach of loan covenants during the year.

32. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment. 100% of the revenue of the Company is from single customer.

33. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2026	As at March 31, 2025
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year.		
- Principal amount (whether due or not) to micro and small enterprises	17.45	0.59
- Interest due thereon	0.03	-
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of payment made to the supplier beyond the appointed day during the year	45.48	66.69
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.48	0.23
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.51	0.23
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.76	0.25

34. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with the Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year and comparative period.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current year and comparative period.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

35. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

36. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior year has been preserved by the Company as per the statutory requirements of record retention.

DIRECTORS' REPORT

Dear Shareholder,

Your directors take pleasure in presenting the Third Annual Report, together with the audited financial statements of your Company for the year ended March 31, 2026.

FINANCIAL RESULTS

(Rs. in Lakh)

Particulars	2025-26	2024-25
Total income	0.05	-
Profit before finance cost, depreciation, and tax	(4,928.34)	(19.60)
Finance Cost	-	-
Profit (Loss) before depreciation and tax	(4,928.34)	(19.60)
Depreciation and impairment	-	-
Profit/(Loss) before tax	(4,928.34)	(19.60)
Profit/(Loss) after tax	(4,928.34)	(19.60)

State of Company's Affairs

The Company had launched a Renewable Energy project of 58.9 MW capacity with wind technology. The plant is under advance stage of construction.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affects the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

During the year there were changes in the capital structure. The paid up share capital of the Company is Rs. 77,57,05,880/- divided into 7,75,70,588 Equity Shares of Rs. 10/-. During the year under review, the Company has made further issue of shares on a rights basis. Details of the further issue of shares are as follows:

Date of Issue	Number of Shares	Nominal value per share (Rs.)	Amount paid up (Rs.)
02/05/2025	2,10,588	10	21,05,880

The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review, are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources :** This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.
- **Renewable Sources and Grid Availability :** The risk identified by the Company is lower generation on account of lower radiation, wind speed, Grid curtailments and failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses :** This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced. The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.
- **Regulatory changes :** Due to continuous change in regulatory

frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety .

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors, and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalization: HSE digital software implemented for hazard reporting, at risk behavior reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sumit Rathi (DIN: 07727272) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the Third AGM of the Company.

During the year, the following change took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Ashok Joshi (DIN: 02296952) and Mr. Sanjay Parande (DIN: 07161299) were appointed as Independent directors of the Company with effect of October 31, 2025.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual evaluation of its performance and of its individual Directors.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have the necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year the Board met four times on April 30, 2025, July 21, 2025, October 31, 2025 and January 23, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 21, 2026 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit Committee of the Board of Directors was constituted on October 31, 2025. The committee comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sumit Rathi as members of the committee. The committee met once during the year on January 23, 2026. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on October 31, 2025. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee. The committee met once on January 23, 2026.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026, and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Audit Committee for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 2 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Wind and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company secretary. The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of one-time settlement with any Bank or Financial Institution.

Vigil mechanism

The Company has adopted the Whistle Blower Policy of Thermax Limited, its Ultimate Holding Company, which enables directors and employees to report genuine concerns in an ethical and transparent manner.

Auditors

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Secretarial Auditors

In accordance with the provisions of Section 204 of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed Ladda Bhutada & Associates, Company Secretaries, Pune, to undertake the secretarial audit of the Company for FY 2025-26. The Secretarial Audit Report for FY 2025-26 is attached as Annexure 3 to this Report.

Internal Auditors

The Board has appointed Mr. Tushar Dahale, Chartered Accountant as the Internal Auditor of the Company.

Changes in the Regulatory Provisions and its impact on the business

During the year, the below changes were made to the Regulatory Provisions:

- The Ministry of Power notified an amendment to the Electricity Rules 2005 to clarify that the minimum 26% equity and minimum 51% consumption is to be maintained by SPVs as well, in addition to AoPs. Further, consumption by Holding Company or its subsidiaries in addition to the subsidiary of the SPV, shall qualify as captive consumption. The prevailing requirement of consumption proportional to the equity shareholding has been modified and the consumption is now required to be maximum equal to the equity shareholding. Any energy wheeled more than the equity share will be treated as non-captive and shall attract Cross Subsidy Surcharge and Additional Surcharge. As we have been following the 26-74% from the beginning and allocation of power is done by the SPV, this change has no impact on the captive compliance.

- Further, Tamil Nadu Electricity Regulatory Commission (TNERC) announced Industrial grid tariffs for FY 2025-26, wherein energy charges increased from Rs. 7.25/unit to Rs. 7.50/unit. Banking approved in 15 minute time slots, which was further challenged in Madras high court. Also introduced Time of Day charges (25% surcharge during peak hours) and night rebate (5% on energy charges). Captive savings continue to remain attractive for consumers.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration :

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

Annexure 2

Form No. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arm's length transactions under third proviso thereto

1. **Details of contracts or arrangements or transactions not at arm's length basis:**

   The company has not entered into any contracts/arrangements with its related parties which are not in ordinary course of business or not at arm's length basis.

2. **Details of material contracts or arrangement or transactions at arm's length basis:**

   There are certain transactions entered into by the Company who are related within the meaning of Indian Accounting Standard (Ind AS) 24 and Sec 188 of the Act. Attention of members is drawn to the disclosure of transactions with such related parties as set out in Note No. 23 to the financial statements which forms an integral part of this report.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended March 31, 2026
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

FIRST ENERGY 8 PRIVATE LIMITED

Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune, 411014, Maharsahtra, India.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. First Energy 8 Private Limited** bearing **CIN: U35105PN2023PTC223047** (hereinafter called **'the Company'**). The Secretarial Audit was conducted in a manner that provided a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Report on Secretarial Records and Compliances made thereunder

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representation made by the Management we hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed on a test basis and other records maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956, (SCRA) and the rules made thereunder; Not applicable;

iii. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, and the Regulations and Bye-laws framed thereunder; Not applicable;

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; Not applicable;

v. The Company is not listed on any Stock Exchange in India hence the Acts, Regulations, Guidelines etc., related to SEBI were not applicable to the Company:

vi. As per the management representation, no other laws were applicable except mentioned below specifically to the Company during the audit period:

(a) The Indian Contract Act, 1872

(b) The Income Tax, 1961

(c) The Goods and Service Tax Act, 2017

(d) The Electricity Act, 2003

(e) The Indian Stamp Act, 1899 and The Maharashtra Stamp Act, 1958

(f) The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 and The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Rules, 2018.

(g) The Factories Act, 1948 and other allied State wise Factories Rules wherever the sites are located.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings, Committee Meetings and General Meetings: During the Year ended 31st March, 2026, the Company has complied with the applicable clauses of Secretarial Standard (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible.

(ii) The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015; Not applicable

Based on the information received and records maintained, we further report that:

1. The Board of Directors of the Company has been duly constituted with proper balance of Non-Executive and Independent Directors, the changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act:

   1.1. Mr. Sandeep Suresh Mandke (DIN: 09619581) who was eligible to retire by rotation has been re- appointed as a director of the company in the second (2nd) Annual General Meeting held on July 17, 2025.

   1.2. Mr. Sanjay Dinkar Parande (DIN: 07161299) was appointed as Additional and Independent Director of the Company w.e.f. October 31, 2025.

   1.3. Mr. Ashok Keshav Joshi (DIN: 02296952) was appointed as Additional and Independent Director of the Company w.e.f. October 31, 2025.

2. Adequate notice(s) have been given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance and compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

   2.1 An Extraordinary General Meeting (EGM) of the Company was held on August 29, 2025 at a shorter notice for alteration of Articles of Association. The consent for convening the said EGM at shorter notice was obtained from the shareholders holding more than 95% of the paid-up share capital of the Company entitled to vote there at, as required under Section 101(1) of the Companies Act, 2013. Accordingly, the requirement of provisions of section 101 has been complied with.

3. All the decisions in the board meetings were carried through by majority while there were no dissenting member's views and hence not captured and recorded as part of the minutes.

   We further report that there are adequate systems and process in the Company commensurate with the size and operations of the Company to monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following events /actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines, if any, as may be referred to above:

i. Pursuant to transfer of shares at end of March 2025 in dematerialized form from two nominees to another nominees, the Company has filed prescribed e-form for the change of nominee under section 89 with the Registrar.

ii. In line with the provisions of section 204 of the Companies Act, 2013, the Company has appointed M/s. Ladda Bhutada & Associates, Company Secretaries Firm as Secretarial Auditor for FY 2025-26 in the board meeting held on April 30, 2025.

iii. The Company has increased its paid-up share capital from ₹ 77,36,00,000/- (Rupees Seventy-Seven Crore Thirty-Six Lakhs only) to ₹ 77,57,05,880/- (Rupees Seventy-Seven Crore Fifty-Seven Lakhs Five Thousand and Eight Hundred Eighty only), with an addition of ₹ 21,05,880/- (Rupees Twenty-One Lakh Five Thousand Eight Hundred and Eighty only) on June 03, 2025 through resolution passed by circulation by way of allotment on rights basis.

iv. During the period under review, the Board of Directors noted the transfer of 2,11,00,000 (Two Crore Eleven Lakhs) equity shares of the Company from First Energy Private Limited to MRF Limited, effected on June 21, 2025 in accordance with the applicable provisions of the Companies Act, 2013, and the rules made thereunder.

v. The Internal Auditor – Mr. Satish Jayaram, Chartered Accountant, of the Company has tendered his resignation w.e.f. July 22, 2025. Further, in line with the provisions of section 138 of the Companies Act, 2013, the Company has appointed Mr. Tushar Dahale, Chartered Accountant as Internal Auditor w.e.f. July 21, 2025.

vi. In compliance with the provisions of Section 77 of the Companies Act, 2013, read with the Companies (Registration of Charges) Rules, 2014, the Company has duly registered the charge created in favor of the lender - Catalyst Trusteeship Limited in connection with the financial assistance of 4,25,00,00,000/- (Rupees Four Hundred Twenty-Five Crores Only) availed by the Company, by filing Form CHG-1 in the month of September 2025 with the Registrar of Companies.

vii. The Board has constituted the Audit Committee and Nomination and Remuneration Committee on October 31, 2025 and both the Committees have met one (1) time during the year.

viii. The Company has adopted the Whistle Blower Policy/ Vigil Mechanism of ultimate holding company "Thermax Limited", in the Board Meeting held on October 31, 2025.

ix. The Company shifted its registered office address from 6th Floor, Office No. 601, F.C. Road Shivajinagar, Pune – 411005, Maharashtra, India, to 7th Floor, Fountainhead Tower 1, Viman Nagar, Pune – 411014, Maharashtra, India within the local limits of the city w.e.f. January 23, 2026.

First Energy 8 Private Limited

Annexure - 'A'

To the Secretarial Audit Report

For the financial year ended 31st March, 2025

To,
The Members,
FIRST ENERGY 8 PRIVATE LIMITED
Regd. Office Address: 7th Floor, Fountainhead Tower 1,
Viman Nagar, Pune, Maharashtra, India, 411014

Our Secretarial Audit report for the financial year ending 31st March, 2026, of even date is to be read along with this letter.

A. Management's Responsibility

It is the responsibility of the management of the company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

B. Auditor's Responsibility

1. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to Secretarial Compliances.

2. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

3. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

4. We have followed the audit practice and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

C. Disclaimer

1. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

2. The Secretarial Audit report is neither an assurance as to the future liability of the Company nor of the efficiency of effectiveness with which the management has conducted the affairs of the Company.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 8 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 8 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

First Energy 8 Private Limited

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 30(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 30(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 8 Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 8 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 8 Private Limited

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 8 Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3(a) to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in three mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income taxes, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including goods and services tax and other statutory dues, as applicable, with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the term loans have been applied for the purposes for which they were obtained.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs. 999.13 Lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Further, no such report has been filed by any other auditor appointed by the Company under the Act. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records

of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 3,370.98 lakhs in the financial year and of Rs. 19.63 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the Financial Statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 8 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on August 10, 2023 under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in business of producing wind power.

The address of the Company's registered office is 7th Floor, fountainhead Tower 1, Viman Nagar, Pune - 411014 India. The Board of Directors have authorized to issue these financial statements on April 29, 2026. The CIN of the Company is U35105PN2023PTC223047.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Borrowing costs

Where the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs eligible for capitalization are determined as the actual borrowing costs incurred on such specific borrowings during the period, less any investment income earned on the temporary investment of those borrowed funds pending their utilization on the qualifying asset; accordingly, the net borrowing costs, after deduction of such temporary investment income, are capitalized as part of the cost of the qualifying asset in accordance with IAS 23 – Borrowing Costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

b. Deferred Tax

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

c. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

d. Property, plant and equipment (PPE) including capital work-in-progress (CWIP)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	25	10 to 15
Building	30	3 to 30

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

e. Exceptional Items

Exceptional items refer to items of income or expense, including tax items, within the statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company.

2.3. Summary of other accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied to the consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

b. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity investments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided

e. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

f. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the

liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

g. Impairment of financial assets

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. Management has estimated the liquidated damages based on the estimated losses equivalent to the losses accruing to the Captive User.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

k. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.5. Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures including contingent liabilities as at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are also described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Judgments and assumptions

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

Borrowing costs

The determination of whether an asset qualifies as a qualifying asset for the purpose of capitalization of borrowing costs involves significant management judgement, including assessment of factors such as the period of time necessary to get the asset ready for its intended use or sale, the nature of activities required during the construction or development phase, and prevailing industry practices; in the Company's case, the construction of projects typically involves a period ranging from 6 months to 10 months, and management evaluates each project individually to determine eligibility for borrowing cost capitalization based on these criteria.

Impairment of non-financial assets

The Company periodically assesses if there are any indicators of impairment in respect of Property, plant and equipment. In making this assessment, the Company identifies the cash generating unit (CGU) to which the asset belongs and considers both internal and external sources of information to determine whether there is an indicator for impairment at CGU level. If such indication exists, Management estimates the recoverable amount of that CGU. The recoverable amount of relevant CGU is determined based on the higher of value in use and fair value less cost of disposal. An impairment loss is recognised if the recoverable amount is lower than the carrying value. The value in use of these investments is determined using discounted cash flow model (DCF model) requiring various assumptions and judgements. These include future cashflows and growth rate assumptions, discount rate, margins and other economic and entity specific factors which are incorporated in the DCF model. The estimated cash flows are developed using internal forecasts.

Provision for non-financial assets

Advances, including capital advances given to vendors/contractors for acquisition or construction of property, plant and equipment, are reviewed at each reporting date to assess whether there is any indication that the amounts may not be recoverable. Where, based on management's evaluation of the underlying facts and circumstances, recovery of such advances is considered doubtful or no longer probable, an appropriate provision is recognized in the Statement of Profit and Loss.

Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

2.6 Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Key assumptions used for impairment of property, plant and equipment

The Company has assessed impairment indicators for its defined Cash Generating Unit (CGU) – "Wind Power Plant." Based on the Company's evaluation, impairment triggers were identified due to cost overruns.

Consequently, the Company performed an impairment assessment wherein the recoverable amount was determined using the Value-in-Use (VIU) method. This approach involves the use of key assumptions and is based on cash flow projections derived from management-approved financial budgets, covering the estimated economic life of the assets.

The following table sets out the key assumptions for calculation of value in use:

Particulars	Assumptions considered	Approach used to determine Value
Weighted Average cost of capital	7.80%	Reflect specific risks relating to the relevant business in which the Company operates.
EBIDTA	52% to 95%	Based on management's experience in similar SPVs within the First Energy group and expectations from future considering revenue generation and cost estimated.
Inflation considered in cost	2.50% to 3%	Management forecasts these costs based on the current structure of the business, adjusting for inflationary increases but not reflecting any future restructurings or cost saving measures.

Leasing Arrangement

The Company has taken lands on lease which has been accounted in accordance with Ind AS 116 - Leases under right of use assets. Refer following note for further disclosure on leases.

Company as lessee

The Company has taken land on leases for a tenure of upto 30 years. There are no variable lease payments and residual value guarantees for these leases.

Carrying amounts of lease liabilities and the movements during the year

Particulars	As at March 31, 2026
At the beginning of the year	-
Additions	393.33
Accretion of interest	-
Payments made	(393.33)
As at end of the year	**-**

Details of amounts recognised in statement of profit and loss

Particulars	For the year ended March 31, 2026
Depreciation expense of right-of-use assets	9.28
Short term lease rent	0.04
Less: Capitalised during the year	(9.28)
Total amount recognised in statement of profit or loss	**0.04**

The total cash outflow for leases during the year Rs 399.64 Lakhs (excluding short term lease payment of Rs 0.04 lakhs).

Extension and termination options are included in the lease. It is used to maximise operational flexibility in terms of managing the assets used in the company's operations. Extension options held are exercisable by the Company with prior consent with the lessor. It is used to maximise operational flexibility in terms of managing the assets used in the operations.

4. Deferred tax assets (net)

Particulars	As at March 31, 2026	As at March 31, 2025
Deferred tax asset		
Losses available for offsetting against future taxable income	33.95	-
Provision for Liquidated damages	-	-
Provision for doubtful adavances	-	-
Provision for impairment on capital work-in-progress	-	-
Total	**33.95**	**-**
Less: Deferred Tax Liability		
Intial borrowing cost	33.95	-
Total	**33.95**	**-**
Net Deferred Tax Assets	**-**	**-**

The company has tax losses on account of brought forward losses Rs. 54.04 lakhs (March 31, 2025 Rs. 33.22 lakh) that were available for offsetting for future taxable profits on which deferred tax assets has not been recognised. Also, deferred tax assets have not been recognised in respect of provision for liquidated damages - Rs 1,331.48 lakhs, provision for doubtful advances - Rs. 2,015.40 lakhs, provision for impairment on capital work-in-progress Rs. 1,557.35 lakhs as they may not be used to offset taxable profit elsewhere in the company and there are no other tax planning opportunities or other evidences of recoverability in the near future. If the company was able to recognise all unrecognised deferred tax assets, the retained profit for the year would increase by Rs 1,247.85 lakhs (March 31, 2025 Rs 8.36 lakhs).

24. Fair value measurements

Break up of financial liabilities carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Borrowings	49,530.87	34,692.60
Trade payables	3.68	3.15
Other financial liabilities	910.09	1,622.36
Total	**50,444.64**	**36,318.10**
Current liabilities	15,962.09	36,318.10
Non-current liabilities	34,482.55	-
Total	**50,444.64**	**36,318.10**

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Cash and cash equivalents	1,236.03	5.87
Other financial assets	1.56	2.60
Total	**1,237.59**	**8.47**
Current assets	1,237.59	8.47
Non-current assets	-	-
Total	**1,237.59**	**8.47**

The carrying value of cash and cash equivalents, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable or in case of fixed rate borrowings, movements in interest rates from the recognition of such financial instrument till period end not being material.

Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2026	As at March 31, 2025
Financial assets		
Investments		
Mutual funds	-	130.25
Total financial assets (Current)	**-**	**130.25**

Fair value of market linked mutual fund is determined using Net Asset Value (NAV) report issued by mutual fund house.

i) Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets.

As at March 31,2025

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets	March 31, 2025			
Investments				
Mutual funds		130.25	-	-

Level 1: level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instruments is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

25. Financial risk management

The Company's principal financial liabilities comprises borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents, other receivables.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The Management of the Company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

Particulars	As at March 31, 2026	As at March 31, 2025
Variable rate borrowings	35,067.79	-

Impact due to sensitivity of interest rate is not calculated for the current year, as the Company's loss before tax was not affected through the impact on floating rate borrowings, as borrowing was towards acquiring a qualifying asset and the related interest was capitalised according to IND AS 23.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the year and prvious year hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its investing activities, including deposits with banks.

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2025 and March 31, 2026 is the carrying amounts as disclosed in notes to accounts.

Expected credit losses for

Balance with banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	15,048.32	2,292.49	2,292.49	30,032.45	49,665.75
Trade Payables	3.68	-	-	-	3.68
Other financial liabilities	910.09	-	-	-	910.09

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	34,727.24	-	-	-	34,727.24
Trade Payables	3.15	-	-	-	3.15
Other financial liabilities	1,622.36	-	-	-	1,622.36

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

26. Analytical ratios

Sr .No.	Particulars	Numerator	Denominator	As at March 31, 2026	As at March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current Liabilities	0.07	0.07	-1%	Not applicable
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	18.62	4.58	306%	Refer note (i) below
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	0.03	-	0%	Repayment of unsecured borrowing on account of proceeds from external bank borrowing, resulted in reduction in the ratio.
3	Return on Equity	Net loss after taxes	Shareholder's Equity	-96.36%	-0.26%	37051%	Refer note (ii) below
4	Return on investment	Investment Income	Average investment	3.25%	1.17%	178%	Increase in mutual fund investment during the year resulted in higher yield
5	Trade payables turnover Ratio	Net Credit Purchases	Trade payable	6.57	6.24	5%	Not applicable
6	Return on Capital employed	Earning before interest and taxes	Capital Employed	-2.60%	-0.05%	5095%	Refer note (ii) below

Capital employed = Tangible Net worth + total debt
Average = (Opening + Closing)/2

Note:
i) Additional borrowing availed during the year by the Company increased debt to equity ratio.
ii) Increase in expenses mainly on account of impairment of property, plant and equipment, liquidated damages and provision for doubtful advances have led to decrease in return on equity, return on capital employed, trade payable turnover ratio.
iii) As there were no repayment of interest and principal, debt service coverage ratio is not calculated for the comparative period

iv) There were no debt during the comparative period. Hence, debt equity ratio is not calculated for that period.

27. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings. Capital represents equity attributable to equity holders of the Company.

	March 31, 2026	March 31, 2025
Borrowings including interest accrued	49,530.87	34,727.24
Less: Cash and cash equivalents	1,236.03	5.87
Net debt	**48,294.84**	**34,721.37**
Equity	2,660.78	7,568.06
Net debt to equity	**18.15**	**4.59**

Net debt to equity has increased in current year majorly on account of increase in borrowing and decrease in equity due to losses booked during the year.

Loan Covenants

The borrower shall during the entire tenor of the Facility, ensure that Debt Service Coverage Ratio does not fall below 1.10:1

The financial covenant shall be tested starting FY 2026-2027. Accordingly, this covenant will be tested from the next year.

28. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment.

29. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2026	As at March 31, 2025

The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.	-	-
The amount of payment made to the supplier beyond the appointed day during the year.	39.31	16.47
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006.	0.34	0.25
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.34	0.25
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.59	0.25

*Amount is below the rounding off norm adopted by the Company

First Energy 8 Private Limited

Notes to the Financial Statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

30. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with the Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year and comparative period.

(iv) There is no income surrendered or disclosed as income during the current year or comparative period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current year or comparative period.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person (s) or entity (ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person (s) or entity (ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

31. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

32. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements of record retention.

Items that are not to be reclassified to profit or loss	-	-
Profit/(Loss) after tax	9.03	3.76

State of Company's Affairs

The Company has commissioned a Solar project with a plant capacity of 4MWp and operational since December 2024.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

During the year there were changes in the capital structure. The paid up share capital of the Company is Rs. 4,78,00,000/- divided into 47,80,000 Equity Shares of Rs. 10/-. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review, are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk :**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources :**

  This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.

- **Renewable Sources and Grid Availability :**

  The risk identified by the Company is lower generation on account of lower radiation, wind speed, Grid curtailments and failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses :**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced. The Board at its meetings periodically reviews and monitors these risks and their mitigation plan.

First Energy Nine Private Limited

- **Regulatory changes:**

  Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety .

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt : Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability, Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalisation : HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sandeep Mandke (DIN: 09619581) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the Second AGM of the Company.

During the year, the following change took place in the Directors of the Company:

- The appointment of Mr. Sumit Rathi (DIN: 07727272), Additional Director was regularized in the Annual General Meeting held on July 18, 2025.

Board Meetings

During the year, the Board met four times on April 30, 2025, July 21, 2025, October 31, 2025 and January 21, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026, and of the profit of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Board of Directors for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 1 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company. The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of a onetime settlement with any Bank or Financial Institution.

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

Independent Auditor's Report

To the Members of First Energy Nine Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy Nine Private Limited ("the Company"), which comprise the Balance Sheet as at March 31 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 31(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 31(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has not paid any remuneration to its directors during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy Nine Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy Nine Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy Nine Private Limited

Annexure B to Independent Auditor's Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy Nine Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3(a) to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in three mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained, except for the following cases:

Nature of the fund raised	Name of the lender	Pending utilisation of term loan (Amount in Lakhs)	Purpose for which amount was sanctioned	Purpose for which amount was utilised	Remarks
Term Loan	Yes Bank Ltd.	18	For Loan repayment and for payment to capital expense vendor	Amount yet to be utilised kept in current account and bank deposits	The term loan was raised towards the end of the year.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in these financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the financial statements for the year ended on March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy Nine Private Limited ("the Company") is a private limited company domiciled in India and incorporated on February 01, 2024 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar power.

The address of the Company's registered office is 7th Floor, fountainhead Tower 1, Viman Nagar, Pune - 411014 India. The Board of Directors have authorized these financial statements on April 29, 2026. The CIN of the Company is U35100PN2024PTC227760.

2. Basis of preparation and summary of material accounting policy

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied to the consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Roads	3	3

Also refer 2.3.c for other accounting policies relating to Property, plant and equipment.

c. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any

lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity instruments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

Notes to the financial statements for the year ended on March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Borrowings are classified as current liabilities unless, at the end of the reporting period, the group has a right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

f. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

k. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

2.5 Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

26 Financial risk management

The Company's principal financial liabilities, comprise borrowings, lease liabilities, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents, trade and other receivables that derive directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, diversification of assets in terms of geographical distribution, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows :

Particulars	As at March 31, 2026	As at March 31, 2025
Variable rate borrowings	937.76	-

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	For the year ended March 31, 2026	February 1, 2024 to March 31, 2025
Interest rates - Increase by 25 basis points	(14.91)	-
Interest rates - Decrease by 25 basis points	13.99	-

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are quoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities primarily trade receivables, deposits with banks and other financial instruments.

Expected credit loss for

Balances with Banks

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits which is considered to be low risk. No loss allowance is required to be recognised for the same.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. Entire revenues of the Company is derived from related parties. Accordingly, all receivables are from group companies. The Company has assessed the credit risk to be negligible and accordingly the impact of expected credit loss is assessed as not material.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summaries the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

As at March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	56.91	79.49	87.94	744.38	968.72
Trade payables	11.93	-	-	-	11.93
Lease liabilities	5.69	11.37	11.94	149.96	178.96
Other financial liabilities	19.09	-	-	-	19.09

As at March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	954.42	-	-	-	954.42
Trade Payables	10.01	-	-	-	10.01
Lease liabilities	10.83	11.72	12.16	157.75	192.46
Other financial liabilities	80.57	-	-	-	80.57

Notes to the financial statements for the year ended on March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

27. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As At March 31, 2026	As At March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current Liabilities	1.07	0.09	1136%	Refer note no. (i)
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	1.96	1.93	2%	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	1.32	1.66	-20%	Refer note no. (i)
4	Return on equity	Net Profits after taxes	Shareholder's Equity	1.86%	0.79%	136%	Refer note no. (ii)
5	Return on investment	Investment income	Average investment	4.73%	Not applicable	-	Not applicable
6	Return on capital employed	Earning before interest and taxes	Capital Employed	6.96%	2.58%	170%	Refer note no. (ii)
7	Net Profit Ratio	Net Profits after taxes	Revenue	4.20%	4.66%	-10%	Not applicable
8	Trade Receivables turnover Ratio	Total Sales	Accounts Receivable	8.02	2.50	221%	Not applicable
9	Trade payables turnover Ratio	Net Credit Purchases	Trade Payables	4.75	2.30	106%	Refer note no. (ii)
10	Net capital turnover Ratio	Total Sales	Working Capital	30.80	(0.08)	-38603%	Refer note no. (ii)

Capital employed = Tangible Net worth + total debt

Average = (Opening + Closing)/2

Note:

(i) Increase in external borrowing during the year impacted current ratio, debt equity coverage ratio.

(ii) Increase in revenue and expenses resulted in increase ratio of trade payable turnover ratio, return on capital employed, return on equity, net capital turnover ratio, trade receivables turnover ratio.

(iii) Return on investment ratio is not applicable in previous year hence comparative figure not available for variation calculation.

28. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026	As at March 31, 2025
Borrowings (including accrued interest)	950.76	954.42
Lease liabilities	62.47	67.55
Less: Cash and cash equivalents	(37.01)	(58.18)
Less: Other Bank Balance	(40.00)	-
Net debt	**936.22**	**963.79**
Equity	**484.75**	**475.72**
Net Debt to Equity	**1.93**	**2.03**

Note : There is no major change in net debt to equity

Loan Covenants

The borrower shall during the entire tenor of the Facility, ensure that Debt Service Coverage Ratio does not fall below 1.10:1

There is no breach of loan covenants during the year.

First Energy Nine Private Limited

Notes to the financial statements for the year ended on March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

29. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment. Entire Revenue is derived from two customers of Group Companies.

30. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

State of Company's Affairs

The Company was incorporated on March 23, 2024. It is proposed to set up a wind and solar captive project of ~240 MWp in Andhra Pradesh and Tamil Nadu connected to Central transmission utility.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were changes in the capital structure of the Company. The Company has increased its authorized share capital from Rs. 20,00,00,000 (Rupees Twenty Crore) consisting of 2,00,00,000 (Two crore) Equity Shares of Rs. 10 each to Rs. 150,00,00,000 (Rupees One Hundred and fifty Crore) consisting of 15,00,00,000 (Fifteen crore) Equity Shares of Rs. 10 each. The increase in share capital was approved by the members of the Company in their Extra-Ordinary General Meeting held on July 24, 2025. The Paid-up Share Capital of the Company is Rs. 1,35,00,00,000 divided into 13,50,00,000 Equity Shares of Rs.10 each. During the year under review, the Company has made further issue of shares to the existing shareholders on rights basis. Details of the further issue of shares are as follows:

Date of Issue	Number of Shares	Nominal value per share (Rs.)	Amount paid up (Rs.)
19/05/2025	1,00,00,000	10	10,00,00,000
24/07/2025	11,50,00,000	10	1,15,00,00,000

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review, are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources:** This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.
- **Renewable Sources and Grid Availability :** The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical

data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses :** This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.
- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety. The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication : HSE Moment/Lessons Learnt : Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability, Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation : HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sumit Rathi (DIN: 07727272) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the second AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company:

- Mr. Sumit Rathi (DIN: 07727272) was appointed as an Additional Director of the Company w.e.f. July 8, 2024. He was appointed as a Director of the Company w.e.f. July 17, 2025.
- Ms. Janhavi Sumant was appointed as the Company Secretary & Key Managerial Personnel (KMP), Ms. Ekta Mohata as Chief Financial Officer & KMP and Mr. Naga Hanumanth Srinivas Nukala as the Chief Executive Officer & KMP of the Company w.e.f. September 9, 2025.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual evaluation of its performance and of its individual Directors.

Board Meetings

During the year, the Board met five times on April 30, 2025, July 21, 2025, September 9, 2025, October 30, 2025 and January 21, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Director's Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026 the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026 and of the profit of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Board for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3) (h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 1 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind, and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive

it. Any shareholder interested in obtaining such particulars may write to the company secretary. The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

Independent Auditor's Report

To the Members of First Energy 10 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 10 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 30(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 30(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has not paid any remuneration to its directors during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Date: May 04, 2026

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 10 Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 10 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 10 Private Limited

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 10 Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3(a) to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in three mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income taxes, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including goods and services tax and other statutory dues, as applicable, with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs. 10,857.91 Lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received

during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year and had incurred cash losses of Rs. 16.02 Lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the financial statements for the year ended on March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

First Energy 10 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 23, 2024 under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar and wind power.

The address of the Company's registered office is 7th Floor, fountainhead Tower 1, Viman Nagar, Pune - 411014 India. The Board of Directors have authorized to issue these financial statements on April 29, 2026. The CIN of the Company is U35100PN2024PTC229447.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Borrowing costs

Where the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs eligible for capitalization are determined as the actual borrowing costs incurred on such specific borrowings during the period, less any investment income earned on the temporary investment of those borrowed funds pending their utilization on the qualifying asset; accordingly, the net borrowing costs, after deduction of such temporary investment income, are capitalized as part of the cost of the qualifying asset in accordance with IAS 23 – Borrowing Costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

b. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components

c. Property, plant and equipment (PPE)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as

appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Supplier finance arrangement:

Supplier finance arrangements entered into by the entity are characterised by one or more finance providers offering to pay amounts that an entity owes its suppliers and the entity agreeing to pay according to the terms and conditions of the arrangements at the same date as, or a date later than, when suppliers are paid. These arrangements provide the entity with extended payment terms, or the entity's suppliers with early payment terms, compared to the related invoice payment due date.

The Company derecognises the original trade payables/ financial liability when those payables become part of the supplier finance arrangement. The related liabilities under the supplier finance arrangement are presented within 'Borrowings',

because they represent financing obtained by the company and are sufficiently different from trade payables. All liabilities under the arrangement are classified as current, since they are required to be settled within 120-180 days from the date of the invoice.

For the purpose of the statement of cash flows, management has determined that the amounts are not part of the working capital used in the entity's principal revenue-producing activities, so it presents the cash outflows to settle the supplier finance liability in financing.

Management considers that the finance provider settles the invoices as a payment agent on behalf of the entity. The payments made by the finance provider are therefore presented as operating cash outflows and financing cash inflows in equal but opposite amounts at the point when the finance provider pays the supplier. When the company subsequently pays the amount outstanding to the finance provider, this is presented as a financing cash outflow.

2.3. Summary of other accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

b. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows

Notes to the financial statements for the year ended on March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets

are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

Borrowing costs

The determination of whether an asset qualifies as a qualifying asset for the purpose of capitalization of borrowing costs involves significant management judgement, including assessment of factors such as the period of time necessary to get the asset ready for its intended use or sale, the nature of activities required during the construction or development phase, and prevailing industry practices; in the Company's case, the construction of projects typically involves a period ranging from 6 months to 10 months, and management evaluates each project individually to determine eligibility for borrowing cost capitalization based on these criteria.

2.5. Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

Notes to the financial statements for the year ended on March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

As a result of implementing the amendment related to supplier finance arrangements, the Company has provided additional disclosures about its supplier finance arrangement (Please refer note 13).

The other amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Advances to supplier	-	0.32
Total	**1,531.60**	**0.51**

11. Equity Share Capital

a. Authorised Equity Share Capital

Particulars	No. of shares	Amount
As at March 23, 2024	**-**	**-**
Increase during the period	20,000,000	2,000.00
As at March 31, 2025	**20,000,000**	**2,000.00**
Increase during the year	130,000,000	13,000.00
As at March 31, 2026	**150,000,000**	**15,000.00**

b. Issued, Subscribed and Paid up equity share capital

Particulars	No. of shares	Amount
As at March 23, 2024	**-**	**-**
Changes during the period	10,000,000	1,000.00
As at March 31, 2025	**10,000,000**	**1,000.00**
Changes during the year	125,000,000	12,500.00
As at March 31, 2026	**135,000,000**	**13,500.00**

c) Terms/Rights attached to the equity shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors of the Company is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

d. Equity shares held by ultimate holding / holding company

Particulars	As at March 31, 2026		As at March 31, 2025	
	No. of shares	Amount	No. of shares	Amount
Immediate Holding company				
First Energy Private Limited (including 6 share held by nominee shareholder)	135,000,000	13,500.00	10,000,000	1,000.00
Equity shares of Rs 10 each				

e. Details of shareholders holding more than 5% of the aggregate shares in the Company:

Name of the Shareholder	As at March 31, 2026	As at March 31, 2025
First Energy Private Limited, India		
% Holding	100.00%	100.00%
No. of shares	135,000,000	10,000,000

Notes to the financial statements for the year ended on March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

f) Shares held by promoters

Supplier finance arrangements

Buyer's credit arrangements are characterized by one or more finance providers offering to pay amounts that an entity owes its suppliers for purchases of property, plant and equipments. The entity agreeing to pay according to the terms and conditions of the arrangements at the same date as, or a date later than when suppliers are paid. These arrangements provide the entity with extended payment terms, compared to the related invoice payment due date.

Net profit/ (loss) attributable to the equity shareholders of the Company (In Rs. lakhs)	38.70	(16.02)
Weighted average number of equity shares of Rs. 10/- each	80,890,411	599,249
Basic and Diluted earnings / (loss) per share (in Rs.)	**0.05**	**(2.67)**

22. Contingent Liabilities and commitments

There are no liabilities of contingent nature.

Capital and other commitment

Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for is Rs. 30,173.95 lakhs (March 31, 2025 - Nil).

23 Leasing Arrangements

Company as lessee

The Company has taken lands on leases for a tenure of 29 years. There are no variable lease payments and residual value guarantees for these leases.

Carrying amounts of lease liabilities and the movements during the period:

Particulars	As at March 31, 2026	As at March 31, 2025
At the beginning of the year/period	-	-
Addition/ (Deduction) during the year/ period	1,782.95	49.44
Accretion of interest	41.23	-
Payments made	(1,165.45)	(49.44)
As at end of the year/period	**658.73**	**-**
Current portion of lease liabilities	40.94	-
Non-current portion of lease liabilities	617.79	-
Total	**658.73**	**-**

Details of amounts recognised in statement of profit and loss

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Depreciation expense of right-of-use assets	49.06	0.14
Interest expense on lease liabilities	41.23	0.04
Less: Capitalised during the year	(90.29)	(0.14)
Total amount recognised in statement of profit or loss	**-**	**0.04**

The total cash outflow for leases for the year was Rs. 1,191.10 Lakhs (March 31, 2025 was Rs. 49.44 Lakhs).

Extension and termination options are included in the leases entered into by the Company. These are used to maximise operational flexibility in terms of managing the assets used in the company's operations. The majority of extension options held are exercisable by the Company with mutual consent of the respective lessor. Lessor can not terminate the lease deed during the tenure of the Lease period.

Non-current assets	4.00	-
Total	**2,047.73**	**892.91**

The carrying value of cash and cash equivalents, other financial assets, trade payables, borrowings and other current liabilities are considered to be the same as their fair values, due to their short term nature.

26. Analytical ratios

Sr. No.	Particulars	Numerator	Denominator	As at March 31, 2026	As at March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current Liabilities	0.25	27.09	-99%	Refer note (i) below
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	0.78	0.01	6173%	Refer note (i) below
3	Return on equity ratio	Net profit/ loss after taxes	Average Shareholder's Equity	0.54%	-1.66%	-132%	Refer note (ii) below
4	Return on investment	Investment income	Average Investment	4.95%	6.54%	-24.27%	Not applicable
5	Debt Service Coverage Ratio	"Earnings available for debt service (Net loss after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)"	Debt Service (Interest & Lease Payments + Principal Repayments)	0.03	-0.32	-111%	Refer note (ii) below
6	Trade payables turnover Ratio	Net Credit Purchases	Trade Payables	5.79	5.09	14%	Not applicable
7	Return on Capital employed	Earning before interest and taxes	Capital Employed	0.19%	-1.61%	-112%	Refer note (ii) below

Capital employed = Tangible Net worth

Note:

i) short-term borrowings from holding company and outstanding buyer's line of credit resulted in increase in current liability. This resulted in decrease in debt equity ratio.

ii) Gain from investment in mutual funds and interest income on fixed deposit resulted in increase in debt service coverage ratio, return on equity ratio, return on capital employed.

ii) Increase in ratio of return on equity and return on capital employed on account of increase in other income during the year resulted from higher investment in mutual funds.

Notes to the financial statements for the year ended on March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

27. Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk, currency risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have any exposure to interest rate changes at the end of the reporting period, currently as there is no borrowings with variable rates.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the period hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its investing activities, including deposits with banks.

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties. Identified impairment loss for the assets is immaterial.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2026 and March 31, 2025 is the carrying amounts as disclosed in notes to accounts.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

The Company has entered into a supplier finance arrangement. This has improved the company's working capital.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

As at March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	10,451.35	-	-	-	10,451.35
Lease liabilities	40.94	101.67	106.75	1,776.18	2,025.54
Trade Payables	4.99	-	-	-	4.99
Other financial liabilities	3,870.89	-	-	-	3,870.89

As at March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	12.00	-	-	-	12.00
Trade Payables	3.38	-	-	-	3.38
Other financial liabilities	2.53	-	-	-	2.53

28. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026	As at March 31, 2025
Borrowings (including accrued interest)	10,451.35	12.30
Lease liability	658.73	-
Less: Cash and cash equivalents	(2,042.73)	(892.56)
Net Debt to Equity/ (Net cash position)	**9,067.35**	**(880.26)**
Equity	13,378.89	963.69
Net Debt to Equity	**0.68**	**(0.91)**

Net debt to equity has increased on account of increase in debt during the year.

29. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment.

30. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

First Energy 10 Private Limited

Notes to the financial statements for the year ended on March 31, 2026

31. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which are yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the year or prior period.

(iv) There is no income surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current year or prior period.

(viii) Utilisation of borrowed funds and share premium
The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

32. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

33. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

State of Company's Affairs

The Company was incorporated on July 29, 2024. It is proposed to set up a wind solar hybrid captive project of ~70 MW in Gujarat.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were changes in the capital structure of the Company. The Company has increased its authorized share capital from Rs. 1,00,000 (Rupees One lakh) consisting of 10,000 (Ten thousand) Equity Shares of Rs. 10 each to Rs. 84,00,00,000 (Rupees Eighty four Crore) consisting of 8,40,00,000 (Eight crore forty lakh) Equity Shares of Rs. 10 each and then to Rs. 2,00,00,00,000 (Rupees Two hundred crore) consisting of 20,00,00,000 (Twenty crore) Equity Shares of Rs. 10 each. The increase in share capital was approved by the members of the Company in their Extra-Ordinary General Meeting held on May 30, 2025 and September 19, 2025 respectively. The Paid-up Share Capital of the Company is Rs. 1,22,08,70,000 divided into 12,20,87,000 Equity Shares of Rs.10 each. During the year under review, the Company has made further issue of shares on rights and private placement basis.

Details of the further issue of shares on rights basis are as follows:

Date of Issue	Number of Shares	Nominal value per share (Rs.)	Amount (Rs.)
05/06/2025	8,39,90,000	10	83,99,00,000

Details of the further issue of shares on private placement basis are as follows:

Date of issue	Name of the allottee	Number of shares allotted	Nominal value per Share (Rs.)	Amount (Rs.)
29/09/2025	Garden Silk Mills Private Limited	3,45,87,000	10	34,58,70,000
29/09/2025	Transpek Industry Limited	35,00,000	10	3,50,00,000

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review, are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land

expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources:** This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.
- **Renewable Sources and Grid Availability :** The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses :** This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.
- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

Health and Safety

Across all its operational assets, sites and offices, the Company implements policies that covers Health and safety. The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication : HSE Moment/Lessons Learnt : Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability, Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation : HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sumit Rathi (DIN: 07727272) retires by rotation and being eligible offers, himself for re-appointment. The proposal of re-appointment forms part of the Notice of the Second AGM of the Company.

During the year, Ms. Anny Chelani was appointed as the Company Secretary & Key Managerial Personnel (KMP), Ms. Mrunal Jungade as Chief financial Officer & KMP and Mr. Amit Jadhav as the Chief Executive Officer & KMP of the Company w.e.f. January 21, 2026.

Board Meetings

During the year, the Board met six times on April 30, 2025, June 4, 2025, July 15, 2025, September 17, 2025, October 29, 2025 and January 21, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Director's Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026 the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026 and of the profit of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Board for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3) (h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 1 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind, and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company secretary. The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five years from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work and support.

Independent Auditor's Report

To the Members of First Energy 11 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 11 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 32(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 32(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has not paid any remuneration to its directors during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 11 Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 11 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditor's Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 11 Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company does not have any Property, Plant and Equipment and accordingly, reporting under clause 3(i)(a)(A), 3(i)(b) and 3(i)(d) of the Order is not applicable to the Company.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Company does not own any immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in the favour of the lessee) (Refer Note 3 to the financial statements). Accordingly, reporting under clause 3(i)(c) of the Order is not applicable to the Company.

(c) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions on the basis of security of current assets and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in three mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income taxes, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including goods and services tax and other statutory dues, as applicable, with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained, except for the following cases:

Nature of the fund raised	Name of the lender	Pending utilisation of term loan (Amount in Lakhs)	Purpose for which amount was sanctioned	Purpose for which amount was utilised	Remarks
Term Loan	Central Bank of India	1,207.29	For payment to capital expense vendor and for repayment of promoter's loan	Amount yet to be utilised kept in current account and fixed deposit	The term loan was raised towards the end of the year.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs. 40,093.89 Lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has made a private placement of shares during the year, in compliance with the requirements of Section 42 and Section 62 of the Act. The funds raised have been used for the purpose for which funds were raised

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Accordingly, the reporting

under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year and had incurred cash losses of Rs. 2.97 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

First Energy 11 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on July 29, 2024 under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in business as a producer of energy from renewable sources.

The address of the Company's registered office is 7th Floor, fountainhead Tower 1, Viman Nagar, Pune - 411014 India. The Board of Directors have authorized to issue these financial statements on April 21, 2026. The CIN of the Company is U35100PN2024PTC233096.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Borrowing costs

Where the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs eligible for capitalization are determined as the actual borrowing costs incurred on such specific borrowings during the period, less any investment income earned on the temporary investment of those borrowed funds pending their utilization on the qualifying asset; accordingly, the net borrowing costs, after deduction of such temporary investment income, are capitalized as part of the cost of the qualifying asset in accordance with IAS 23 – Borrowing Costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

b. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

c. Property, plant and equipment including capital work-in-progress (PPE)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Supplier finance arrangement:

Supplier finance arrangements entered into by the entity are characterised by one or more finance providers offering to pay amounts that an entity owes its suppliers and the entity agreeing to pay according to the terms and conditions of the arrangements at the same date as, or a date later than, when suppliers are paid. These arrangements provide the entity with extended payment terms, or the entity's suppliers with early payment terms, compared to the related invoice payment due date.

The Company derecognises the original trade payables/ financial liability when those payables become part of the supplier finance arrangement. The related liabilities under the supplier finance arrangement are presented within 'Borrowings',

because they represent financing obtained by the company and are sufficiently different from trade payables. All liabilities under the arrangement are classified as current, since they are required to be settled within 120-180 days from the date of the invoice.

For the purpose of the statement of cash flows, management has determined that the amounts are not part of the working capital used in the entity's principal revenue-producing activities, so it presents the cash outflows to settle the supplier finance liability in financing.

Management considers that the finance provider settles the invoices as a payment agent on behalf of the entity. The payments made by the finance provider are therefore presented as operating cash outflows and financing cash inflows in equal but opposite amounts at the point when the finance provider pays the supplier. When the company subsequently pays the amount outstanding to the finance provider, this is presented as a financing cash outflow.

2.3. Summary of other accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

b. Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

c. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Financial assets

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

d. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Property, plant and equipment (PPE)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit or loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.5. Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures including contingent liabilities as at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are also described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Judgments and assumptions

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

Borrowing costs

The determination of whether an asset qualifies as a qualifying asset for the purpose of capitalization of borrowing costs involves significant management judgement, including assessment of factors such as the period of time necessary to get the asset ready for its intended use or sale, the nature of activities required during the construction or development phase, and prevailing industry practices; in the Company's

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

case, the construction of projects typically involves a period ranging from 6 months to 10 months, and management evaluates each project individually to determine eligibility for borrowing cost capitalization based on these criteria.

2.6. Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

As a result of implementing the amendment related to supplier finance arrangements, the Company has provided additional disclosures about its supplier finance arrangement (Please refer note 13).

The other amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

3. Capital work in progress

Capital work in progress (CWIP) comprises cost of renewable energy plant under construction. Total amount of CWIP is Rs 60,275.61 lakhs.

Ageing of capital work-in-progress

Parrticular/Projects	As at March 31, 2026				Total
	Less than 1 year	1 to 2 years	2 to 3 years	More than 3 years	
Projects in progress					
70 MW Hybrid project	60,275.61	-	-	-	60,275.61
Total	**60,275.61**	**-**	**-**	**-**	**60,275.61**

There are no projects whose completion is overdue or has exceeded its cost compared to its original plan.

Capitalization of expenses

During the year, the Company has capitalized the following expenses of revenue nature to the cost of Capital work-in-progress. Consequently, expenses disclosed under the respective notes were net of amounts capitalized by the Company.

Particulars	As at March 31, 2026	As at March 31, 2025
Interest cost	589.00	-
Depreciation and amortisation	38.22	-
Total	**627.22**	**-**

Aggregate unsecured borrowings	10,937.09	-

Details	Maturity date	Terms of payment	Interest rate	March 31, 2026	March 31, 2025
Buyers' line of credit	April 6, 2026 to September 2, 2026	120-180 days	6.25% to 6.78%	9,184.36	-
Loan from Holding Company	09/10/2026	On or before maturity date	8.15%	3,420.33	-
Loan from Holding Company	December 1, 2026	On or before maturity date	8.15%	7,516.76	-

During the year, the Company has used all the borrowings for specific purpose for which they have been obtained.

Buyer's line of credit

Buyer's credit arrangements are characterized by one or more finance providers offering to pay amounts that an entity owes its suppliers for purchases of property, plant and equipments. The entity agreeing to pay according to the terms and conditions of the arrangements at the same date as, or a date later than when suppliers are paid. These arrangements provide the entity with extended payment terms, compared to the related invoice payment due date.

Particulars	Range of payment due dates	March 31, 2026
Liabilities under supplier finance arrangement (Buyer's line of credit)	120 - 180 days from invoice date	9,184.4
Comparable trade payables that are not part of the supplier finance arrangement (same line of business)	45-60 days from the invoice date	21,483.08

Particulars	March 31, 2026
Liabilities under supplier finance arrangement (Buyer's line of credit)	9,184.36
Of which the supplier has received payment from the finance provider	9,184.36

(ii) Others	1.73	-	-	-	-	-	1.73
Total	**2.36**	**-**	**-**	**-**	**-**	**-**	**2.36**

15. Other financial liabilities (Current)

Particulars	As at March 31, 2026	As at March 31, 2025
Payable for property, plant and equipment (Inclusive of payable to micro and small enterprises Rs 7.81 lakhs)*	21,483.08	-
Other payables	0.09	
Total	**21,483.17**	**-**

*Acceptances of Rs 8,812 lakhs do not materially extend payment terms beyond those agreed with non-participating suppliers and only provide participating suppliers with the benefit of early payment. The Company also does not incur any additional interest cost to the bank on these amounts. Accordingly, these amounts are presented as payable for property, plant and equipment, as their nature and function are consistent with similar payables.

16. Other current Liabilities

Particulars	As at March 31, 2026	As at March 31, 2025
Statutory dues payable*	119.65	0.21
Total	**119.65**	**0.21**

*Mainly includes tax deducted at source and GST

16a. Lease Liabilities (Non-current)

Particulars	As at March 31, 2026	As at March 31, 2025
Lease liabilities (Refer note 23)	1,574.91	-
Total	**1,574.91**	**-**

*M

17. Other Income

Particulars	For the year ended March 31, 2026	July 29, 2024 to March 31, 2025
Interest income from financial assets at amortised cost	6.18	-
Net Gain on Mutual Fund measured at fair value through profit or loss	43.04	-
Total	**49.22**	**-**

18. Finance Costs

Particulars	For the year ended March 31, 2026	July 29, 2024 to March 31, 2025
Interest expense on financial liabilities measured at amortised cost		
- to bank	216.78	-
- to holding company	294.61	-
Interest on lease liability	77.6	-
Less: Capitalized during the year	(589.00)	-
Total	**-**	**-**

Since the borrowings were specifially for the purpose of obtaining and construction of qualifying assets, borrowing cost has been capitalised at actual.

19. Depreciation Expense

Particulars	For the year ended March 31, 2026	July 29, 2024 to March 31, 2025
Amortization of right-of-use assets	38.22	-
Less: Capitalized during the year	(38.22)	-
Total	**-**	**-**

20. Other Expenses

Particulars	For the year ended March 31, 2026	July 29, 2024 to March 31, 2025
Rates and taxes	3.11	0.25
Legal and professional fees	7.03	0.95
Auditor's remuneration (Refer note below)	1.77	1.77
Miscellaneous expenses	1.33	-
Total	**13.24**	**2.97**

The Company does not meet the criteria specified in sub section (1) of section 135 of the Companies Act, 2013, read with Corporate Social Responsibility (CSR) Rules, 2014. Therefore, it is not required to incur any expenditure on account of CSR activities during the current period.

Note: Auditor's remuneration

Particulars	For the year ended March 31, 2026	July 29, 2024 to March 31, 2025
As Auditor		
Statutory Audit Fees (Including GST)	1.77	1.77
Total	**1.77**	**1.77**

21. Earnings / (loss) per share

Particulars	For the year ended March 31, 2026	July 29, 2024 to March 31, 2025
Net Profit / (Loss) attributable to the equity shareholders of the Company	35.98	(2.97)
Weighted average number of Equity shares of Rs.10/- each	89,516,488	10,000
Basic and Diluted earnings/ (loss) per share	**0.04**	**(29.70)**

Notes to the Financial Statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

22. Contingent Liabilities and commitments

There are no liabilities of contingent nature.

Capital and other commitment

Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for is Rs. 23,207.48 lakhs (March 31, 2025 - Rs Nil).

23 Leasing Arrangements

Company as lessee

The Company has taken lands on leases for a tenure of 29 years. There are no variable lease payments and residual value guarantees for these leases.

Carrying amounts of lease liabilities and the movements during the year:

Particulars	As at March 31, 2026
At the beginning of the year	-
Additions	1,901.90
Accretion of interest	77.61
Payments made	(404.60)
As at end of the year	**1,574.91**
Current portion of lease liabilities	-
Non-current portion of lease liabilities	1,574.91
Total	**1,574.91**

Details of amounts recognised in statement of profit and loss

Particulars	For the year ended March 31, 2026
Depreciation expense of right-of-use assets	38.22
Interest expense on lease liabilities	77.61
Less: Capitalised during the year	(38.22)
Total amount recognised in statement of profit or loss	**77.61**

The total cash outflow for leases for the year was Rs. 465.18 lakhs

Extension and termination options are included in the leases entered into by the Company. These are used to maximise operational flexibility in terms of managing the assets used in the company's operations. The majority of extension options held are exercisable by the Company with mutual consent of the respective lessor. Lessor can not terminate the lease deed during the tenure of the Lease period.

4 Anny Chelani - Company Secretary

E Transactions with Related parties:

Particulars	For the year ended March 31, 2026	July 29, 2024 to March 31, 2025
(a) Transactions during the year		
With Immediate Holding Company		
First Energy Private Limited		
EPCPM Contract	1,697.20	-
Loan availed	23,263.99	-
Loan repaid	12,406.43	-
Interest on loan (Capitalised)	294.61	-
Reimbursment of expenses	119.46	-
Subscription for equity shares by holding company	12,207.70	1.00

F Outstanding balances

Particulars	As at March 31, 2026	As at March 31, 2025
Balances as at the year end		
Immediate Holding Company		
First Energy Private Limited		
Borrowings (Including accrued interest)	10,937.09	-
Other payables	1.61	-

G Terms and conditions for outstanding balances

1. All outstanding balances are unsecured, interest free except for borrowings and payable in cash. For details of interest, refer note 13.

2. The transactions and balances with the related parties disclosed above are inclusive of goods and services tax, wherever applicable.

25. Segment information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment

26. Fair value measurements

Break up of financial liabilities carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Trade payable	5.57	2.36
Other liabilities	21,483.17	-
Borrowings	31,991.06	-
Total	**53,479.80**	**2.36**
Current liabilities	41,610.19	2.36
Non current liabilities	11,869.61	-
Total	**53,479.80**	**2.36**

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025
Other financial assets	7.76	0.10
Cash and cash equivalents	1,492.93	0.34
Total	**1,500.69**	**0.44**
Current assets	1,500.69	0.34
Non-current assets	-	0.10
Total	**1,500.69**	**0.44**

The carrying value of cash and cash equivalents, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable or in case of fixed rate borrowings, movements in interest rates from the recognition of such financial instrument till period end not being material.

27. Analytical ratios

Sr. No.	Particulars	Numerator	Denominator	Numerator	Denominator	As at March 31, 2026	As at March 31, 2025	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current Liabilities	1,635.94	41,729.83	0.04	0.20	-81%	Refer note (i)
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	31,991.06	12,049.46	2.65	Not Applicable	Not Applicable	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	35.98	326.99	0.11	Not Applicable	Not Applicable	Not Applicable
3	Return on equity ratio	Net Profits after taxes before exceptional items	Shareholder's Equity	35.98	12,049.46	0.00	3.02	-100%	Refer note (i)
4	Return on investment	Investment income	Average investment	49.22	1,017.77	5%	Not Applicable	Not Applicable	Not Applicable
5	Return on capital employed	Earning before interest and taxes	Capital Employed	35.98	44,040.52	0.08%	151%	-100%	Refer note (i) below
6	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	13.24	3.96	3.34	1.25	167%	Refer note (i) below

Working Capital = Current assets less Current liabilities
Capital employed = Tangible Net worth + total debt
*Average = ((Opening + Closing) / 2)

Note:

(i) Considering the the Company has started its operations during the year, there is significant transactions incurred during the period resulting in increase in borrowings, payables, equity capital, cash and cash equivalents, other assets and liabilities, consequently, resulting in significant variance as compared to comparative period.

(ii) During the previous period sales and purchases were NIL. Thus, Comparative period ratios are not calculated wherever Sales and purchases amounts are considered for calculation.

(iii) During the year ended on March 31, 2025, there were no loans outstanding . Thus, debt equity ratio, debt service coverage ratio has not been calculated.

28 Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk, price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Particulars	As at March 31, 2026
Variable rate borrowings	11,869.61

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are quoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks

Notes to the Financial Statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities from its investing activities, including deposits with banks.

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for the assets is immaterial.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2026 is the carrying amounts as disclosed in notes to accounts.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

As at March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	20,121.45	1,856.59	3,902.34	64,301.07
Lease liabilities	-	188.10	308.89	112.78
Payable for property, plant and equipment	21,483.08	-	-	-
Trade Payables	5.57	-	-	-
Other financial liabilities	21,483.17	-	-	-

As at March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Trade Payables	2.36	-	-	-

29. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026	As at March 31, 2025
Borrowings	31,991.06	-
Lease liabilities	1,574.91	-
Less: Cash and cash equivalents (includes other bank balances)	(1,492.93)	(0.34)
Net debt	**32,073.04**	**(0.34)**
Equity	12,049.46	(1.97)
Net Debt to Equity	**2.66**	**0.17**

Net debt to equity has increased in current year on account additional borrowing availed during the year for capital expenditure

Loan Covenants

The financial covenant shall be tested based on the audited financial statements every year from first full year of commercial operation. Accordingly, compliance with financial covenant is not applicable for current year.

30. Segment information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment.

31. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Based on the information available with the Company, none of the vendors fall under the definition of micro, small and medium enterprises.

The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of payment made to the supplier beyond the appointed day during the year	79.18	-
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	1.50	-
The amount of interest accrued and remaining unpaid at the end of each accounting year	1.50	-
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	1.50	-

32. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which are yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year and comparative period.

(iv) There is no income surrendered or disclosed as income during the current year or comparative period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium
The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

33. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

34. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior period has been preserved by the Company as per the statutory requirements of record retention.

35. The Company was incorporated on July 29, 2024. Therefore, comparative financial statements are for the period July 29, 2024 to March 31, 2025.

DIRECTORS' REPORT

Dear Shareholder,

Your directors take pleasure in presenting the First Annual Report, together with the audited financial statements of your Company for the year ended March 31, 2026.

FINANCIAL RESULTS

(Rs. in Lakh)

Particulars	May 05, 2025 to March 31, 2026
Total income	12.63
Profit/ (Loss) before finance cost, depreciation, and tax	6.79
Finance Cost	-
Profit/ (Loss) before depreciation and tax	6.79
Depreciation and impairment	-
Profit/(Loss) before tax	6.79
Provision for taxation (incl. deferred tax)	1.71
Items that are not to be reclassified to profit or loss	-
Profit/(Loss) after tax	5.08

State of Company's Affairs

Project of 100 MW Solar is being set up in Rajasthan. The project will be connected to CTU.

During FY 2025-26, FE12PL secured final grid connectivity approvals and demonstrated 150 acres of land to ensure release of Rs. 10 Cr bank guarantee from the authorities (CTUIL). Further, FEPL also applied to augment FE12PL Bikaner-III solar projects with a 450 MWh Battery Energy Storage project, so as to deliver battery stored power to C&I consumers during non-solar (evening peak hours).

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

There were changes in the capital structure of the Company. The Company has increased its authorized share capital from Rs. 1,00,000/- (Rupees One Lakh only) consisting of 10,000 (Ten Thousand) equity shares of Rs. 10/- each to Rs. 8,00,00,000 (Rupees Eight Crores only) consisting of 80,00,000 (Eighty Lakhs) Equity Shares of Rs. 10/- each. The increase in Authorized share capital was approved by the members of the Company in their Extra-Ordinary General Meeting held on June 04, 2025.

The Paid-up Share Capital of the Company is Rs. 8,00,00,000/- divided into Equity Shares of Rs.10/- each. During the year under review, the Company has made further issue of shares to the existing shareholders and captive users on a rights basis. Details of the further issue of shares are as follows:

Date of Issue	Number of Shares	Nominal value per share (Rs.)	Amount paid up (Rs.)
24/07/2025	79,90,000	10	7,99,00,000

The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- Land Risk : The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- Risk of Right of Way (RoW) and Resources : This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It

also collaborates with competent local infra partners and engages with experienced and capable service partners.

- Renewable Sources and Grid Availability : The risk identified by the Company is lower generation on account of lower radiation, wind speed, Grid curtailments and failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- Plant Uptime and Soiling Losses : This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced.
- Regulatory changes: Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety .

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors, and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns: National Safety Week and Road Safety Week, Sustainability Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalization : HSE digital software implemented for hazard reporting, at risk behavior reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Deepak Joshi (DIN: 11004466) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the First AGM of the Company.

During the year, there were no changes in the Directors and Key Managerial Personnel of the Company.

Board Meetings

During the year, the Board met four times on May 05, 2025, July 24, 2025, November 04, 2025, and January 21, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026, and of the Profit of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Board for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 1 in Form No. AOC-2 and the same forms part of this report.

Financial Statements

Pursuant to Section 2(41) of the Companies Act, 2013, the financial year of the companies incorporated after the 1st day of January of a year shall end on the 31st day of March of the following year, in respect whereof the financial statement of the company is made up. Accordingly, the Company has prepared the financial statements from the date of incorporation to March 31, 2026, as per Schedule III to the Companies Act, 2013, as amended from time to time.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the Company will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company. The information is also available for inspection at the registered office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of a onetime settlement with any Bank or Financial Institution.

Statutory Auditors

The Board of Directors through a circular resolution passed on June 04, 2025, have appointed M/s Price Waterhouse Chartered Accountants LLP (FRN. 012754N/N500016) as the Statutory Auditors of the Company for FY 2025-26 until the conclusion of 1st Annual General Meeting to be held in FY 2026-27. The Auditors' Report for the period under review does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

Independent Auditor's Report

To the Members of First Energy 12 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 12 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the period from May 05, 2025 to March 31, 2026, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the period then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the period ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 27(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 27(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the period.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with.

14. The Company has not paid any remuneration to its directors during the period. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 12 Private Limited on the financial statements as of and for the period ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 12 Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 12 Private Limited

Annexure B to Independent Auditor's Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 12 Private Limited on the financial statements as of and for the period ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company does not have any Property, Plant and Equipment and accordingly, reporting under clause 3(i)(a)(A), 3(i)(b) and 3(i)(d) of the Order is not applicable to the Company.

(B) The Company did not have any intangible assets during the period and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(c) The Company does not own any immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in the favour of the lessee) (Refer Note 3(a) to the financial statements). Accordingly, reporting under clause 3(i)(c) of the Order is not applicable to the Company.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the period, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in three mutual fund schemes during the year.

The Company has not granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. The Company was incorporated during the financial year ended March 31, 2026, and there have been no tax assessments under the Income-tax Act, 1961 during the year. Accordingly, the question of our commenting on whether there were any transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year, does not arise.

ix. (a) As the Company did not have any loans or other borrowings from any lender during the period, the reporting under clause 3(ix)(a) of the Order is not applicable to the Company.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority .

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short-term basis. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the period. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the period. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the period. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the period. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the period, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the period by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section

177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the period. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial period. The current financial year being the first year of incorporation of the Company, reporting under Clause (xvii) to the extent it relates to the immediately preceding financial year, is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the period and, accordingly, the reporting under clause xviii of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the Financial Statements for the period May 5, 2025 to March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

First Energy 12 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on May 5, 2025, under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in business as a producer of energy from renewable sources.

The address of the Company's registered office is 7th Floor, Fountainhead Tower 1, Viman Nagar, Pune, Maharashtra, India, 411014. The Board of Directors have authorized to issue these financial statements on April 30, 2026. The CIN of the Company is U35100PN2025PTC241527.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Property, plant and equipment (PPE) including Capital work-in-progress

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

b. Borrowing costs

Where the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs eligible for capitalization are determined as the actual borrowing costs incurred on such specific borrowings during the period, less any investment income earned on the temporary investment of those borrowed funds pending their utilization on the qualifying asset; accordingly, the net borrowing costs, after deduction of such temporary investment income, are capitalized as part of the cost of the qualifying asset in accordance with IAS 23 – Borrowing Costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

c. Deferred Tax

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

2.3. Summary of other accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized pertains to units of electricity supplied to the consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

b. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Notes to the Financial Statements for the period May 5, 2025 to March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

f. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit or loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

g. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the

year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

k. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

Borrowing costs

The determination of whether an asset qualifies as a qualifying asset for the purpose of capitalization of borrowing costs involves significant management judgement, including assessment of factors such as the period of time necessary to get the asset ready for its intended use or sale, the nature of activities required during the construction or development phase, and prevailing industry practices; in the Company's case, the construction of projects typically involves a period ranging from 6 months to 10 months, and management evaluates each project individually to determine eligibility for borrowing cost capitalization based on these criteria.

2.5 Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future periods.

3. Capital work in progress

Capital work in progress (CWIP) comprises cost of renewable energy plant under construction. Total amount of CWIP is Rs. 316.13 lakhs

Ageing of capital work-in-progress

Particulars	As at March 31, 2026				Total

Non-current assets	-
Total	**18.77**

The carrying value of cash and cash equivalents trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2026
Financial assets	
Investments	
Mutual funds	482.26
Total financial assets (Current)	**482.26**

II. Fair value hierarchy

The following table explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2026

	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2026	482.26		-

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of NAV based on report issued by mutual fund house.

22 Financial risk management

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and investments.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk, price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal

of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company does not have any exposure to interest rate changes at the end of the reporting period, currently as there is no borrowings with variable rates.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are quoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities from its investing activities, including deposits with banks.

risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for the assets is immaterial.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2026 is the carrying amounts as disclosed in notes to accounts.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

As at March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Lease liabilities	107.80	220.99	226.38	3,390.72	3,945.88
Payable for property, plant and equipment	50.71	-	-	-	50.71
Trade Payables	2.99	-	-	-	2.99

23. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2026
1	Current Ratio	Current Assets	Current Liabilities	2.98
2	Return on equity	Net Profits after taxes before exceptional items	Shareholder's Equity	1%
3	Return on investment	Earning before interest and taxes	Total assets	3%
4	Return on capital employed	Earning before interest and taxes	Capital Employed	1%
5	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	1.95
6	Debt service coverage ratio	Net profit after taxes + Non-cash operating expenses like depreciation and other amortisations + Interest + other adjustments	Interest and principal repayments including lease payments.	0.05

Capital employed = Tangible Net worth + total debt

Working capital = current assets less current liabilities.

24. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026
Lease liabilities	1,351.53
Less: Cash and cash equivalents (includes other bank balances)	(18.77)
Net debt	**1,332.76**
Equity	796.19
Net Debt to Equity	**1.67**

Notes to the Financial Statements for the period May 5, 2025 to March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

25. Segment information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment.

26. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during accounting period	-
The amount of payment made to the supplier beyond the appointed day during the period	0.21
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the period) but without adding the interest specified under the MSMED Act, 2006	0.01
The amount of interest accrued and remaining unpaid at the end of each accounting period	0.01
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.01

*Below rounding of norms adopted by the Company

27. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which are yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year and comparative period.

(iv) There is no income surrendered or disclosed as income during the current year or comparative period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current period.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

28. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

29. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

30. The Company was incorporated on May 05, 2025. The financial statements are prepared for the period May 05, 2025 to March 31, 2026 as the first financial statements of the Company.Hence, comparative amounts do not exist for the current period.

Profit/ (Loss) before finance cost, depreciation, and tax	(2.47)
Finance Cost	-
Profit/ (Loss) before depreciation and tax	(2.47)
Depreciation and impairment	-
Profit/(Loss) before tax	(2.47)
Provision for taxation (incl. deferred tax)	-
Items that are not to be reclassified to profit or loss	-
Profit/(Loss) after tax	(2.47)

State of Company's Affairs

The Company was incorporated on May 24, 2025. It is proposed to set up a wind/solar/ hybrid captive project.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

There were no changes in the Paid-up Share Capital of the company since incorporation. The Paid-up Share Capital of the Company is Rs. 1,00,000/- divided into 10,000 Equity Shares of Rs.10/- each.

The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources :** This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.
- **Renewable Sources and Grid Availability :** The risk identified by the Company is lower generation on account of lower radiation, wind speed, Grid curtailments and failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses :** This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced.

- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety.

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors, and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalization: HSE digital software implemented for hazard reporting, at risk behavior reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Deepak Joshi (DIN: 11004466) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the First AGM of the Company.

During the period under review, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company:

- Mr. Ashish Kumar resigned as the Director of the Company with effect from October 30, 2025.
- Mr. Ganesh Othiyathur Seshaiya Gopalakrishnan was appointed as the Additional Director of the Company with effect from September 16, 2025.

Board Meetings

During the year, the Board met four times on May 26, 2025, September 16, 2025, November 04, 2025, and January 21, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026, and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Board for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 1 in Form No. AOC-2 and the same forms part of this report.

Financial Statements

Pursuant to Section 2(41) of the Companies Act, 2013, the financial year of the companies incorporated after the 1st day of January of a year shall end on the 31st day of March of the following year, in respect whereof the financial statement of the company is made up. Accordingly, the Company has prepared the financial statements from the date of incorporation to March 31, 2026, as per Schedule III to the Companies Act, 2013, as amended from time to time.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

First Energy 14 Private Limited

Independent Auditor's Report

To the Members of First Energy 14 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. I have audited the accompanying financial statements of First Energy 14 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the period from May 24, 2025 to March 31, 2026, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the period then ended.

Basis for Opinion

3. I conducted my audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. My responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the financial statements and my auditor's report thereon.

   My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

   In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

   While performing my audit function, no such misstatements noticed.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. My objectives is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a

statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, I report that:

(a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.

(b) In my opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from my examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the period and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In my opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to my remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to my separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in my opinion and to the best of my information and according to the explanations given to me:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company was not required to recognise a provision as at March 31, 2026 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2026.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the period ended March 31, 2026.

iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 21(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 21(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that I considered reasonable and appropriate in the circumstances, nothing has come to my notice that has caused me to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the period.

vi. Based on my examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the period for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

13. The Company has not paid any remuneration to its directors during the period. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

First Energy 14 Private Limited

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of First Energy 14 Private Limited on the financial statements for the period ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. I have audited the internal financial controls with reference to financial statements of First Energy 14 Private Limited ("the Company") as of March 31, 2026 in conjunction with my audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. My responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. I conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. My audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In my opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of First Energy 14 Private Limited on the financial statements as of and for the period ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company does not have any Property, Plant and Equipment and accordingly, reporting under clause 3(i)(a)(A), 3(i)(b), 3(i)(c) and 3(i)(d) of the Order is not applicable to the Company.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the period, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b),(iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax, and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961.

ix. (a) As the Company did not have any loans or other borrowings from any lender during the period, the reporting under clause 3(ix)(a) of the Order is not applicable to the Company.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short-term basis. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the period. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the period. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the period. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the period, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the period by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Act.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the period. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 2.47 lakhs in the financial year. The current financial year being the first period of incorporation of the Company, reporting under Clause (xvii) to the extent it relates to the immediately preceding financial year, is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the period and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

First Energy 14 Private Limited

Notes to the financial statements for the period from May 24, 2025 to March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

First Energy 14 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on May 24, 2025 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar power.

The address of the Company's registered office is 7th Floor, Fountain Head Tower-1, Viman Nagar, Pune, Maharashtra – 411014. The Board of Directors have authorized these financial statements on April 30, 2026. The CIN of the Company is U35100PN2025PTC242376

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct goods or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Roads	3	3

Also refer 2.3.c for other accounting policies relating to Property, plant and equipment.

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

d. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease

Notes to the financial statements for the period from May 24, 2025 to March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost

category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

f. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

Notes to the financial statements for the period from May 24, 2025 to March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

l. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

3. Other Financial Assets (Non-current)

Particulars	As at March 31, 2026
Security deposits	
Unsecured, considered good	0.10
Total	**0.10**

4. Cash and cash equivalents

Particulars	As at March 31, 2026
Balances with banks	
- in current accounts	0.13
Total	**0.13**

There are no repatriation restrictions with regard to cash and cash equivalents as at the end of the reporting period and prior periods.

5. Share Capital

a. Authorised Equity Share Capital

Particulars	No. of shares	Amount
As at May 24, 2025

b. Issued, Subscribed and Paid up Share Capital

Particulars	No. of shares	Amount
As at May 24, 2025	**-**	**-**
Increase during the period	10,000	1.00
As at March 31, 2026	**10,000**	**1.00**

First Energy 14 Private Limited

Notes to the financial statements for the period from May 24, 2025 to March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

c) Terms/Rights attached to the equity shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors of the Holding Company is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

d. Equity shares held by ultimate holding / holding company

Particulars	As at March 31, 2026	
	No. of shares	Amount
Holding company

17 Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk, price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company does not have any exposure to interest rate changes at the end of the reporting period, currently as there is no borrowings with variable rates.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are unquoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities from its investing activities, including deposits with banks.

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for the assets is immaterial.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2026 is the carrying amounts as disclosed in notes to accounts.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

As at March 31, 2026

Particulars	On demand	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative					
Trade Payables	-	0.62	-	-	-

16. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2026
1	Current Ratio	Current Assets	Current Liabilities	0.08
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	-0.68
3	Return on equity ratio	Net Profits after taxes before exceptional items	Shareholder's Equity	336.05%
4	Return on investment	Earning before interest and taxes	Total assets	-1074%
5	Return on capital employed	Earning before interest and taxes	Capital Employed	526%
6	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	3.98

Capital employed = Tangible Net worth + total debt

17. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026
Borrowings	1.00
Less: Cash and cash equivalents (includes other bank balances)	0.13
Net cash portion	**0.87**

18. Segment information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz. "Producer of power through renewable energy source". Hence, the Company does not have any reportable segment as per IND AS-108 "Operating Segments".

19. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Particulars	As at March 31, 2026
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.01
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.01
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.01

20. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which are yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year and comparative period.

(iv) There is no income surrendered or disclosed as income during the current year or comparative period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

21. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode.

22. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

23. The Company was incorporated on May 24, 2025. Therefore, comparative financial statements are for the period May 24, 2025 to March 31, 2026

Provision for taxation (incl. deferred tax)	-
Items that are not to be reclassified to profit or loss	-
Profit/(Loss) after tax	(0.99)

State of Company's Affairs

The Company was incorporated on December 16, 2025. It is proposed to set up a wind/solar/hybrid captive project.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

There were no changes in the Paid-up Share Capital of the company since incorporation. The Paid-up Share Capital of the Company is Rs. 1,00,000/- divided into 10,000 Equity Shares of Rs.10/- each.

The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources :** This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.
- **Renewable Sources and Grid Availability :** The risk identified by the Company is lower generation on account of lower radiation, wind speed, Grid curtailments and failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses :** This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced.

- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety.

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors, and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalization: HSE digital software implemented for hazard reporting, at risk behavior reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Deepak Joshi (DIN: 11004466) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the First AGM of the Company.

During the period under review, there were no changes in the Directors and Key Managerial Personnel of the Company.

Board Meetings

During the year, the Board met two times on December 17, 2025, and March 09, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026, and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

The information on transactions with related parties pursuant to Sec 134(3) (h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 1 in Form No. AOC-2 and the same forms part of this report.

Financial Statements

Pursuant to Section 2(41) of the Companies Act, 2013, the financial year of the companies incorporated after the 1st day of January of a year shall end on the 31st day of March of the following year, in respect whereof the financial statement of the company is made up. Accordingly, the Company has prepared the financial statements from the date of incorporation to March 31, 2026, as per Schedule III to the Companies Act, 2013, as amended from time to time.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the company . The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

First Energy 15 Private Limited

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

First Energy 15 Private Limited

Independent Auditor's Report

To the Members of First Energy 15 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. I have audited the accompanying financial statements of First Energy 15 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the period from December 16, 2025 to March 31, 2026, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the period then ended.

Basis for Opinion

3. I conducted my audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. My responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the financial statements and my auditor's report thereon.

   My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

   In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

   While performing my audit function, no such misstatements noticed.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. My objectives is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a

statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, I report that:

(a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.

(b) In my opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from my examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the period and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In my opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to my remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to my separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in my opinion and to the best of my information and according to the explanations given to me:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company was not required to recognise a provision as at March 31, 2026 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2026.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the period ended March 31, 2026.

iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 21(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 21(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that I considered reasonable and appropriate in the circumstances, nothing has come to my notice that has caused me to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the period.

vi. Based on my examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the period for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

13. The Company has not paid any remuneration to its directors during the period. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

First Energy 15 Private Limited

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of First Energy 15 Private Limited on the financial statements for the period ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. I have audited the internal financial controls with reference to financial statements of First Energy 15 Private Limited ("the Company") as of March 31, 2026 in conjunction with my audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. My responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. I conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. My audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In my opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditor's Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of First Energy 15 Private Limited on the financial statements as of and for the period ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company does not have any Property, Plant and Equipment and accordingly, reporting under clause 3(i)(a)(A), 3(i)(b), 3(i)(c) and 3(i)(d) of the Order is not applicable to the Company.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the period, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b),(iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax, and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961.

ix. (a) As the Company did not have any loans or other borrowings from any lender during the period, the reporting under clause 3(ix)(a) of the Order is not applicable to the Company.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short-term basis. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the period. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the period. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the period. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the period, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the period by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Act.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the period. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 0.99 lakhs in the financial year. The current financial year being the first period of incorporation of the Company, reporting under Clause (xvii) to the extent it relates to the immediately preceding financial year, is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the period and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the financial statements for the period from December 16, 2025 to March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

First Energy 15 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on December 16, 2025 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar power.

The address of the Company's registered office is 7th Floor, Fountain Head Tower-1, Viman Nagar, Pune, Maharashtra – 411014. The Board of Directors have authorized these financial statements on April 30, 2026. The CIN of the Company is U35100PN2025PTC249457.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct goods or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Roads	3	3

Also refer 2.3.c for other accounting policies relating to Property, plant and equipment.

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

d. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease

Notes to the financial statements for the period from December 16, 2025 to March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost

category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

f. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

Notes to the financial statements for the period from December 16, 2025 to March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

l. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

3. Other Financial Assets (Non-current)

Particulars	As at March 31, 2026
Security deposits	
Unsecured, considered good	0.10
Total	**0.10**

4. Cash and cash equivalents

Particulars	As at March 31, 2026

Total	**0.59**

There are no repatriation restrictions with regard to cash and cash equivalents as at the end of the reporting period and prior periods.

5. Share Capital

a. Authorised Equity Share Capital

Particulars	No. of shares	Amount
As at December 16, 2025		
Increase during the period	10,000	0.10
As at March 31, 2026	**10,000**	**0.10**

First Energy 15 Private Limited

Notes to the financial statements for the period from December 16, 2025 to March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

b. Issued, Subscribed and Paid up Share Capital

Equity shares of ₹10 each

Particulars	No. of shares	Amount
As at December 16, 2025	**-**	**-**
Changes during the period	10,000	1.00
As at March 31, 2026	**10,000**	**1.00**

c) Terms/Rights attached to the equity shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors of the Holding Company is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

d. Equity shares held by ultimate holding / holding company

Particulars	As at March 31, 2026	
	No. of shares	Amount
Holding company		
First Energy Private Limited (Including shares held by nominee shareholders)	10,000	1.00
Equity shares of ₹ 10 each		

e. Details of equity shares held by shareholders holding more than 5% of the aggregate shares in the Company

Name of the Shareholder	As at March 31, 2026
(i) First Energy Private Limited, India	
% Holding	100.00%
No. of shares	8,000,000

f. Shares held by promoters at the end of the period

Name of Promoter	As at March 31, 2026		% of change during the period
	Number of shares	% of total number of shares	
First Energy Private Limited, India	10,000	100.00%	100.00%

g. Aggregate number of shares issued for consideration other than cash :

There are no shares issued for consideration other than cash or by way of bonus shares during the current or previous year.

6. Other equity

Particulars	As at March 31, 2026	As at March 31, 2025

Other financial assets	0.10
Cash and cash equivalents	0.59
Total	**0.69**
Current assets	0.59
Non-current assets	0.10
Total	**0.69**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

16 Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk, price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company does not have any exposure to interest rate changes at the end of the reporting period, currently as there is no borrowings with variable rates.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are unquoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities from its investing activities, including deposits with banks.

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for the assets is immaterial.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2026 is the carrying amounts as disclosed in notes to accounts.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

As at March 31, 2026

Particulars	On demand	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative					
Trade Payables	-	0.62	-	-	-

15. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2026
1	Current Ratio	Current Assets	Current Liabilities	0.87
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	0.00
3	Return on equity ratio	Net Profits after taxes before exceptional items	Shareholder's Equity	-19800.00%
4	Return on investment	Earning before interest and taxes	Total assets	-143.48%
5	Return on capital employed	Earning before interest and taxes	Capital Employed	-9900.00%
6	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	1.59

Capital employed = Tangible Net worth + total debt

16. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2026
Borrowings	-
Less: Cash and cash equivalents (includes other bank balances)	0.59
Net cash portion	**-0.59**

17. Segment information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz. "Producer of power through renewable energy source". Hence, the Company does not have any reportable segment as per IND AS-108 "Operating Segments".

19. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Based on the information available with the Company, none of the vendors fall under the definition of micro, small and medium enterprises.

- Interest due thereon	0.00
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-
The amount of payment made to the supplier beyond the appointed day during the year	-
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	-
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.00
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.00

19. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which are yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year and comparative period.

(iv) There is no income surrendered or disclosed as income during the current year or comparative period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

Notes to the financial statements for the period from December 16, 2025 to March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

20. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode.

21. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

23. The Company was incorporated on December 16, 2025 . Therefore, comparative financial statements are for the period December 16, 2025 to March 31, 2026.

Items that are not to be reclassified to profit or loss	-	-
Profit/(Loss) after tax	(6.98)	(11.35)

State of Company's Affairs

The company has commissioned a Renewable Energy Project with a Solar capacity of 1.1 MW/ 1.6 MWp in December 2022 and has been operational since then.

The Board of Directors of Jalansar Wind Energy Private Limited ("Transferor Company") and Kanakal Wind Energy Private Limited ("Transferee Company") have approved a Scheme of Amalgamation under Section 233 and other applicable provisions of the Companies Act, 2013 at their respective Board Meetings held on February 4, 2026.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the company. The Paid-up Share Capital of the Company is Rs. 2,21,50,000 divided into 22,15,000 Equity Shares of Rs.10 each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review, are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk :** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources :** This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.
- **Renewable Sources and Grid Availability :** The major risk identified by the Company is generation loss due to lower radiation and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses :** This type of risk involves the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.
- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed

of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers health and safety.

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication : HSE Moment/Lessons Learnt : Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability, Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation : HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Ms. Anjali Lothe (DIN: 10134848) retires by rotation and being eligible offers, herself for re-appointment. The proposal of re-appointment forms part of the Notice of the Nineth AGM of the Company.

During the year, there were no changes in the Directors of the Company.

Board Meetings

The Board met four times during the year under review on April 30, 2025, July 21, 2025, November 4, 2025 and February 4, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013 and circulars issued by the Ministry of Corporate Affairs during the year.

Directors' Responsibility Statement

In terms of Section 134 of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Board for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 1 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the Company. The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

JALANSAR WIND ENERGY PRIVATE LIMITED

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 6th Annual General Meeting (AGM) till the conclusion of the 11th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

JALANSAR WIND ENERGY PRIVATE LIMITED

Independent auditor's report

To the Members of Jalansar Wind Energy Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Jalansar Wind Energy Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 32(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 32 (viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has not paid any remuneration to its directors during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of Jalansar Wind Energy Private Limited on the financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Jalansar Wind Energy Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of Jalansar Wind Energy Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties, as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company..

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority .

(c) The Company has not obtained any term loans during the year ended March 31, 2026 and there was no unutilized balance of term loan obtained in earlier years as on April 1, 2025. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related

Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

JALANSAR WIND ENERGY PRIVATE LIMITED

Notes to financial statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

Jalansar Wind Energy Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 27, 2017 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business as a producer of solar power.

The address of the Company's registered office is Fountainhead Tower 1, Viman Nagar, Pune – 411014, India. The Board of Directors have authorized these financial statements on April 29, 2026. The CIN of the Company is U40300PN2017PTC219725.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. The transaction price is adjusted for significant financing component, if any and the adjustment is accounted as finance cost. Revenue recognized pertains to units of electricity supplied to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in power purchase agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

d. Deferred Tax

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Notes to financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, Plant and Equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the

item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the Statement of Profit and Loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a

possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

iii. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

2.5. Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

3. Property, Plant and Equipment

Total	**-**	**-**

The Company has tax losses of Rs. 23.92 lakhs (March 31, 2025: Rs. 18.46 lakhs) that are available for offsetting of future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profits elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company was able to recognise all unrecognised deferred tax assets, the profit for the year would increase by Rs. 6.02 lakhs (March 31, 2025: 4.65 lakhs).

Particulars	Expiry Date	As at March 31 2025		As at March 31 2024	
		Amount	Tax Impact	Amount	Tax Impact

Payable for property plant & equipment (Refer Note 21)	4.64	4.64
Total	**4.64**	**4.64**

Notes to financial statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

16. Other current liabilities

Particular	As at March 31, 2026	As at March 31, 2025
Statutory tax payables	0.1 7	0.21
Total	**0.17**	**0.21**

17 Revenue from operations

Particular	For the year ended March 31, 2026	For the year ended March 31, 2025
Revenue from contract with customers:		
Revenue from power supply	90.70	90.69
Total	**90.70**	**90.69**

Disclosure pursuant to IND AS 115: Revenue from contracts with customers

Particular	For the year ended March 31, 2026	For the year ended March 31, 2025
i) Revenue by category of contracts:		
Over a period of time basis	90.70	90.69
At a point-in-time basis	-	-
Total revenue from contracts with customers	**90.70**	**90.69**
ii) Revenue by geographical market:		
Within India	90.70	90.69
Outside India	-	-
Total revenue from contracts with customers	**90.70**	**90.69**

iii) Contract balances

The following table provides information about contract balances from contracts with customers as at the reporting date:

Particular	As at March 31, 2026	As at March 31, 2025
Contract Liabilities (Refer note 13(a) and 13(b))	54.37	57.22

The contract liabilities relate to unearned revenue where performance obligations are yet to be fulfilled as per the contracts. The fulfilment of the performance obligations will extinguish these liabilities and revenue will be recognised, with no impact on the Company's cash positions.

Movement in contract liabilities is on account of net impact of finance cost accrued and revenue recognised on fulfillment of performance obligation during the year.

iv) Reconciliation between revenue recognised in Statement of profit and loss and contract price

Particular	For the year ended March 31, 2026	For the year ended March 31, 2025
Contract price	83.25	82.93
Adjustments for:		
Significant Financing Component	7.45	7.76
Total Revenue recognised	**90.70**	**90.69**

v) Revenue recognised in the reporting period that was included in the contract liabilities balance at the beginning of the year:

Unearned revenue	7.45	7.76

vi) The Company applies practical expedient included in para 121 of Ind AS 115 and does not disclose information about its remaining performance obligations for contracts where the entity has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the entity's performance completed till date.

18 Other income

Particular	For the year ended March 31, 2026	For the year ended March 31, 2025
Interest income from financial assets at amortised cost	1.56	1.86
Interest on income tax and sales tax refund	0.01	0.01
Provision no longer required written back	0.04	0.25
Total	**1.61**	**2.12**

19 Finance costs

Particular	For the year ended March 31, 2026	For the year ended March 31, 2025
Interest expenses on financial liabilities measured at amortised cost		
- to bank	40.61	45.86
- to holding company	1.64	1.69
Other finance cost	4.55	4.61

Trade payables	3.86	-
Borrowings	24.34	22.86

H Terms and conditions

All outstanding balances are unsecured, interest free except for borrowings, and payable in cash. For details of interest on borrowings, refer note 12.

The transactions and balances with the related parties disclosed above are inclusive of goods and services tax, wherever applicable.

26. Fair value measurements

Break up of financial liabilities carried at amortised cost

Particular	As at March 31, 2026	As at March 31, 2025
Trade payables	8.60	4.61
Other liabilities	4.64	11.41
Borrowings	513.33	525.53
Total	**526.57**	**541.55**
Current liabilities	62.57	56.56
Non current liabilities	464.00	484.99
Total	**526.57**	**541.55**

Break-up of financial assets carried at amortised cost

Particular	As at March 31, 2026	As at March 31, 2025
Trade receivables	8.13	8.59
Other financial assets	1.14	0.97
Cash and cash equivalents	12.33	6.98
Bank balances other than cash and cash equivalents	23.34	23.61
Total	**44.94**	**40.15**
Current assets	44.23	39.44
Non-current assets	0.71	0.71
Total	**44.94**	**40.15**

The carrying value of trade receivables, cash and cash equivalents, bank balances, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable or in case of fixed rate borrowings, movements in interest rates from the recognition of such financial instrument till period end not being material.

Notes to financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

27 Financial risk management

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that it derives directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. Management of the Company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31, 2026.

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

Particulars	March 31, 2026	March 31, 2025
Variable rate borrowings	488.99	509.44

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

March 31, 2026

Particulars	Increase/decrease in %	Impact on loss before tax
Variable rate borrowings	Increase in 25 basis point	(1.28)
	Decrease in 25 basis point	1.28

March 31, 2025

Particulars	Increase/decrease in %	Impact on loss before tax
Variable rate borrowings	Increase in 25 basis point	(1.37)
	Increase in 25 basis point	1.37

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk primarily from its trade receivables, security deposits, cash and cash equivalents and from its investing activities, including deposits with banks.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data and forward looking information. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss in the current and previous year.

Balance with Banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

The Company's other financial assets comprise security deposits held with state electricity authorities, which carry low credit risk. Accordingly, no loss allowance has been recognised.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on an on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	49.33	45.13	48.24	389.72	532.42
Trade payables	8.60	-	-	-	8.60
Other financial liabilities	4.64	-	-	-	4.64

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	47.31	42.27	45.13	437.96	572.67
Trade payables	4.61	-	-	-	4.61
Other financial liabilities	4.64	-	-	-	4.64

28 Analytical ratios

S. No.	Particulars	Numerator	Denominator	For the year ended March 31, 2025	For the year ended March 31, 2023	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current Liabilities	0.66	0.65	2%	Not applicable
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	2.93	2.92	0%	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest + Principal Repayments)	1.16	0.81	43%	Refer note 2
4	Return on Equity	Net Profit/(loss) after taxes	Average Shareholder's Equity	-3.90%	-6.03%	35%	Refer note 1
5	Return on Investment	Investment income	Average investment	7.00%	7.91%	-12%	Not applicable
6	Return on Capital employed	Earning before interest and taxes	Capital Employed	5.78%	5.71%	1%	Not applicable
7	Net Profit Ratio	Net Profits/(loss) after taxes	Revenue	-7.70%	-12.52%	38%	Refer note 1
8	Trade Receivables turnover Ratio	Total Sales	Average Trade Receivable	10.85	10.88	0%	Not applicable
9	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	3.25	4.16	-22%	Not applicable
10	Net capital turnover Ratio	Total Sales	Working Capital	-3.80	-4.02	-5%	Not applicable

Working Capital = Current assets less Current liabilities

Capital employed = Tangible Net worth + total debt

Average = (Opening + Closing)/2

Note:

1. Increase in return on equity and net profit ratio is attributable to decrease in finance cost due to reduction in interest rate during the year.
2. Reduction in installment amount during the year based on the contractual terms resulted in increase in the debt service coverage ratio

29. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Notes to financial statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Particular	March 31, 2026	March 31, 2025
Borrowings including accrued interest	513.33	532.30
Less: Cash and cash equivalents (includes other bank balances)	35.67	30.59
Net debt	**477.66**	**501.71**
Equity	175.43	182.41
Net Debt to Equity	**2.72**	**2.75**

There is no material variation in debt to equity ratio.

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with the following financial covenants:

(i) Debt to Equity ratio of 3:1 is maintained;

(ii) Debt Service Coverage ration of 1.10x is maintained; and

(iii) Debt to Tangible net worth is less than or equal to 3:1

Financial Covenant are tested based on the audited financial statements annually within a period of 6 (six) months from the end of the relevant Financial Year.

There are no debt covenant breach during the year.

30. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Sr. No	Particulars	As at March 31, 2026	As at March 31, 2025
a)	The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
	- Principal amount outstanding (whether due or not) to micro and small enterprises	3.41	2.08
	- Interest due thereon	-	0.01
b)	The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
c)	The amount of payment made to the supplier beyond the appointed day during the year	4.82	0.70
d)	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.12	0.01
e)	The amount of interest accrued and remaining unpaid at the end of each accounting year	0.12	0.02
f)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006	0.41	0.29

31. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment. 100% of the revenue of the Company is from single customer.

32 Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

33. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

34. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements of record retention..

Profit before depreciation and tax	39.13	41.06
Depreciation and impairment	46.19	46.19
Profit/(Loss) before tax	(7.06)	(5.13)
Provision for taxation (incl. deferred tax)	-	-
Items that are not to be reclassified to profit or loss	-	-
Profit/(Loss) after tax	(7.06)	(5.13)

State of Company's Affairs

The company has commissioned a Renewable Energy Project with a Solar capacity of 1.6MW/ 2.4 MWp in December 2022 and has been operational since then.

The Board of Directors of Jalansar Wind Energy Private Limited ("Transferor Company") and Kanakal Wind Energy Private Limited ("Transferee Company") have approved a Scheme of Amalgamation under Section 233 and other applicable provisions of the Companies Act, 2013 at their respective Board Meetings held on February 4, 2026.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the company. The Paid-up Share Capital of the Company is Rs. 3,32,30,000 divided into 33,23,000 Equity Shares of Rs.10 each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2026.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2026.

Particulars of Loans, Guarantees or Investments

The provisions of Section 186 of the Act, with respect to loan, guarantee, investment or security are not applicable to your Company. The details of loans, guarantee and investments made during the year under review, are given in the notes forming part of the financial statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Solar business and has drawn a mitigation plan to address the same –

- **Land Risk:** The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.
- **Risk of Right of Way (RoW) and Resources:** This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.
- **Renewable Sources and Grid Availability:** The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.
- **Plant Uptime and Soiling Losses:** This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.
- **Regulatory changes:** Due to continuous change in regulatory frameworks at state and central level, the arrangement of power off take with industrial consumers gets affected. The Company mitigates this risk for itself and the off takers by continuously monitoring and anticipating changes in policies. The Company also keeps the off takers duly informed

of such imminent changes, helping all stakeholders to discuss mitigation and timely execute amendments to off- takers contracts.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers health and safety.

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication : HSE Moment/Lessons Learnt : Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management, Hazard Reporting and closure : Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion, HSE Campaigns : National Safety Week and Road Safety Week, Sustainability, Electrical Safety week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training : HSE training including Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation : HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Ms. Anjali Lothe (DIN: 10134848) retires by rotation and being eligible offers, herself for re-appointment. The proposal of re-appointment forms part of the Notice of the Nineth AGM of the Company.

During the year, there were no changes in the Directors of the Company.

Board Meetings

The Board met four times during the year under review on April 30, 2025, July 21, 2025, November 4, 2025 and February 4, 2026. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013 and circulars issued by the Ministry of Corporate Affairs during the year.

Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. The related party transactions are placed before the Board for noting/ approval. The information on transactions with related parties pursuant to Sec 134(3)(h) of the Companies Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is given as Annexure 1 in Form No. AOC-2 and the same forms part of this report.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 duly amended, in respect of employees of the company, will be provided upon request.

In terms of Section 136 of the Act, the Annual Report excluding the aforesaid information is being sent to all the members and others entitled to receive it. Any shareholder interested in obtaining such particulars may write to the Company. The information is also available for inspection at the corporate office during working hours up to the date of the Annual General Meeting.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2026. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Disclosure under Maternity Benefit Act, 1961

There were no cases to trigger a compliance for the Company under the provisions of the Maternity Benefit Act, 1961 during the year under report.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 6th Annual General Meeting (AGM) till the conclusion of the 11th AGM. The Auditors' Report for FY 2025-26 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

Independent auditor's report

To the Members of Kanakal Wind Energy Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Kanakal Wind Energy Private Limited ("the Company"), which comprise the Balance Sheet as at March 31 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of Loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above and paragraph 13(h)(vi) below.

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position;

        ii. The Company was not required to recognise a provision as at March 31, 2026, under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any long term derivative contracts as at March 31, 2026.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 32(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 32(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that the audit trail has not been enabled at the database level to log any direct data changes. During the course of performing our procedures, other than the aforesaid instance of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

14. The Company has not paid any remuneration to its directors during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of Kanakal Wind Energy Private Limited on the financial statements as of and for the year ended March 31, 2026.

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Kanakal Wind Energy Private Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

KANAKAL WIND ENERGY PRIVATE LIMITED

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of Kanakal Wind Energy Private Limited on the financial statements as of and for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company did not have any intangible assets during the year and, accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements, does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and, accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products and services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans during the year ended March 31, 2026 and there was no unutilized balance of term loan obtained in earlier years as on April 1, 2025. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short-term basis. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management. Accordingly, the reporting under clause 3(xi)(a) of the Order is not applicable to the Company.

(b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial

statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out every year. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) We were unable to obtain the Internal Audit Reports for the period January 01, 2026 to March 31, 2026 of the Company and, accordingly, the Internal Audit Reports have been considered by us for the purpose of our audit only to the extent those were made available to us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the director(s). Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025 has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiaries or joint ventures or associate companies and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

Kanakal Wind Energy Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 27, 2017 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business as a producer of solar power.

The address of the Company's registered office is Fountainhead Tower 1, Viman Nagar, Pune – 411014, India. The Board of Directors have authorized these financial statements on April 29, 2026. The CIN of the Company is U35100PN2024PTC229447.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

b) Historical cost convention

The financial statements have been prepared on the historical cost convention;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service.

Revenue from sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. The transaction price is adjusted for significant financing component, if any and the adjustment is accounted as finance cost. Revenue recognized pertains to units of electricity supplied to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in power purchase agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Variable consideration

The contracts for sale of power provide customers with a right for compensation in case of delayed delivery or commissioning and in some contracts compensation for performance shortfall expected in future over the life of the guarantee. The Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer and netted off against the revenue

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

d. Deferred Tax

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain

a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Borrowings are classified as current liabilities unless, at the end of the reporting period, the group has a right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Notes to financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

c. Property, Plant and Equipment

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the Statement of Profit and Loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

v. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

2.5. Recent Pronouncements:

The Ministry of Corporate Affairs vide notification dated 7 May 2025 and 13 August 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2025:

1. Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1,
2. Supplier Finance Arrangements – Amendments to Ind AS 7 and Ind AS 107,
3. International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12,
4. Lack of Exchangeability – Amendments to Ind AS 21,
5. Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

3. Property, plant and equipment

5. Deferred tax assets (net)

Particular	As at March 31, 2026	As at March 31, 2025
Deferred tax asset		
Losses available for offsetting against future taxable income	190.27	166.80
Others	20.53	21.60
Total	**210.80**	**188.40**
Deferred tax liability		
Depreciation on property, plant and equipment	204.32	181.70
Ind AS impact on borrowings	6.48	6.70
Total	**210.80**	**188.40**
Total	**-**	**-**

The Company has tax losses of Rs. 16.45 lakhs (March 31, 2025: Rs. 9.87) that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profits elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company was able to recognise all unrecognised deferred tax assets, the retained earnings for the year would increase by Rs. 4.14 lakhs (March 31, 2025: Rs. 2.49 lakhs).

Particulars	Expiry Date	As at March 31 2025		As at March 31 2024	
		Amount	Tax Impact	Amount	Tax Impact

Disclosure pursuant to IND AS 115: Revenue from contracts with customers

Particular	For the year ended March 31, 2026	For the year ended March 31, 2025
i) Revenue by category of contracts:		
Over a period of time basis	136.39	139.23
At a point-in-time basis	-	-
Total revenue from contracts with customers	**136.39**	**139.23**
ii) Revenue by geographical market:		
Within India	136.39	139.23
Outside India	-	-
Total revenue from contracts with customers	**136.39**	**139.23**

iii) Contract balances

The following table provides information about contract balances from contracts with customers as at the reporting date:

Particular	As at March 31, 2026	As at March 31, 2025
Contract Liabilities (Refer note 13(a) and 13(b))	81.56	85.84

The contract liabilities relate to unearned revenue where performance obligations are yet to be fulfilled as per the contracts. The fulfilment of the performance obligations will extinguish these liabilities and revenue will be recognised, with no impact on the Company's cash positions.

Movement in contract liabilities is on account of net impact of finance cost accrued and revenue recognised on fulfillment of performance obligation during the year.

iv) Reconciliation between revenue recognised in Statement of Profit and Loss and contract price

Particular	For the ended March 31, 2026	For the ended March 31, 2025
Contract price	125.29	128.07
Adjustments for:		
Significant Financing Component	11.10	11.16
Total Revenue recognised	**136.39**	**139.23**

v) Revenue recognised in the reporting period that was included in the contract liabilities balance at the beginning of the year:

Unearned revenue	11.10	11.16

vi) Remaining performance obligations:

The Company applies practical expedient included in para 121 of Ind AS 115 and does not disclose information about its remaining performance obligations for contracts where the entity has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the entity's performance completed till date.

18 Other income

26 Fair value measurements

Break up of financial liabilities carried at amortised cost

Particular	As at March 31, 2026	As at March 31, 2025
Trade payable	18.09	10.08
Borrowings	746.07	776.39
Other liabilities	6.25	6.87
Total	**770.41**	**793.34**
Current liabilities	71.16	62.36
Non current liabilities	699.25	730.98
Total	**770.41**	**793.34**

Break-up of financial assets carried at amortised cost

Particular	As at March 31, 2026	As at March 31, 2025
Trade receivables	12.73	13.14
Other financial assets	1.95	1.45
Cash and cash equivalents	34.19	23.72
Bank balances other than cash and cash equivalents	34.74	35.15
Total	**83.61**	**73.46**
Current assets	82.57	72.42
Non-current assets	1.04	1.04
Total	**83.61**	**73.46**

The carrying value of trade receivables, cash and cash equivalents, bank balances, other financial assets, trade payables and other current liabilities are considered to be the same as their fair values, due to their short term nature.

The management has further assessed that carrying value of borrowings availed approximate their fair value largely due to the interest rates being variable or in case of fixed rate borrowings, movements in interest rates from the recognition of such financial instrument till period end not being material.

27 Financial risk management

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that it derives directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. Management of the Company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026 and March 31, 2025

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows

Particulars	March 31, 2026	March 31, 2025
Variable rate borrowings	736.74	761.79

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	March 31, 2026	March 31, 2025
Interest rates - Increase by 25 basis points (March 31, 2025 - 25 basis points)	(1.92)	(2.06)
Interest rates - Decrease by 25 basis points (March 31, 2025 - 25 basis points)	1.92	2.06

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The Company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit ratings and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data and forward looking information. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss in the current and previous year.

Balances with banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

The Company's other financial assets comprise security deposits held with state electricity authorities, which carry low credit risk. Accordingly, no loss allowance has been recognised.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2026

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	46.82	67.70	72.36	584.93	771.81
Trade payables	18.09	-	-	-	18.09
Other financial liabilities	6.25	-	-	-	6.25

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years	Total
Non- derivative					
Borrowings	38.81	66.98	68.42	622.19	796.40
Trade payables	10.08	-	-	-	10.08
Other Financial Liabilities	6.87	-	-	-	6.87

Notes to financial statements for the year ended March 31, 2026
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

28 Analytical ratios

Sr. No.	Particulars	Numerator	Denominator	For the year ended March 31, 2026	For the year ended March 31, 2025	Variance	Remarks for variation more than 25%
1	Current Ratio	Current Assets	Current Liabilities	1.03	1.02	0.95%	Not applicable
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	2.57	2.59	-0.85%	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net loss after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest + Principal Repayments)	1.08	0.89	21.35%	Not applicable
4	Return on Equity	Net loss after taxes	Average Shareholder's Equity	-2.40%	-1.71%	40.47%	Refer Note (i)
5	Return on investment	Investment income	Average investment	7.40%	7.40%	-0.04%	Not applicable
6	Return on Capital employed	Earning before interest and taxes	Capital Employed	5.90%	6.66%	-11.47%	Not applicable
7	Trade Receivables turnover Ratio	Total Sales	Average Trade Receivable	10.54	10.94	-3.62%	Not applicable
8	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	2.28	3.33	-31.58%	Not applicable
9	Net capital turnover Ratio	Total Sales	Working Capital	60.75	107.54	-43.51%	Refer Note (ii)
10	Net Profit Ratio	Net loss after taxes	Revenue	-5.18%	-3.68%	40.66%	Refer Note (i)

Working Capital = Current assets less Current liabilities

Capital employed = Tangible Net worth + total debt

Average = (Opening + Closing)/2

Note:

i) Decrease in net profit ratio and return on equity during the year is attributable to reduction in other income, resulting from amounts written back during the previous year.

ii) Decrease in net capital turnover ratio is attributable to increase in cash and bank balances resulting from cash profit during the year.

29. Capital management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particular	March 31, 2026	March 31, 2025
Borrowings including accrued interest	746.07	776.39
Less: Cash and cash equivalents (includes other bank balances)	68.93	58.87
Net debt	**677.14**	**717.52**
Equity	290.53	297.59
Net Debt to equity	**2.33**	**2.41**

There is no major variation in debt to equity ratio

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with the following financial covenants:

(i) Debt to Equity ratio of 3:1 is maintained;

(ii) Debt Service Coverage ratio of 1.10x is maintained; and

(iii) Debt to Tangible net worth is less than or equal to 3.

Financial Covenant are tested based on the audited financial statements annually within a period of 6 (six) months from the end of the relevant Financial Year.

All debt covenants were complied during the year.

KANAKAL WIND ENERGY PRIVATE LIMITED

Notes to financial statements for the year ended March 31, 2026

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

30. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Sr. No	Particulars	As at March 31, 2026	As at March 31, 2025
a)	The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
	- Principal amount outstanding (whether due or not) to micro and small enterprises	1.43	2.69
	- Interest due thereon	-	0.01
b)	The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
c)	The amount of payment made to the supplier beyond the appointed day during the year	5.79	0.98
d)	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.12	0.02
e)	The amount of interest accrued and remaining unpaid at the end of each accounting year	0.12	0.03
f)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006	0.17	0.05

31. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company has only one reportable segment as per Ind AS - 108 "Operating Segments". The Company operates entirely in India. Hence, there is only one geographical segment. 100% of the revenue of the Company is from single customer.

32. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

33. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode on servers located in India.

34. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes. Further the audit trail maintained in the previous year, has been preserved by the company as per the statutory requirements of record retention. During the year, other than the aforesaid instances where the audit trail was not maintained, there have been no instances where the audit trail feature has been tampered with.

C. Transgender - 0

RESTRICTION ON PURCHASE BY COMPANY OR GIVING OF LOANS BY IT FOR PURCHASE OF ITS SHARES

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company other than its Directors or Key Managerial Personnel, for purchase or subscribe shares of the Company.

THE INSOLVENCY AND BANKRUPTCY CODE, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

DIRECTORS' RESPONSIBILITY STATEMENT

In terms of Section 134(3)(c) of the Companies Act, 2013, the directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2026, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) The Directors have selected such appropriate accounting policies, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2026, and of the profit of the Company for the year ended on that date;

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The Directors have prepared the annual financial statements on a going concern basis;

e) The Directors have devised proper systems to ensure compliance with the provisions of all the applicable laws and that such systems were adequate and operating effectively;

f) The Directors have laid down proper internal financial controls to be followed by the Company and that such internal financial controls are adequate and operating effectively;

ACKNOWLEDGEMENTS

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well.

THERMAX CHEMICAL SOLUTIONS PRIVATE LIMITED

INDEPENDENT AUDITOR'S REPORT

To the members of Thermax Chemical Solutions Private Limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Thermax Chemical Solutions Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the period then ended, and a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profits and total comprehensive income, its changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report and the related annexures but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we

have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

   (g) Based on the records examined by us and according to information and explanations given to us, the Company has not paid/provided for managerial remuneration to it's directors during the year. Hence, the provisions of Section 197 of the Act related to managerial remuneration are not applicable.

   (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

      (i) The Company does not have any pending litigations which would impact its financial position in its Financial Statements.

      (ii) The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses;

      (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

      iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

      (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

      (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement.

      (v) The Company has not declared/paid/declared and paid any dividend during the year; and

      (vi) Based on our examination, which included test checks, the Company has maintained its books of accounts manually. Accordingly, the reporting under Clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

THERMAX CHEMICAL SOLUTIONS PRIVATE LIMITED

Annexure A to the Independent Auditors' Report

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Financial Statements of **Thermax Chemical Solutions Private Limited** ("the Company") as of March 31, 2026, in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Independent Auditors' Report

[Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

(i) (a) (b) According to the information and explanations given to us, the Company does not have any Property, Plant and Equipments and Intangible assets hence reporting under clause 3((i)(a) and (b) is not applicable to the Company.

(c) According to the information and explanations given to us, the Company does not have any immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee). Hence reporting under clause 3((i)(c) is not applicable to the Company.

(d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Hence reporting under clause 3((i)(d) is not applicable to the Company.

(e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

(ii) (a) The Company does not hold any inventory. Thus, the reporting under Clause 3(ii) (a) of the order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.

(iii) According to the information and explanations given to us, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) and 3(iii)(c) to 3(iii)(f) of the Order is not applicable to the Company. According to the information and explanations given to us, the investment made by the Company during the year in its subsidiary is not prejudicial to the company's interest.

(iv) According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Income Tax and other material statutory dues have been generally regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Services Tax, Service Tax, Provident Fund, Employees State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value added tax, Cess as at 31 March 2026, which have not been deposited on account of any dispute.

(viii) According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.

(c) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any term loans during the year. Accordingly, the reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilised for long- term purposes as at the Balance Sheet date.

(e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries. Accordingly, the reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

(b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

(c) Though establishment of vigil mechanism is not mandated for the Company by the Act, or by Securities Exchange Board of

India (Listing Obligations and Disclosure Requirement) ("SEBI LODR") Regulations, we have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of our audit procedures.

(xii) According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Financial Statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

(xiv) In our opinion and according to the information and explanations given to us and based on our examination, internal audit system is not applicable to the Company. Hence reporting under clause 3(xiv) is not applicable to the Company.

(xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company and subsidiary companies or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

(xvi)(a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) Based on the information and explanations given to us, we report that the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one Core Investment Companies.

(xvii) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year. The Company has incurred cash losses of Rs.12 lakhs in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

(xx) The provisions of Section 135 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xx)(a) and (b) of the Order is not applicable to the Company.

Notes to financial statements for the year ended March 31, 2026
((All amounts are in Rupees Lakh, except per share data and unless stated otherwise)

1. Corporate information

Thermax Chemical Solutions Private Limited ('the Company') is a private limited Company incorporated and domiciled in India. The address of the registered office is S No. 14/D, F P No. 32/33, Wakdewadi

The Board of Directors have authorized to issue these financial statements on 22nd April 2025. The CIN of the Company is U20299PN2024PTC231369. Profit and Loss account pertains to period from 1st April 2025 to 31st March 26.

2. Significant accounting policies

2.1. Basis of preparation, measurement and transition to Ind AS

(a) Basis of preparation

These financials statements are prepared in accordance with Indian Accounting Standards (IND AS) under the historical cost convention on the accrual basis, except for certain financial instruments which are measured at fair values, the provisions of the Companies Act,2013 ('the Act') (to the extent notified) and the guidelines issued by the securities and exchange board of India (SEBI).The IND AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules,2016 and 2017.

The preparation of the financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies.

b. Basis of measurement

The financial statements have been prepared on under historical cost convention.

The financial statements are presented in Indian Rupees (INR) and all values are in Rupee.

2.3 Summary of significant accounting policies

a. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial Recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings, payables.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

d. Earnings per Share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

e. Revenue from Sale of Goods

The Company recognizes revenue at a point-in-time. The point-in-time is determined when the control of the goods or services is transferred which is determined based on when the significant risks and rewards of ownership are transferred to the customer. Apart from this, the Company also considers its present right to payment, the legal title to the goods, the physical possession and the customer acceptance in determining the point in time where control has been transferred.

f. Interest Income

Interest income is recognized when it is probable that economic benefits will flow to the company and the amount of revenue can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the effective interest rate applicable.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

h. Property, Plant and Equipment

Property, plant and equipment (PPE) is stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any. All significant costs relating to the acquisition and installation of PPE are capitalized. Subsequent costs/replacement costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized. All other repairs and maintenance are charged to the Statement of profit and loss during the financial year in which they are incurred.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Depreciation on PPE is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

3. Significant accounting judgments, estimates and assumptions.

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures and the disclosure of contingent liabilities as at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods..

4. Investment in Subsidiary

	As at March 31, 2026	As at March 31, 2025
Non Current Financial Assets		
Investment in Subsidiary	3,622.45	810.73

	1.71	**14.17**

14 Fair value measurements

a) Category of financial instruments and valuation techniques

Break-up of financial assets carried at amortised cost

	March 31, 2026
Investment in Subsidiary	3,622.45
Cash and cash equivalents	124.93
Total	**3,747.38**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

Break-up of financial assets carried at fair value through profit and loss

15 Financial risk management

The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include Investments, cash and cash equivalents that it derives directly from its operations.

The Company is exposed to Market risk, Credit risk and liquidity risk. The company follows guidance given by the Corporate Risk Management Policy of the group. The risks are summarized below:

Management Policy of the group. The risks are summarized below:

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk.

Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk.

I Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily Cash and Bank Deposits) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Financial instruments and bank deposits

Credit risk from balances with banks and financial institutions is managed by the group treasury department in accordance with the Thermax group policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

II Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, company maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at operating segments level in the Company in accordance with practice and limits set by the Company. In addition, the company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

16 As the consolidated financial statements are presented by the entity's holding Company, the entity has elected to apply the exemption available to it under Ind AS 110 and has opted to present only one set of standalone financial statements.

17 (a) Compliance with section 143(3) for maintenance of books of account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The status of compliance is summarised in the below table:

Requirements u/s 143(3) of Companies Act, 2013	Response
Books of Account maintained on cloud / servers physically located in India	Yes
Backup maintained in India on daily basis	
Intimation sent to the ROC for the current year	NA

17 (b) The Company currently does not have an accounting software for bookeeping and maintains the books of accounts Manually.

18 Related party disclosures

Names of related parties and related party relationship:

Policy on the Selection and Appointment of Directors and the Remuneration of Directors, Key Managerial Personnel (KMP), and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Directors, based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors, KMP and other employees of the Company. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict- of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration of Non- Executive Directors (NEDs):

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the NRC shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD) and Whole Time Director (WTD) shall be paid such remuneration as may be mutually agreed between the Company (which includes the NRC and the Board of Directors) and the MD and WTD within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD and WTD is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the NRC shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD and WTD, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component (Short Term Incentive Plan (STIP) and Long-Term Incentive Plan (LTIP)

(ii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

(6) Remuneration criteria for employees:

Employees will be assigned roles based on their qualifications, work experience, competencies, and responsibilities within the organization. Employee remuneration will be determined in line with the company's current HR policy, taking into account factors such as job profile, skill sets, seniority, experience, performance, and prevailing compensation levels for similar roles.

TSA PROCESS EQUIPMENTS PRIVATE LIMITED

INDEPENDENT AUDITOR'S REPORT

To the members of TSA Process Equipments Private Limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of TSA Process Equipments Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the period then ended, and a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its Profits and total comprehensive income, its changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

   (g) In our opinion, the managerial remuneration for the year ended March 31, 2026 has been paid / provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.

   (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

      (i) The Company does not have any pending litigations which would impact its financial position in its Financial Statements.

      (ii) The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses;

      (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

      iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

      (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

      (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement.

      (v) The Company has not declared/paid/declared and paid any dividend during the year; and

      (vi) Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except Inventory and related consumption which are accounted manually. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

TSA PROCESS EQUIPMENTS PRIVATE LIMITED

Annexure A to the Independent Auditors' Report

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Financial Statements of **TSA Process Equipments Private Limited** ("the Company") as of March 31, 2026, in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Independent Auditors' Report

[Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

i. (a) (A) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(B) According to the information and explanations given to us, the Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a regular programme of physical verification of its property, plant and equipment by which the property, plant and equipment are verified by the management according to a phased programme designed to cover all the items over a period of two years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. In accordance with the programme, the Company has physically verified certain property, plant and equipment during the year and no material discrepancies were noticed on such verification.

(c) According to the information and explanation given to us and on the basis of our examination of records of the Company, in respect of immovable properties (Land) that have been taken on lease, the lease agreements are held in the name of the Company where the Company is the lessee in the agreements. The Company does not have any other immovable property.

(d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Hence reporting under clause 3((i)(d) is not applicable to the Company.

(e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

ii. (a) According to the information and explanations given to us, the inventory comprising of raw materials, work-in-progress, finished goods have been physically verified at reasonable intervals by the management during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of five crore rupees from Citi Bank ("the Bank") on the basis of security of the current assets during the year. The statements of current assets filed by the Company with the Bank on a quarterly basis are in agreement with the unaudited books of account as certified by the management.

(iii) According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.

(iv) According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

(vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act for the products of the Company. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, specified by the Central Government under sub-section (1) of Section 148 of the Act and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, Duty of Customs, Income Tax and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities though there has been a slight delay in a few cases . According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Excise and Value Added Tax.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Income Tax, Goods and Services Tax, Service Tax, Provident Fund, Employees State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value added tax, Cess as at 31 March 2026, which have not been deposited on account of any dispute.

(viii) According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.

(c) In our opinion, according to the information and explanations given to us, the term loans have been applied for the purpose for which the loans were obtained.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilized for long- term purposes as at the Balance Sheet date.

(e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

(f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) According to the information and explanations given to us, the

Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

(b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

(c) Though establishment of vigil mechanism is not mandated for the Company by the Act, or by Securities Exchange Board of India (Listing Obligations and Disclosure Requirement) ("SEBI LODR") Regulations, as represented by the management, no whistle blower complaints were received by the Company during the year.

(xii) According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Financial Statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

(xiv) In our opinion and according to the information and explanations given to us and based on our examination, internal audit system is not applicable to the Company. Hence reporting under clause 3(xiv) is not applicable to the Company.

(xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company and subsidiary companies or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

(xvi) (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) Based on the information and explanations given to us, we report that the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one Core Investment Companies.

(xvii) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

(xx) The provisions of Section 135 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xx)(a) and (b) of the Order is not applicable to the Company.
